A City of Bloodsuckers O.O.

Kandison,2012-07-18 This novel is a work of fiction and the characters are all fictional that is they come out of my imagination But if they bear any resemblance to specific judges lawyers and cops it is not a matter of coincidence It is because I chose to use such names for them to get mad the same way I am mad about the injustice done to me by three judges for a crime I cried and swore I did not commit I was charged and found guilty even though I was the one who was assaulted and battered an assault and battery that has now partially left me deaf and above all has left me with only one testicle while the judges and the attorneys have played their games right I also created this fictional event of the court I have used names that came out of my imagination to represent all the players in this book and I put them in chapters where they

are meant to serve my purpose the same way three notorious judges all served their purpose against me But I should make it clear though that the names of the noncourtroom players whom I have used here are products of my imagination or are used fictitiously Any resemblance to actual events or locales or persons living or dead is entirely coincidental Therefore the actions and motivations of these players are entirely my idea Again simply put there is no connection in the manner I brought them into the book If I have caused embarrassment to anyone other than some judges I have directed my anger to or the attorneys the security men of Circus Circus Hotel Casino and the cops in any manner I wish here and now to apologize openly and sincerely And bear in mind that without the humanities with the novelists playwrights poets and actors of our world let alone the comedians to express the First Amendment or mock those who wrong us or who rule the world we would not have movies or theaters Therefore all the movies we might think we have would be worth nothing Ogbebor K Ogbesia November 8 2001

Hit Me! Danielle Gomes, Jay Bonansinga, 2013-05-07. Las Vegas 1970s: a golden age of Glitter Gulch corruption. Dennis Gomes, the youngest division chief in Gaming Control Board history, whipped a ragtag group of auditors into hardened gun-slinging investigators and shattered clichés about milquetoast accountant cops. Coming within a hair's breadth of death more than once, Gomes capped off his tenure with the famous bust of the Stardust skim, portrayed in the book and movie *Casino*. In *Hit Me!*, there's action to fill a dozen Scorsese films, midnight raids, heart-rending showgirl romances, and deadly double crosses. And the cast of characters reads like a roll call of gangster lore. But no matter how much evidence Gomes uncovered or how many witnesses and informants were bloodied, Gomes was swept aside.

by a political system that was dirty to its core It took nearly three decades but in 2007 Gomes made a date with destiny at The Family Secrets Trial the justice system finally taking out a hit on the mob In a Chicago courtroom on July 30 2007 Gomes a key prosecutorial witness finally settled all scores Dennis Gomes who passed away in February 2012 will be posthumously inducted into the Gaming Hall of Fame in Las Vegas in October 2012 **The Rough Guide to Las Vegas** Greg Ward,2002
