**Teens in Tinseltown ,      Breaking Free from Death** Galina Rylkova, 2020-04-14 Breaking Free from Death examines how Russian writers respond to the burden of living with anxieties about their creative outputs and ultimately about their own inevitable finitude What contributes to creative death are not just crippling diseases that make man defenseless in the face of death and not just the arguably universal fear of death but equally important the innumerable impositions on the part of various outsiders Many conflicts in the lives of Rylkova s subjects arose not from their opposition to the existing political regimes but from their interactions with like minded and supporting intellectuals friends and relatives The book describes the lives and choices that concrete individuals and by extrapolation their literary characters must face in order to preserve their singularity and integrity while attempting to achieve fame greatness and success Shadowun, the Singing Comb and

the Bag of Sweets Terry Endacott, 2024-12-06 Roddy and Breda don't have much going for them. Imagine living in a chicken shack at the end of a garden, hardly ideal. They grow suspicious of Ruby, who seems to have a strange power over people even them. But things take a wild turn when the circus returns to town and they uncover the ringmaster's shocking new method of acquiring animals. No one is safe. Thankfully, the Shadowun is back to lend a hand, but will he be able to stop the madness?
