Thailand's Industrialization and its Consequences Medhi Krongkaew, 1995-06-12 Professor

Krongkaew is one of Thailand's best known academic economists and he has brought together an impressive number of authorities on the modern Thai economy. The resulting book should be of great value to anyone wanting an authoritative and comprehensive overview of recent developments in one of Asia's most dynamic economies. Anne Booth, School of Oriental and African Studies, University of London. The book is divided into 4 parts. Part 1 gives an overview of Thai industrialization and the roles of agriculture, manufactured exports, direct foreign investment and tourism as major contributors to recent fast economic growth. Part 2 analyses the impact of industrialization on government finance, monetary policy, urbanisation and household welfare. Part 3 further investigates impact on political development, social values, the environment and education, health and science and technology. Part 4 looks at a future role of Thailand as a newly industrialized country in Asia.

Southeast Asia Thomas R. Leinbach, Richard Ulack, 2000. The Great Depression hit Americans hard but none harder than African Americans and the working poor. This brief, engaging book covers the range of African Americans' experiences during the 1930s. Cheryl Lynn Greenberg explores employment issues, the New Deal's effect on African Americans' family and community changes and how the coming of war affected the population. The book straddles the particular with examinations of specific communities and experiences and the general with explorations of the broader effects of racism, discrimination, family, class and political organizing.

Mauritius: A successful Small Island Developing State Boopen Seetanah, Raja Sannasse, Robin Nunkoo, 2019-11-11. The economic upturn and performance of Mauritius is a far cry from predictions made in the 1960s. The island's remarkable economic performance since the 1980s can be attributed to a multitude of factors instrumental to the success of the economy, including structural reforms, outward-looking export-oriented strategies, diversification in the manufacturing, tourism and financial services sectors, amongst others, sound economic governance and institutions and significant investment in human

capital This book attempts to provide a detailed analysis of the various key ingredients which have helped to propel Mauritius to its current status The various chapters provide important readings for both academics and policymakers with the final chapter providing key policy strategies which the government needs to implement to help Mauritius graduate to the next level of development namely to that of a high income economy and in moving out of the middle income trap laying the foundations for future growth and shared prosperity in the light of both domestic challenges and global constraints
