Citizenship After Liberalism

Martin Schlag, Giulio Maspero

Citizenship After Liberalism:

Citizenship After Liberalism Karen Slawner, Mark E. Denham, 1998 *Citizenship After Liberalism* explores contemporary challenges to the liberal concept of citizenship both philosophical and practical. The authors question whether liberalism has the resources to meet those challenges and explore what might replace it if it doesn't. The essays approach this issue from a variety of interpretive perspectives and geographical locations. The volume integrates different literatures including political theory, political philosophy, international relations, and comparative politics. [After Liberalism?](#) Martin Schlag, Giulio Maspero, 2021-08-23 The economic downturn caused by the COVID-19 pandemic, the unrest in the US following the unlawful death of George Floyd, and other sources of social unrest and insecurity have brought to a head something that has been brewing in Western societies since the Great Recession of 2008: the disillusionment with liberal democracy as it evolved after World War II. Liberal political systems were characterized by a working compromise between capital and labor, between liberalism and socialism. This book analyzes how and to what extent the rise of populism and identitarian political movements, as well as the acceptance of world leaders who embody an authoritarian style of government, has undermined this compromise. Written by scholars from various disciplines, all of which share the Christian faith, it offers a snapshot of an intellectual debate among Christians who are deeply concerned about the world they live in and who share their constructive proposals for a way forward after liberalism as we know it. The contributors address topics such as Christian alternatives to liberalism, populism, challenges to post-liberalism, trans-liberalism, and relational anthropology. Accordingly, the book will appeal to scholars who wish to reflect on the order of our society and to anyone who shares the view that it is high time to rethink liberalism. **Liberty after Liberalism** L. Quill, 2005-10-26 *Liberty After Liberalism* frees the concept of the active citizen from both the territorial confines of the nation-state and the limits imposed by republican city-state models. Lawrence Quill advances a theory of global republicanism, one that is able to respond directly to the changing realities of political life. By adopting a publicly ironic approach to politics, Quill revives the idea of public freedom within a global context, thereby providing an important supplement to contemporary theories of cosmopolitan democracy. **Democracy After Liberalism** Robert B. Talisse, 2005 First Published in 2005. Routledge is an imprint of Taylor & Francis, an informal company. [Liberalism, Nationalism, Citizenship](#) Ronald Beiner, 2003 Liberals believe that the purpose of politics is to guarantee that individuals do not face unfair impediments in pursuing the lives they choose for themselves. Nationalists believe that the purpose of politics is to ensure that a people's sense of authentic nationhood wins full expression in powers of collective sovereignty or self-rule. Both of these forms of political commitment yield world-transforming political philosophies, but do either of these visions do adequate justice to a philosophically robust ideal of shared citizenship and civic membership? In *Liberalism, Nationalism, Citizenship*, Ronald Beiner engages critically with a wide range of important political thinkers and current debates in light of the Aristotelian idea that shared citizenship is an essential human calling. Virtually every aspect of contemporary political

experience globalization international migration secessionist movements the politics of multiculturalism pose urgent challenges to modern citizenship Beiner's work on the philosophy of citizenship is essential reading not just for students of politics and political philosophy but for all those who rightly sense that these kinds of recent challenges

After Liberalism Paul Edward Gottfried, 2001-07-22 In this trenchant challenge to social engineering Paul Gottfried analyzes a patricide the slaying of nineteenth century liberalism by the managerial state Paul Gottfried does more than analyze historical facts however He builds on them to show why it matters that the managerial state has replaced traditional liberalism the new regimes of social engineers he maintains are elitists and their rule is consensual only in the sense that it is unopposed by any widespread organized opposition How can opponents of administrative elites show the public that those who provide however ineptly for their material needs are the enemies of democratic self rule and of independent decision making in family life If we do not wake up Gottfried warns the political debate may soon be over despite sporadic and ideologically confused populist rumblings in both Europe and the United States

The Prospects for Liberal Nationalism in Post-Leninist States Cheng Chen, 2010-11-01

Rethinking Australian Citizenship Wayne Hudson, John Kane, 2000-06 The notion of citizenship is now being taken up internationally as a way to rethink questions of social cohesion and social justice In Europe the concept of national identity is under close scrutiny while the pressures of globalizing markets and the power of transnational corporations everywhere raise questions about the true place and meaning of citizenship in civil society In Australia a traditional view of citizens belonging to a single nation made up of one people with a special relationship to one land has been thrown open to challenge by a range of differing perspectives Rethinking Australian Citizenship considers the major debates Some chapters look at contemporary theoretical debates while others reinvent Australian citizenship from a particular perspective on civil life The result is a rich and coherent volume that shows the diverse ways in which Australian citizenship can be rethought

The Paradox of Citizenship in American Politics Mehnaaz Momen, 2017-08-28 This remarkable book does the unusual it embeds its focus in a larger complex operational space The migrant the refugee the citizen all emerge from that larger context The focus is not the usual detailed examination of the subject herself but that larger world of wars grabs contestations and importantly the claimers and resisters Saskia Sassen Professor of Sociology Columbia University USA This thought provoking book begins by looking at the incredible complexities of American identity and ends with the threats to civil liberties with the vast expansion of state power through technology A must read for anyone interested in the future of the promise and realities of citizenship in the modern global landscape Kevin R Johnson Dean UC Davis School of Law USA Momen focuses on the basic paradox that has long marked national identity the divide between liberal egalitarian self conception and persistent practices of exclusion and subordination The result is a thought provoking text that is sure to be of interest to scholars and students of the American experience Aziz Rana Professor of Law Cornell Law School USA This book is an exploration of American citizenship emphasizing the paradoxes that are contained normalized

and strengthened by the gaps existing between proposed policies and real life practices in multiple arenas of a citizen's life. The book considers the evolution of citizenship through the journey of the American nation and its identity, its complexities of racial exclusion, its transformations in response to domestic demands and geopolitical challenges, its changing values captured in immigration policies and practices, and finally its dynamics in terms of the shift in state power vis-à-vis citizens. While it aspires to analyze the meaning of citizenship in America from the multiple perspectives of history, politics, and policy, it pays special attention to the critical junctures where rhetoric and reality clash, allowing for the production of certain paradoxes that define citizenship rights and shape political discourse.

Liberalism Versus Conservatism François B. Gérard, 2000. Everyone eschews labels yet we all seem to possess them in the minds of legions of politicians, marketers, and even the ever peering government. We are being targeted daily by flaming liberals, left wing liberals, right wing conservatives, compassionate conservatives, religious conservatives, and liberals, pinko liberals, middle of the road liberals, conservatives, and liberals, pinko liberals, middle of the road liberals, and conservatives, and of course by neoconservatives and neoliberals. The search is on for kindred souls, the types who will open their wallets to support whatever it is the hucksters are peddling. But what do these concepts mean, and do their torchbearers grasp the underlying philosophies, or do they care? This bibliography lists over hundreds of entries under each category, which are then indexed by title and author.

Citizenship in Diverse Societies Will Kymlicka, Wayne Norman, 2000-03-16. Is it possible in a modern pluralistic society to promote common bonds of citizenship while at the same time accommodating and showing respect for ethnocultural diversity? Citizenship and diversity have been two of the major topics of debate in both democratic politics and political theory over the past decade. Much has been written about the importance of citizenship, civic identities, and civic virtues for the functioning of liberal democracies, and the need to accommodate the ethnocultural, linguistic, and religious pluralism that is a fact of life in most modern states. By and large, however, these two topics have been largely discussed in mutual isolation. Much of the writing on the issues of both citizenship and diversity remains rather abstract and general, and disconnected from the specific issues of public policy and institutional design. *Citizenship in Diverse Societies* examines the specific points of conflict and convergence between concerns for citizenship and diversity in democratic societies, and reassesses and refines existing theories of diverse citizenship by examining these theories in the light of actual practices and policies of pluralistic democracies.

The Future Governance of Citizenship Dora Kostakopoulou, 2008-05-08. In much of the citizenship literature, it is often considered, if not simply assumed, that citizenship is integral to the character of a self-determining community, and that this process, by definition, involves the exclusion of resident foreigners. Dora Kostakopoulou calls this assumption into question, arguing that aliens are, by definition, outside the bounds of the community, by virtue of a circular reasoning which takes for granted the existence of bounded national communities, and that this process of collective self-definition is deeply political and historically dated. Although national citizenship has enjoyed a privileged position in both

theory and practice its remarkable elasticity has reached its limit thereby making it more important to find an alternative model Kostakopoulou develops a new institutional framework for a national citizenship which can be grafted onto the existing state system defends it against objections and proposes institutional reform based on an innovative approach to citizenship

Islam After Liberalism Faisal Devji, Zaheer Kazmi, 2017 Leading scholars discuss how Islam and liberalism have been entwined historically and politically and how Muslims have thought about this longstanding relationship

Narratives of Citizenship Aloys N.M. Fleischmann, Nancy Van Styvendale, Cody McCarroll, 2012-02-01 Examining various cultural products music cartoons travel guides ideographic treaties film and especially the literary arts the contributors of these thirteen essays invite readers to conceptualize citizenship as a narrative construct both in Canada and beyond Focusing on indigenous and diasporic works along with mass media depictions of Indigenous and diasporic peoples this collection problematizes the juridical political and cultural ideal of universal citizenship Readers are asked to envision the nation state as a product of constant tension between coercive practices of exclusion and assimilation *Narratives of Citizenship* is a vital contribution to the growing scholarship on narrative nationalism and globalization Contributors David Chariandy Lily Cho Daniel Coleman Jennifer Bowering Delisle Aloys N M Fleischmann Sydney Iaukea Marco Katz Lindy Ledohowski Cody McCarroll Carmen Robertson Laura Schechter Paul Ugor Nancy Van Styvendale Dorothy Woodman and Robert Zacharias

To Whom Do Children Belong? Melissa Moschella, 2016-06-02 This book offers a foundational defense of the rights of parents as primary educators of their children

Political Theory and Australian Multiculturalism Geoffrey Brahm Levey, 2012 This book is the product of a workshop sponsored by the Academy of the Social Sciences in Australia and the Australian Government Department of Immigration and Multicultural and Indigenous Affairs T p verso

Islam Beyond Conflict Azyumardi Azra, Wayne Hudson, 2008-01-01 This volume explores the extent to which moderate Indonesian Islam is able to assimilate leading concepts from Western political theory The essays explore how concepts from Western political theory are compatible with a liberal interpretation of Islamic universals and how such universals can form the basis for a contemporary approach to the protection of human rights and the articulation of a modern Islamic civil society

Handbook of Development Policy Habib, Zafarullah, Huque, Ahmed S., 2021-09-07 This authoritative Handbook provides a thorough exploration of development policy from both scholarly and practical perspectives and offers insights into the policy process dynamics and a range of specific policy issues including corruption and network governance

Now We Are Citizens Nancy Grey Postero, 2007 The book traces current Indian activism in Bolivia arguing that a new social formation is emerging to challenge racism and the harsh effects of the dominant neoliberal economic model

The Cambridge Companion to Gender and the Law Stéphanie Hennette Vauchez, Ruth Rubio-Marín, 2023-01-26 To what extent is the legal subject gendered Using illustrative examples from a range of jurisdictions and thematically organised chapters this volume offers a comprehensive consideration of this question With a systematic accessible approach it argues that law and gender

work to co produce the legal subject Cumulatively the volume s chapters provide a systematic evaluation of the key facets of the legal subject the corporeal the functional and the communal Exploring aspects of the legal subject from the ways in which it is sexed and sexualised to its national and familial dimensions this volume develops a complete account of the various processes through which legal orders produce gendered subjects Across its chapters each theoretically ambitious in its own right this volume outlines how the law not only acts on the social world but genders it

Citizenship After Liberalism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Citizenship After Liberalism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Citizenship After Liberalism has opened up a world of possibilities. Downloading Citizenship After Liberalism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Citizenship After Liberalism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Citizenship After Liberalism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Citizenship After Liberalism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Citizenship After Liberalism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Citizenship After Liberalism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Citizenship After Liberalism Books

1. Where can I buy Citizenship After Liberalism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Citizenship After Liberalism book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Citizenship After Liberalism books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Citizenship After Liberalism audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Citizenship After Liberalism books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
