Citizenship Nationality And Ethnicity Reconciling Competing Identities:

Citizenship, Nationality, and Ethnicity T. K. Oommen, 1997-01 1 Introducing the Argument **Citizenship, Territoriality, and Post-Soviet Nationhood** Maxim Tabachnik, 2019-04-02 This book seeks to understand the politics of nationalism in the buffer zone between Russia and the West Azerbaijan Georgia and Moldova as well as Russia itself It problematizes the official ways of defining the nation and thus citizenship in the light of frozen ethno territorial conflicts and broader geopolitical discrepancies between Russia and the West The author analyzes the politics of birthright citizenship policy in these countries and rejects the assumed connection between territorial nation building and liberal democracy The project will interest academics and graduate students in the fields of comparative and post Soviet politics nationalism and citizenship and international relations policy professionals *Nationalism and Minority Identities in Islamic Societies* Maya Shatzmiller, 2005 The movement of nation building in Islamic societies away from the secular or Pan Arab models of the early twentieth century toward a variety of nationalisms was accompanied by growing antagonism between the Muslim majority and ethnic or religious minorities The papers in *Nationalism and Minority Identities in Islamic Societies* offer a comparative analysis of how these minorities developed their own distinctive identities within the modern Islamic nation state The essays focus on identity formation in five minority groups Copts in Egypt Baha is and Christians in Pakistan Berbers in Algeria and Morocco and Kurds in Turkey and Iraq While every minority community is distinctive the experiences of each show that a state s authoritarian rule uncompromising attitude towards expressions of particularism and failure to offer tools for inclusion are all responsible for the politicization and radicalization of minority identities The place of Islam in this process is complex while its initial pluralistic role was transformed through the creation of the modern nation state the radicalization of society in turn radicalized and politicized minority identities Minority groups though at times possessing a measure of political autonomy remain intensely vulnerable Contributors include Juan R I Cole University of Michigan David L Crawford Fairfield University Michael Gunter Tennessee Technological University Azzedine Layachi St John s University Richard C Martin Emory University Paul S Rowe University of Western Ontario Maya Shatzmiller University of Western Ontario Charles D Smith University of Arizona Pieternella van Doorn Harder Valparaiso University the late Linda S Walbridge University of Oklahoma and M Hakan Yavuz University of Utah Announcing the series *Studies in Nationalism and Ethnic Conflict* General Editors Sid Noel and Richard Vernon co directors of University of Western Ontario s Nationalism and Ethnic Conflict Research Group *Studies in Nationalism and Ethnic Conflict* is a series that examines the political dimensions of nationality in the contemporary world The series includes both scholarly monographs and edited volumes which consider the varied sources and political expressions of national identities the politics of multiple loyalty the domestic and international effects of competing identities within a single state and the causes of and political responses to conflict between ethnic and religious groups The volumes are designed for use by university students scholars and interested general readers *Citizenship,*

Nationalism and Refugeehood of Rohingyas in Southern Asia Nasreen Chowdhury, Biswajit Mohanty, 2020-05-19 This book provides an in depth investigation of citizenship and nationalism in connection with the Rohingya community It analyses the processes of production of statelessness in South Asia in general and with regard to the Rohingyas in particular Following the persecution of the Rohingya community in Myanmar Burma by the military and the Buddhist militia a host of texts mostly descriptive have examined the historical political and cultural roots of the genocidal massacre and the flight of its victims to South Asia and South East Asian countries The UNHCR reports describe the plight of Rohingyas during and after their journey while other works focus on the political economic roots of this ethnic conflict and its consequences for the Rohingyas To date very few theoretical insights have been provided on the Rohingya issue This book seeks to fill that gap and explores a dialogue between the state and its citizens and non citizens that results in the production of statelessness In theoretical terms the book addresses the construction of citizens and non citizens on the part of the state and the process of symbolic othering achieved through various state practices couched in terms of nationalism Extensive case studies from India Myanmar and Bangladesh provide the foundation for a robust theoretical argument Given its scope the book will be of interest to students academics and researchers with a focus on political economy in South Asia in general and or refugee studies in particular

Urban Navigations Jonathan Shapiro Anjaria, Colin McFarlane, 2013-02-01 This book provides an important account of how the city in South Asia is produced lived and contested It examines the diverse lived experiences of urban South Asia through a focus on contestations over urban space resources and habitation bringing together accounts from India Pakistan Nepal and Sri Lanka In contrast to accounts that attribute urban transformation mainly to neoliberal globalisation this book vividly demonstrates how neoliberalism functions as one of the many drivers of urban change This edited volume brings together an interdisciplinary and international range of established and emerging scholars working on the city in South Asia To date South Asian urban studies privilege a handful of cities particularly in India overlooking the great diversity as well as commonalities of urban experiences spanning the region Thus in addition to chapters on New Delhi Mumbai and Bangalore this volume contains critical urban chapters on less studied cities such as Lahore Islamabad Kathmandu Colombo and Dhaka The volume insists that a fresh look at contemporary changes in cities in South Asia requires careful consideration of the specificity of the city as well as a comparative perspective It provides a sense not only of the new forms of urbanism emerging in contemporary South Asia but also sheds light on new theoretical possibilities and directions to make sense of transnational processes and urban change

Kosovo Dr Denisa Kostovicova, 2005-10-09 Kosovo The Politics of Identity and Space explores the Albanian Serbian confrontation after Slobodan Milosevic's rise to power and the policy of repression in Kosovo through the lens of the Kosovo education system The argument is woven around the story of imposed ethnic segregation in Kosovo's education and its impact on the emergence of exclusive notions of nation and homeland among the Serbian and Albanian youth in the 1990s The book also critically explores the wider context of the

Albanian non violent resistance including the emergence of the parallel state and its weaknesses Kosovo The Politics of Identity and Space not only provides an insight into events that led to the bloodshed in Kosovo in the late 1990s but also shows that the legacy of segregation is one of the major challenges the international community faces in its efforts to establish an integrated multi ethnic society in the territory *Social Change in the Age of Globalization* Tiankui Jing,Masamichi Sasaki,Peilin Li,2006-08-01 The 36th World Congress of the International Institute of Sociology IIS was a true milestone in the history of IIS for it heralded many firsts the first World Congress to be held on the Asian Continent the first to be held in China and the largest attendance by far of any of the organization s World Congresses This book is a compendium of 18 papers presented by plenary speakers from 10 different nations It addresses sweeping issues related to the age of globalization and social change including cultural diversities migration and equality social transformation and national identity Notable is an extraordinary diversity of viewpoints approaches and opinions Social Change in the Age of Globalization should be especially useful for those interested in learning more about social change in the context of globalization especially in nations whose sociological communities are emerging such as China and many other Asian nations

Bhangra Moves Anjali Gera Roy, 2017-07-05 Bhangra is commonly understood as the hybrid music produced in Britain by British Asian music producers through mixing Panjabi folk melodies with western pop

and black dance rhythms This is derived from a Punjabi harvest dance of the same name This book looks at Bhangra s global flows from one of its originary sites the Indian subcontinent to contribute to the understanding of emerging South Asian cultural practices such as Bhangra or Bollywood in multi ethnic societies It seeks to trace Bhangra s moves from Punjab and its return back to look at the forces that initiate and regulate global flows of local texts and to ask how their producers and consumers redirect them to produce new definitions of culture identity and nation The critical importance of this book lies in understanding the difference between the present globalizing wave and previous trans local movements Gera Roy contrasts the frames of cultural imperialism with those of cultural invasion to show how Indian cultures have constantly reinvented themselves by cross pollinating with invading cultures such as Hellenic Persian Arabic and many others in the past By looking at Bhangra s flows to and from India the book revises the relation between culture space and identity and challenges boundaries It weighs both the uses and costs of visibility provided by global networks to marginalized groups in diverse localities and explores whether collaborations between Bhangra practitioners largely of working class origin give ordinary people any control over the circulation of culture in the global village Finally the book considers whether cultural practices can alter hierarchies and power structures in the real world

International Handbook on Globalisation, Education and Policy Research Joseph Zajda, 2005-03-17 The aim of this Handbook is to present a global overview of developments in education and policy change during the last decade It has the objective of providing both a strategic education policy statement on recent shifts in education and policy research globally and offers new approaches to further exploration development and improvement of education and policy making The Handbook attempts to address some of the above issues and problems confronting educators and policy makers globally Different articles seek to conceptualize the on going problems of education policy formulation and implementation and provide a useful synthesis of the education policy research conducted in different countries and practical implications The Handbook by focusing on such issues as the OECD 2001 model of the knowledge society and associated strategic challenge and deliverable goals OECD 2001 139 UNESCO driven lifelong learning paradigm and its relevance to education policy makers globally different models of policy planning and equity questions that are raised by centralization decentralization diversity uniformity and curriculum standardization issues the crises of educational quality the debate of standards and excellence and good and effective teaching will contribute to a better and more holistic understanding of the education policy and research nexus offering possible strategies for the effective and pragmatic policy planning and implementation at the local regional and national levels

The Politics of Social Exclusion in India Harihar Bhattacharyya, Partha Sarkar, Angshuman Kar, 2009-12-16 Social exclusion and inclusion remain issues of fundamental importance to democracy Both exclusion and inclusion relate to the access to participation in the public realm public goods and services for certain groups of people who are minorities marginalized and deprived Democratization has led to the inclusion of the previously excluded in the political process While the problems of exclusion

remain even in advanced Western countries in respect of the minorities of sorts and the underprivileged the problem of deep rooted social and cultural exclusions is acute in post colonial countries including India This book analyses social exclusions in India which remain the most solid challenges to Indian democracy and development Communal clashes ethnic riots political secessionist movements and extremist violence take place almost routinely and are the outward manifestations of the entrenched culture of social exclusion in India With its interdisciplinary approach the book looks at the multidimensional problems of social exclusion and inclusion providing a critical comprehensive analysis of the problem and of potential solutions The authors are experts in the fields of historical sociology anthropology political theory social philosophy economics and indigenous vernacular literature Overall the book offers an innovative theoretical perspective of the long term issues facing contemporary Indian democracy
