Citizenship In The Postwar Kingdom Of God:

Citizenship in the Post-War Kingdom of God Phoebe Marie Holmes, 2013-10 This is a new release of the original 1944 edition
The Routledge History of the Devil in the Western Tradition Richard Raiswell, Michelle D. Brock, David R. Winter, 2025-05-29 Covering a period of 2000 years this book offers an interdisciplinary exploration of the devil's role in the Western tradition and draws from history religion art literature media studies and anthropology to provide a multifaceted view of the devil over time The Routledge History of the Devil in the Western Tradition examines topics such as the devil's scriptural origins medieval development and role in witch hunting and possession cases as well as the influence of the demonic on contemporary issues like terrorism political polarisation and digital culture Collectively this volume demonstrates that the demonological imagination has served as part of the glue holding Western societies together While contexts misfortunes and anxieties have shifted according to time and place many of the dynamics that underlie the devil's construction and detection have important continuities This book then provides an innovative history of the anti West the West as seen through its anxieties fears and attempts to define and police itself and its boundaries With contributions from 28 leading scholars in the field this volume is of interest to all students and scholars of the devil in the Western world

The US Government, Citizen Groups and the Cold War Helen Laville, Hugh Wilford, 2006-11-22 This new book examines the construction activities and impact of the network of US state and private groups in the Cold War By moving beyond state dominated top down interpretations of international relations and exploring instead the engagement and mobilization of whole societies and cultures it presents a radical new approach to the study of propaganda and American foreign policy and redefines the relationship between the state and private groups in the pursuit and projection of American foreign relations In a series of valuable case studies examining relationships between the state and women's groups religious bodies labour internationalist groups intellectuals media and students this volume explores the construction of a state private network not only as a practical method of communication and dissemination of information or propaganda but also as an ideological construction drawing upon specifically American ideologies of freedom and voluntarism The case studies also analyze the power relationship between the state and private groups assessing the extent to which the state was in control of the relationship and the extent to which private organizations exerted their independence This book will be of great interest to students of Intelligence Studies Cold War History and IR security studies in general
Christian Imperial Feminism Gale L. Kenny, 2024-02-06 Christian Imperial Feminism examines how ecumenical Protestant women's practices of pageants prayer and political activism sustained the Christian imperial feminism of the White women's missionary movement within an emerging Protestant inflected postwar racial liberalism

The Church in Post-war Europe Alexander McLeish, 1949

Padres in No Man's Land, Second Edition Duff Crerar, 2014-08-01 *Padres in No Man's Land* is the compelling story of brave and deeply committed army chaplains who brought faith and courage to Canada's troops during one of history's most devastating wars. Tracing the growth of the Canadian Chaplain Service from its chaotic and controversy-ridden early days to its maturation as an efficient field force, Duff Crerar highlights both the role of the Service on the battlefield and the personal experiences of the chaplains. Refuting the widely held view that chaplains serving overseas were cloistered from front-line realities, Crerar describes the padres' experiences in camps, hospitals, and on the battlefield. He examines how they maintained their faith in the face of death and destruction and explores the bonds forged between chaplains and troops. *Padres in No Man's Land* concludes in the postwar era with the decline of the chaplains' hopes for spiritual renewal upon their return to Canada; their dreams dashed not by the war but by the subsequent peace.

Moral Ambition Omri Elisha, 2011-07-15 In this evocative ethnography, Omri Elisha examines the hopes, frustrations, and activist strategies of American evangelical Christians as they engage socially with local communities. Focusing on two Tennessee megachurches, *Moral Ambition* reaches beyond political controversies over issues such as abortion, same-sex marriage, and public prayer to highlight the ways that evangelicals at the grassroots of the Christian Right promote faith-based causes intended to improve the state of social welfare. The book shows how these ministries both help churchgoers embody religious virtues and create provocative new opportunities for evangelism on a public scale. Elisha challenges conventional views of U.S. evangelicalism as narrowly individualistic, elucidating instead the inherent contradictions that activists face in their efforts to reconcile religious conservatism with a renewed interest in compassion, poverty, racial justice, and urban revivalism.

Looking Back, Moving Forward Girish Daswani, 2015-01-01 *Looking Back, Moving Forward* investigates the embodied practices, interpersonal relationships, and moments of self-reflection in the lives of members of the Church of Pentecost in Ghana and amongst the Ghanaian diaspora in London.

Facing West David R. Swartz, 2020 In 1974, nearly 3,000 evangelicals from 150 nations met at the Lausanne Congress on World Evangelization. Amidst this cosmopolitan setting and in front of the most important white evangelical leaders of the United States, members of the Latin American Theological Fraternity spoke out against the American Church. Fiery speeches by Ecuadorian Ren Padilla and Peruvian Samuel Escobar revealed a global weariness with what they described as an American style of coldly efficient mission wedded to myopic right-leaning politics. Their bold critiques electrified Christians from around the world. The dramatic growth of Christianity around the world in the last century has shifted the balance of power within the faith away from the traditional strongholds of Europe and the United States to the Global South. To be sure, Western missionaries have carried religion abroad, but the line of influence has often run the other way. David R. Swartz demonstrates that evangelicals in the Global South spoke frankly to American evangelicals on matters of race, imperialism, theology, sexuality, and social justice. From the left, they have pushed for racial egalitarianism, ecumenism, and more substantial development efforts. From the right, they have advocated for a conservative sexual ethic.

They forced American Christians to think more critically about their own assumptions The United States is just one node of a sprawling global network that includes Korea India Switzerland the Philippines Guatemala Uganda and Thailand Telling stories of the diverse array of evangelicals around the world Swartz shows that evangelical networks don't only extend outward but back home from the ends of the earth *Democratization of Indian Christianity* Ashok Kumar Mocherla, James Ponniah, 2024-02-13 This book highlights the transformative potential of democratic Church and Christian community in India In the light of both ongoing and also to some extent foregone sociopolitical and theological challenges confronting Indian Christianity this book invokes the need to democratize Indian Christianity in terms of its theology liturgy teachings practices resources leadership roles and institutional power relations sharing by keeping contemporary social realities of Indian Christians at the core of its approach and discourse It explores internal challenges of caste class gender and regional contestations and external forces of communalism and majoritarianism confronting Indian Christianity today Further it underlines the importance of dignity equality fraternity freedom and responsibility emerging at an organizational level through strong mechanisms of deliberation decision making and execution A major contribution to religious studies in India this book will be of great interest to scholars and researchers of religion especially Christian theology South Asian studies politics and sociology

Reviving the Ancient Faith Richard Thomas Hughes, 1996 This pathbreaking book by Richard T Hughes chronicles the history of Churches of Christ in America from their inception in the early nineteenth century to the 1990s taking full account of the complexity of their origins the mainstream of their heritage for almost two hundred years and their voices of protest and dissent especially in the twentieth century From The Critics Hughes here provides the definitive history of the Churches of Christ from their beginnings in the Stone Campbell movement of the early 19th century through the split with the Disciples of Christ at the turn of the century and all the way into the 1990s Central to this richly detailed and highly readable narrative is Hughes's assertion that this religious movement has evolved from a 19th century sect into a 20th century denomination Choice Because of Hughes's elegant writing and his awareness of the social history surrounding the developing denomination this study transcends mere denominational history and should be read as cultural history It should remain the standard volume on the subject for years to come Publishers Weekly Hughes provides a clear balanced account of an American religious movement that has heretofore received insufficient scholarly attention Journal of American History An excellent denominational history of Churches of Christ Richard T Hughes who admirably balances an empathy born of his lifelong membership in the denomination with the standards of a professional historian labored on this book for a decade and a half and the result is a study both thoroughly researched and clearly written American Historical Review Hughes is the foremost interpreter today of the Churches of Christ as this book illustrates Well written and meticulously documented this book could serve as the definitive history of this movement for a generation Religious Studies Review

The Report of the Syracuse-Onondaga Post-war Planning Council to the Citizens of the City of Syracuse

and Onondaga County Syracuse-Onondaga Post-War Planning Council,1945 *American Possessions* Sean McCloud,2015

American Possessions examines Third Wave evangelical spiritual warfare a contemporary movement of evangelicals focused on banishing demons from human bodies material objects land regions political parties and nation states McCloud argues that spiritual warfare provides an ideal case study for identifying some prescient tropes in modern American religion and culture *Emerging Evangelicals* James S. Bielo,2011-10 The Emerging Church movement developed in the mid 1990s among primarily white urban middle class pastors and laity who were disenchanted with America s conservative Evangelical sub culture It is a response to the increasing divide between conservative Evangelicals and concerned critics who strongly oppose what they consider overly slick corporate and consumerist versions of faith A core feature of their response is a challenge to traditional congregational models often focusing on new church plants and creating networks of related house churches Drawing on three years of ethnographic fieldwork James S Bielo explores the impact of the Emerging Church movement on American Evangelicals He combines ethnographic analysis with discussions of the movement s history discursive contours defining practices cultural logics and contentious interactions with conservative Evangelical critics to rethink the boundaries of Evangelical as a category Ultimately Bielo makes a novel contribution to our understanding of the important changes at work among American Protestants and illuminates how Emerging Evangelicals interact with the cultural conditions of modernity late modernity and visions of postmodern Christianity *A Christian Basis for the Post-war World* Albert Edward Baker,1942 **Eleanor Roosevelt's My Day: The post-war years, her acclaimed columns, 1945-1952** Eleanor Roosevelt,1989 In this the second of three volumes Eleanor Roosevelt shares her daily diary to the nation which was syndicated to hundreds of papers nationwide *The Real Church* Harald Hegstad,2013-02-15 What does it mean to believe in the church What is the relationship between the church we believe in and the church we experience Is there an invisible church that is different from the visible This book is an argument for an ecclesiology of the visible The only church the real church is a concrete reality made up of people just like any other fellowship What distinguishes it as church is the presence of the triune God among those who gather in the name of Jesus making it a sign and anticipation of the fellowship of the kingdom of God From this premise Dr Hegstad analyzes such issues as the relationship between church and world mission and diakonia church as fellowship and organization ministries in the church worship and the unity of the church as well as discussing the relationship between a sociological and a theological understanding of the church

Situating Spirituality Brian Steensland,Jaime Kucinkas,Anna Sun,2021-11-22 The essays collected in *Situating Spirituality* Context Practice and Power examine not only individual engagements with spirituality but they show how seemingly personal facets of spirituality as well as definitions of spirituality itself are deeply shaped by religious cultural and political contexts *The Wiley Blackwell Companion to Religion and Materiality* Vasudha Narayanan,2020-04-27 The Wiley Blackwell Companion to Religion and Materiality provides a thoughtfully organized inclusive and vibrant project of the

multiple ways in which religion and materiality intersect The contributions explore the way that religion is shaped by and has shaped the material world embedding beliefs doctrines and texts into social and cultural contexts of production circulation and consumption The Companion not only contains scholarly essays but has an accompanying website to demonstrate the work of performers architects and expressive artists ranging from musicians and dancers to religious practitioners These examples offer specific illustrations of the interplay of religion and materiality in everyday life The project is organized from a comparative perspective highlighting examples and case studies from traditions originating in both East and West To summarize the volume Brings together the leading figures theories and ideas in the field in a systematic and comprehensive way Offers an interdisciplinary approach drawing together religious studies anthropology archaeology history sociology geography the cognitive sciences ecology and media studies Takes a comparative perspective covering all the major faith traditions

Citizenship In The Postwar Kingdom Of God Introduction

In today's digital age, the availability of Citizenship In The Postwar Kingdom Of God books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Citizenship In The Postwar Kingdom Of God books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Citizenship In The Postwar Kingdom Of God books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Citizenship In The Postwar Kingdom Of God versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Citizenship In The Postwar Kingdom Of God books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Citizenship In The Postwar Kingdom Of God books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Citizenship In The Postwar Kingdom Of God books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers.

Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Citizenship In The Postwar Kingdom Of God books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Citizenship In The Postwar Kingdom Of God books and manuals for download and embark on your journey of knowledge?

FAQs About Citizenship In The Postwar Kingdom Of God Books

1. Where can I buy Citizenship In The Postwar Kingdom Of God books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
