**A Thousand Fathoms Under the Skin** Rolf Schroers, 2003-12-01 Boris Sartorev an American diplomat involved in sensitive Middle Eastern peace talks finds out at his cost that an eclectic group of friends formed in his wild past hold both the key to the mystery and the winning hand Despite the clarity of diplomatic vision being blurred by remembrances of sexual liaisons shared kicks and children born it is soon clear to Boris that he is somehow connected to the Poker Club and therefore frighteningly to their Hitzballah roots

*Beneath the Blackwood's Skin* Paula Krause, 2024-11-20 Beneath the imposing gargoyle studded facade of Chicago's Blackwood Building a relic whispering tales of a bygone era architect Paula Krause a champion of sleek modernity finds herself locked in a battle of blueprints and wills

with Lucas Nicholson an interior designer whose opulent vision threatens her meticulously crafted minimalism Their shared commission to resurrect the Blackwood as a beacon of contemporary elegance becomes a crucible where their clashing aesthetics ignite not only creative sparks but a forbidden attraction Haunted by the spectral failure of a previous project Paula seeks redemption in the Blackwood s clean lines a sanctuary from her demanding family But her refuge is infiltrated by Lucas a whirlwind of vibrant ideas who sees in the Blackwood s ornate details a canvas for emotional storytelling He is the prodigal son returned not to the boardroom but to the world of paintbrushes and palettes As they strip back layers of plaster and pretension they uncover not only the building s original architectural bones but also a hidden cache of Prohibition era love letters chronicling the clandestine romance between a daring flapper Evangeline and a stoic architect Alistair Their story a poignant melody of stolen moments and whispered promises becomes a mirror reflecting Paula and Lucas s own burgeoning desire Stolen kisses in hidden alcoves deepen their connection their designs subtly mirroring their growing intimacy But the Blackwood s secrets don t end with faded ink Ruthless developer Silas Thorne covets the building envisioning a glittering monstrosity in its place Thorne a menacing shadow threatens not only their shared vision but exposes their forbidden affair a scandal that could shatter their careers Paula fearing another public humiliation and Lucas fiercely protective of his newfound creative freedom must unite against Thorne s relentless pressure They delve deeper into Alistair and Evangeline s story uncovering a web of betrayal and a chilling echo of the threats they face Caught in a web of ambition desire and deceit Paula and Lucas must choose between protecting their hearts and safeguarding their legacies Their families initially skeptical are drawn into the escalating conflict The climax arrives during a gala held within the partially renovated Blackwood where Thorne announces his plans to demolish it Armed with Alistair s blueprints and the truth of Evangeline s story Paula and Lucas expose Thorne s corrupt dealings turning the tide of public opinion In the aftermath they choose to embrace their connection defying expectations and whispers The Blackwood now a symbol of their resilience stands tall a testament to their passion and the enduring power of love and architecture

**The Prism-Skin Cartographer's Dream Atlas** Andrea Vaughn,2025-01-07 Enter the Everfold a breathtaking realm of fractured realities born from the shattering of the old world Here memories sculpt landscapes emotions ignite storms and the laws of physics bend to the whims of thought Elara Idris a young cartographer burdened by a sentient compass tied to her deepest fears navigates this kaleidoscope of infinite possibility Her compass a whispering orb of iridescent metal and crystal guides her through shimmering rivers of forgotten moments and landscapes of crystallized regret its needle pulled by the currents of her own anxieties Joining Elara is Rhys Vane a historian haunted by fragments of a lost world His flickering memories offer glimpses of a forgotten tapestry but the Everfold s chaotic nature threatens to unravel the fragile threads of his past Their journey begins in the Whispering Glades where the remnants of forgotten conversations form an ethereal chorus There they uncover a chilling inscription the first sign of the Order of Nullity

a secretive organization dedicated to the Everfold's annihilation their twisted vision promising a return to a singular predictable reality From the Obsidian Coast where petrified screams litter the shore like obsidian shards to the submerged ruins of a pre shattering metropolis Elara and Rhys uncover a shocking truth the Everfold wasn't born of destruction but of a desperate attempt to escape a dying universe This revelation fuels the Order's fervor but strengthens Elara and Rhys's resolve to protect this vibrant testament to human resilience Their path leads them through the disorienting Labyrinth of Shifting Perceptions where Elara's compass reveals its true nature a conduit of creation shaping the Everfold itself Within the labyrinth Elara confronts her deepest fears while Rhys grapples with the unsettling realization that his memories may not be his own Their shared vulnerability forges a deeper bond preparing them for the final confrontation at the Citadel of Forgotten Dreams the Order's headquarters There they uncover the Order's terrifying plan to erase the Everfold from existence using the Reality Anchor a device powered by the suppressed emotions of its inhabitants In a climactic battle of wills Elara must embrace her connection to the Everfold and unleash the full power of her imagination while Rhys confronts the fragmented enigma of his past Will they succeed in saving the Everfold or will the Order of Nullity extinguish the very essence of imagination plunging reality into monotonous singularity
