

Civil Service Since 1945

Rodney Lowe

Civil Service Since 1945:

Britain Since 1945 Jonathan Hollowell, 2008-04-15 This book offers a comprehensive overview of Britain's development since the end of the Second World War. It comprises 23 contributions from leading authorities and newer scholars set in context with a foreword by Raymond Seitz. A comprehensive and fascinating introduction to Britain from the end of the Second World War. Draws together the themes that have dominated discussion amongst scholars and media commentators. The chapters are set in context with a foreword by Raymond Seitz. Covers topics such as foreign policy, political parties, the media, race relations, women and social change, science and IT, culture, industrial relations, the welfare state and political and economic issues in Scotland, Wales and Northern Ireland.

The British Civil Service Janice Morphet, 2025-05-28 Taking account of its evolution in recent decades, this book provides an up-to-date account of the role of the Civil Service in the UK. The book offers a much-needed re-examination of the function and role of the Civil Service and considers the ways in which it has changed in response to today's pressures. It examines the changing relationships between ministers, civil servants and special advisers (spADs) as well as investigating challenges to the principles of the Civil Service such as service outsourcing, COVID-19 responses and Brexit. Asking whether the practices of the past are effective for the future, this book is a vital resource for undergraduate and postgraduate students of UK politics, public administration and public sector management.

The Civil Service Since 1945 Kevin Theakston, 1995 This book provides a succinct overview of the development of the civil service since 1945. Adopting a broad historical approach, it assesses the changes in organization, structure and management of the Whitehall machine alongside the continuities in the policy and practice of public administration. Kevin Theakston draws on the full range of recent scholarship, documents in the Public Record Office and the many post-war official investigations and reports to provide a balanced analysis of the key themes and issues concerning the power of the civil service, official secrecy, ethics and accountability in Whitehall and the reform of the government machine. The author discusses the relationship between each post-war government and the mandarins from Attlee and Churchill to Thatcher and Major. He assesses the role and power of some of the titans of Whitehall: Sir Edward Bridges, Sir William Armstrong, Sir Robert Armstrong and the current Head of the Civil Service, Sir Robin Butler. The book examines the various attempts to overhaul the machinery of government and the civil service from the 1940s to the present day, dealing with the Fulton Report, Edward Heath's reforms of government, the Next Steps market testing and contracting out in a clear and systematic way.

The British Constitution in the Twentieth Century Vernon Bogdanor, 2004-06-10 This is the first scholarly survey of the British constitution in the twentieth century. Indeed, it fills a very real gap in the history of Britain during the last hundred years. The book is a product of interdisciplinary collaboration by a distinguished group of constitutional lawyers, historians and political scientists and draws where possible on primary sources. Its evaluation of the recent constitutional reforms will be of particular interest. This major interpretation of the constitution will remain authoritative for many years. Civil

Service Systems in Anglo-American Countries John Halligan, 2004-01-01 Civil Service Systems in Anglo American Countries presents a comprehensive overview of the important issues in modern bureaucracies combined with a comparative analysis of the civil service systems administrative traditions of five Anglo American nations *The Culture of Secrecy* David Vincent, 1998 A comprehensive study of the closure of communication in modern British history right up to 1998 this book seeks to understand why secrets have been kept and how the systems of control have been constructed and challenged over the past 160 years *Prime Ministers and Whitehall 1960-74* Jon Davis, 2007-12-05 A fascinating study of the reforms of British central government in the post war years from Harold Macmillan to Edward Heath The book also looks in detail at the relationship between the Civil Service and ministers including the Fulton Report of 1968 and the war it caused in Whitehall Meticulously researched and written by an expert in the field *The Oxford Handbook of Modern British Political History, 1800-2000* David Brown, Robert Crawford, Gordon Pentland, 2018 The two centuries after 1800 witnessed a series of sweeping changes in the way in which Britain was governed the duties of the state and its role in the wider world Powerful processes from the development of democracy the changing nature of the social contract war and economic dislocation have challenged and at times threatened to overwhelm both governors and governed Such shifts have also presented challenges to the historians who have researched and written about Britain s past politics This Handbook shows the ways in which political historians have responded to these challenges providing a snapshot of a field which has long been at the forefront of conceptual and methodological innovation within historical studies It comprises thirty three thematic essays by leading and emerging scholars in the field Collectively these essays assess and rethink the nature of modern British political history itself and suggest avenues and questions for future research The Oxford Handbook of Modern British Political History thus provides a unique resource for those who wish to understand Britain s political past and a thought provoking long view for those interested in current political challenges *The British System of Government* Anthony Harold Birch, 1998 Provides an account of British political institutions the way in which they operate and the society in which they developed Contains sections on the social basis the constitutional framework political actors and their roles the process of government and the citizen and government This tenth edition contains new material on the monarchy and the House of Lords the 1997 general election the transformation of the Labor Party the European Union and Northern Ireland Annotation copyrighted by Book News Inc Portland OR **Social Policy in the Federal Republic of Germany** Hans F. Zacher, 2012-11-15 This book investigates the history of the post war welfare state in Germany and its normative foundations with special emphasis on constitutional issues The author formerly Director of the Max Planck Institute for Foreign and International Social Law Munich and President of the Max Planck Society argues that social policy not only in Germany is about struggles over the social The social is an open and changing concept that reflects the modern quest for equality voiced in semantics like justice participation inclusion and security The social and the social state the German term for welfare state are enshrined in the

German Constitution of 1949 the Grundgesetz The book sets out the phases of welfare state development in depth Social policies are analyzed in view of wider contexts especially the nation state the rule of law Rechtsstaat federalism and democracy The author emphasizes the dialectics between the national character of the welfare state and its manifold international references

Foundations of Public Administration Peter Harris, 1990-04-01 This book has been written to explain some of the fundamental issues of public administration to a wide audience The author Emeritus Professor and former head of the Department of Political Science at The University of Hong Kong has had many years experience in the study and teaching of public administration in both European and African states in the 50s and 60s and Asia in the 70s and 80s

The Official History of the British Civil Service Rodney Lowe, 2011-01-25 This first volume of the Official History of the UK Civil Service covers its evolution from the Northcote Trevelyan Report of 1854 to the first years of Mrs Thatcher s government in 1981 Despite current concerns with good governance and policy delivery little serious attention has been paid to the institution vital to both the Civil Service This Official History is designed to remedy this by placing present problems in historical context and by providing a helpful structure in which others and particularly former officials may contribute to the debate Starting with the seminal 1854 Northcote Trevelyan Report it covers the lost opportunity of the 1940s when the Service failed to adapt the needs of big government as advocated by Beveridge and Keynes It then examines in greater detail the belated attempts at modernisation in the 1960s the Service s vilification in the 1970s and the final destruction of the old order during the first years of Mrs Thatcher s government Particular light is shed on the origins of such current concerns as the role of special advisers the need for a Prime Minister s Department the evolution of Parliamentary Select Committees to resolve the potential tension between bureaucracy and Parliamentary democracy This Official History is based on extensive research into both recently released and unreleased papers as well as interviews with leading participants It has important lessons to offer all those both

inside and outside the UK seeking to improve the quality of democratic government This book will be of great interest to all students of British history British government and politics and of public administration in general Enduring Enmity Hubertus Buchstein, 2024-06-04 To date the relationship between Otto Kirchheimer and Carl Schmitt has invariably been described as friendly despite their political differences Kirchheimer has even been attributed the role of the godfather of today's left Schmittianism With reference to previously unknown archival materials conversations with personal contacts and through a new reading of the theoretical works of both authors including an analysis of the Nazi vocabulary used by Schmitt Hubertus Buchstein exposes this view as a politically motivated legend Buchstein claims that the best way to characterize their relationship from their first meeting in Bonn in 1926 up until Kirchheimer's death in 1965 is as enduring enmity in a political a theoretical and even a personal sense **The Treasury in Public Policy-Making** Richard A Chapman, 1997-10-23 Analyses the Treasury's role in public policy making and makes an original contribution to knowledge about the current work of the Treasury The book focuses on three main areas the development of the Treasury from earliest times to the present the current structure and organization of the Treasury following the radical changes which took place i

Unveiling the Energy of Verbal Artistry: An Psychological Sojourn through **Civil Service Since 1945**

In a world inundated with screens and the cacophony of instant communication, the profound power and mental resonance of verbal beauty frequently disappear in to obscurity, eclipsed by the regular onslaught of noise and distractions. However, situated within the lyrical pages of **Civil Service Since 1945**, a fascinating perform of fictional beauty that impulses with fresh feelings, lies an memorable trip waiting to be embarked upon. Written with a virtuoso wordsmith, this interesting opus courses visitors on an emotional odyssey, delicately revealing the latent possible and profound affect stuck within the elaborate web of language. Within the heart-wrenching expanse of the evocative analysis, we shall embark upon an introspective exploration of the book is key themes, dissect their captivating writing design, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
