**Catherine Clinton, Nina Silber**

## **Civil War As A Crisis In Gender:**

**Civil War as a Crisis in Gender** LeeAnn Whites, 2000-03-01 Gender is the last vantage point from which the Civil War has yet to be examined in depth says LeeAnn Whites Gender concepts and constructions Whites says deeply influenced the beliefs underpinning both the Confederacy and its vestiges to which white southerners clung for decades after the Confederacy's defeat Whites's arguments and observations which center on the effects of the conflict on the South's gender hierarchy will challenge our understanding of the war and our acceptance of its historiography The ordering principle of gender roles and relations in the antebellum South says Whites was a form of privileged white male identity against which others in that society were measured and accorded worth and meaning women wives children and slaves Over the course of the Civil War the power of these men to so arbitrarily construct their world all but vanished owing to a succession of hardships that culminated in defeat and the end of slavery At the same time Confederate women were steadily and ambivalently empowered Drawn out of their domestic sphere these women labored and sacrificed to prop up an apparently hollow notion of essential manliness that rested in part on an assumption of female docility and weakness Whites focuses on Augusta Georgia to follow these events as they were played out in the lives of actual men and women An antebellum cotton trading center Augusta was central to the Confederacy's supply network and later became an exemplary New South manufacturing city Drawing on primary sources from private family papers to census data Whites traces the interplay of power and subordination self interest and loyalty as she discusses topics related to the gender crisis in Augusta including female kin networks women's volunteer organizations class and race divisions emancipation Sherman's invasion of Georgia veteran aid societies rural migration to cities and the postwar employment of white women and children in industry Whites concludes with an account of how elite white Augustans reconstructed themselves in the postwar years By memorializing their dead and mythologizing their history in a way that presented the war as a valiant defense of antebellum domesticity these Augustans sought to restore a patriarchy however attenuated that would deflect the class strains of industrial development while maintaining what it could of the old Southern gender and racial order Inherent in this effort as during the war was an unspoken admission by the white men of Augusta of their dependency upon white women A pioneering volume in Civil War history this important study opens new debates and avenues of inquiry in culture and gender studies **Divided Houses** Catherine Clinton, Nina Silber, 1992 A collection of essays on gender in 19th century USA which explores specifically all major aspects of women's roles in the American Civil War **A Companion to the Civil War and Reconstruction** Lacy Ford, 2011-03-21 A Companion to the Civil War and Reconstruction addresses the key topics and themes of the Civil War era with 23 original essays by top scholars in the field An authoritative volume that surveys the history and historiography of the U S Civil War and Reconstruction Analyzes the major sources and the most influential books and articles in the field Includes discussions on scholarly advances in U S Civil War history Gender and the Sectional Conflict Nina Silber, 2015-12-01 In

an insightful exploration of gender relations during the Civil War Nina Silber compares broad ideological constructions of masculinity and femininity among Northerners and Southerners She argues that attitudes about gender shaped the experiences of the Civil War s participants including how soldiers and their female kin thought about their causes and obligations in wartime Despite important similarities says Silber differing gender ideologies shaped the way each side viewed participated in and remembered the war Silber finds that rhetoric on both sides connected soldiers reasons for fighting to the women left at home Consequently although in different ways women on both sides took up new roles to advance the wartime agenda At the same time both Northern and Southern women were accused of waning patriotism as the war dragged on but their responses to such charges differed Finally noting that our postwar memories are often dominated by images of Southern belles Silber considers why Northern women despite their heroic contributions to the Union cause have faded from Civil War memory Silber s investigation offers a new understanding of how Unionists and Confederates perceived their reasons for fighting of the new attitudes and experiences that women black and white on both sides took up and of the very different ways that Northern and Southern women were remembered after the war ended North Carolinians in the Era of the Civil War and Reconstruction Paul D. Escott,2008 Although North Carolina was a home front state rather than a battlefield state for most of the Civil War it was heavily involved in the Confederate war effort and experienced many conflicts as a result North Carolinians were divided over the issue of **Still Fighting the Civil War** David Goldfield,2004-03-01 Newcomers to the South often remark that southerners at least white southerners are still fighting the Civil War a strange preoccupation considering that the war formally ended more than one hundred and thirty five years ago and fewer than a third of southerners today can claim an ancestor who actually fought in the conflict But even if the war is far removed both in time and genealogy it survives in the hearts of many of the region s residents and often in national newspaper headlines concerning battle flags racial justice and religious conflicts In this sweeping narrative of the South from the Civil War to the present noted historian David Goldfield contemplates the roots of southern memory and explains how this memory has shaped the modern South both for good and ill He candidly discusses how and why white southern men fashioned the myths of the Lost Cause and the Redemption out of the Civil War and Reconstruction and how they shaped a religion to canonize the heroes and reify the events of those fated years Goldfield also recounts how blacks and white women eventually crafted a different more inclusive version of southern history and how that new vision has competed with more traditional perspectives As Goldfield shows the battle for southern history and for the South continues in museums public spaces books state legislatures and the minds of southerners Given the region s growing economic power and political influence the outcome of this war is more than a historian s preoccupation it is of national importance Integrating history and memory religion race and gender **Still Fighting the Civil War** will help newcomers longtime residents and curious outsiders alike attain a better understanding of the South and each other **Women in Civil War Texas** Deborah M. Liles,Angela

Boswell,2016-10-15 *Women in Civil War Texas* is the first book dedicated to the unique experiences of Texas women during the Civil War It fills the literary void in Texas women s history during this time connects Texas women s lives to southern women s history and shares the diversity of experiences of women in Texas during the Civil War An introductory essay situates the anthology within both Civil War and Texas women s history Contributors explore Texas women and their vocal support for secession and in support of a war coping with their husbands wartime absences the importance of letter writing as a means of connecting families and how pro Union sentiment caused serious difficulties for women They also analyze the effects of ethnicity focusing on African American German and Tejana women s experiences Finally two essays examine the problem of refugee women in east Texas and the dangers facing western frontier women These essays develop the historical understanding of what it meant to be a Texas woman during the Civil War and also contribute to a deeper understanding of the complexity of the war and its effects      *Crisis of Gender and the Nation in Korean Literature and Cinema* Kelly Y. Jeong,2011-01-01 This book is about the changing constructs of modernity masculinity and gender relations and discourses in Korean literature and cinema during the crucial decades of the colonial and postcolonial era from the 1920s to the 1960s which have an enduring and wide ranging impact on Korea s cultural experiences of the past century      *Gender and Slave Emancipation in the Atlantic World* Pamela Scully,Diana Paton,2005-10-04 A comparative perspective on the way ideas of gender relations and identities shaped the struggle over resources cultural practices and political rights that followed the end of slavery in the Atlantic world      *Southern Families at War : Loyalty and Conflict in the Civil War South* Women's History Catherine Clinton Historian of Southern History, and the American Civil War,2000-07-17 Whether it was planter patriarchs struggling to maintain authority or Jewish families coerced by Christian evangelicalism or wives and mothers left behind to care for slaves and children the Civil War took a terrible toll From the bustling sidewalks of Richmond to the parched plains of the Texas frontier from the rich Alabama black belt to the Tennessee woodlands no corner of the South went unscathed Through the prism of the southern family this volume of twelve original essays provides fresh insights into this watershed in American history      **The Fate of Texas** Charles D. Grear,2008-09-01 Choice Outstanding Academic Title Texas has often been overlooked in Civil War scholarship but this examination shows that the Lone Star State though definitely unusual was decidedly Southern Eleven noted historians examine the ways the civil war touched every aspect of life in Texas and approach the subject from varied perspectives military social and cultural history public history and historical memory to provide a greater understanding of the roles of women and slaves during the war and how veterans and the aftermath of loss helped pave the way for the Texas of today      **The Civil War in Popular Culture** Lawrence A. Kreiser Jr.,Randal W. Allred,2014-01-14 Dividing the nation for four years the American Civil War resulted in 750 000 casualties and forever changed the country s destiny The conflict continues to resonate in our collective memory and U S economic cultural and social structures still suffer the aftershocks of the nation s largest and most devastating war Nearly 150 years later

portrayals of the war in books songs cinema and other cultural media continue to draw widespread attention and controversy In *The Civil War in Popular Culture Memory and Meaning* editors Lawrence A Kreiser Jr and Randal Allred analyze American depictions of the war across a variety of mediums from books and film to monuments and battlefield reunions to reenactments and board games This collection examines how battle strategies famous generals and the nuances of Civil War politics translate into contemporary popular culture This unique analysis assesses the intersection of the Civil War and popular culture by recognizing how memories and commemorations of the war have changed since it ended in 1865

*Making and Remaking Pennsylvania's Civil War* William Blair, William Pencak, 2010-11-01      *New Perspectives on Civil War-Era Kentucky* John David Smith, 2023-07-01 As a Unionist but also proslavery state during the American Civil War Kentucky occupied a contentious space both politically and geographically In many ways its pragmatic attitude toward compromise left it in a cultural no man s land The constant negotiation between the state s nationalistic and Southern identities left many Kentuckians alienated and conflicted Lincoln referred to Kentucky as the crown jewel of the Union slave states due to its sizable population agricultural resources and geographic position and these advantages coupled with the state s difficult relationship to both the Union and slavery ultimately impacted the outcome of the war Despite Kentucky s central role relatively little has been written about the aftermath of the Civil War in the state and how the conflict shaped the commonwealth we know today *New Perspectives on Civil War Era Kentucky* offers readers ten essays that paint a rich and complex image of Kentucky during the Civil War First appearing in the *Register of the Kentucky Historical Society* these essays cover topics ranging from women in wartime to Black legislators in the postwar period From diverse perspectives both inside and outside the state the contributors shine a light on the complicated identities of Kentucky and its citizens in a defining moment of American history      **A Union Woman in Civil War Kentucky** Frances Dallam Peter, 2021-12-21

Frances Dallam Peter was one of the eleven children of Union army surgeon Dr Robert Peter Her candid diary chronicles Kentucky s invasion by Confederates under General Braxton Bragg in 1862 Lexington s monthlong occupation by General Edmund Kirby Smith and changes in attitude among the enslaved population following the Emancipation Proclamation As troops from both North and South took turns holding the city she repeatedly emphasized the rightness of the Union cause and minced no words in expressing her disdain for the secesh Peter articulates many concerns common to Kentucky Unionists Though she was an ardent supporter of the war against the Confederacy Peter also worried that Lincoln s use of authority exceeded his constitutional rights Her own attitudes toward Black people were ambiguous as was the case with many people in that time Peter s descriptions of daily events in an occupied city provide valuable insights and a unique feminine perspective on an underappreciated aspect of the war Until her death in 1864 Peter conscientiously recorded the position and deportment of both Union and Confederate soldiers incidents at the military hospitals and stories from the countryside Her account of a torn and divided region is a window to the war through the gaze of a young woman of

intelligence and substance      *The Civil War* Rachel Filene Seidman,2001 Chronicles the American Civil War through wartime documents illustrations and photos      **Fateful Lightning** Allen C. Guelzo,2012-05-11 Fateful Lightning is a mid length survey of the American Civil War In this revision of his 1994 *The Crisis of the American Republic* leading Civil War scholar Allen C Guelzo covers a broad range of topics including politics religion gender race diplomacy and technology Unlike other Civil War surveys the book concludes with substantial coverage of the postwar Reconstruction and the modern day legacy of the Civil War in American literature and popular culture      Battle Scars Catherine Clinton,Nina Silber,2006-02-23 Over a decade ago the publication of *Divided Houses* ushered in a new field of scholarship on gender and the Civil War Following in its wake *Battle Scars* showcases insights from award winning historians as well as emerging scholars This volume depicts the ways in which gender race nationalism religion literary culture sexual mores and even epidemiology underwent radical transformations from when Americans went to war in 1861 through Reconstruction Examining the interplay among such phenomena as racial stereotypes sexual violence trauma and notions of masculinity *Battle Scars* represents the best new scholarship on men and women in the North and South and highlights how lives were transformed by this era of tumultuous change      America's Unending Civil War William Nester,2024-03-31 Explores the Civil War s related and enduring conflicts of ideas and principles through four centuries of a nation s history The Civil War fascinates Americans like no other war in their history Many Americans are still fighting some of the war s issues in an Odyssey that stretches back to the first settlement and will persist until the end of time The war itself was an Iliad of brilliant generals like Grant Sherman and Sheridan for the Union or Lee Jackson and Forrest for the Confederacy epic battles like Gettysburg and Chickamauga epic sieges like Vicksburg and Petersburg and epic naval combats such as Monitor versus Merrimack or Kearsarge versus Alabama It was America s most horrific war with more dead than all others combined Around 625 000 soldiers and 125 000 civilians died from various causes bringing the total to 750 000 people Of 31 million Americans 2 1 million northerners and 880 000 southerners donned uniforms Why did eleven states eventually ban together to rebel against the United States President Jefferson Davis began an answer when he said If the Confederacy falls there should be written on its tombstone Died of a Theory That theory justified the enslavement of blacks by whites as a natural right and duty of a superior race over an inferior race a theory it was believed that morally and economically elevated both races Although slavery was the Civil War s core cause there were related chronic conflicts over the nature of government citizenship liberty property equality wealth race identity justice crime voting power and history some of which issues have never entirely gone away America s Unending Civil War is unique among thousands of books on the subject None before has explored the Civil War s related and enduring conflicts of ideas and principles through four centuries of a nation s history

**Themes of the American Civil War** Susan-Mary Grant,Brian Holden-Reid,2009-09-10 Themes of the American Civil War offers a timely and useful guide to this vast topic for a new generation of students The volume provides a broad ranging

assessment of the causes complexities and consequences of America's most destructive conflict to date The essays written by top scholars in the field and reworked for this new edition explore how and in what ways differing interpretations of the war have arisen and explains clearly why the American Civil War remains a subject of enduring interest It includes chapters covering four broad areas including The Political Front The Military Front The Race Front and The Ideological Front Additions to the second edition include a new introduction added to the current introduction by James McPherson a chapter on gender as well as information on the remembrance of the war historical memory The addition of several maps a timeline and an appendix listing further reading battlefield statistics and battle regiment general names focuses the book squarely at undergraduates in both the US and abroad

The Top Books of the Year Civil War As A Crisis In Gender The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Civil War As A Crisis In Gender : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

### Civil War As A Crisis In Gender Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to

historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Civil War As A Crisis In Gender free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Civil War As A Crisis In Gender free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Civil War As A Crisis In Gender free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Civil War As A Crisis In Gender. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Civil War As A Crisis In Gender any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Civil War As A Crisis In Gender Books**

**What is a Civil War As A Crisis In Gender PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to

view or print it. **How do I create a Civil War As A Crisis In Gender PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Civil War As A Crisis In Gender PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Civil War As A Crisis In Gender PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Civil War As A Crisis In Gender PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
