Civil War Extra A Newspaper History Of The Civil War From 1863 To 1865 Vol II:

Civil War Extra: A newspaper history of the Civil War from Nat Turner to 1863 Eric Caren,1999 This two volume collection of newspapers is one of the most important Civil War publications ever produced and it brings the events of the war vividly in focus A unique of the moment perspective it begins with the Nat Turner slave insurrection and covers every battle many by the local papers for a truly firsthand up close view Lincoln s election inauguration and assassination are given full coverage Caren s extensive collection includes many extremely rare Southern editions which would never be seen except in this remarkable publication Loaded with engravings depicting battles military leaders and maps this is an absolutely essential addition to any enthusiast s collection

A Buff Looks at the American Civil War Shon Powers,2011-04 There have been thousands of books put out about the Civil War but none by a Civil War Buff so I wrote one This book was a produce of five years work and puts the war in a way that casual fans of the war will be surprised at what took place This book is in three parts Civil War Timeline the events battles politics and personal observations of those who were a part of the war Things that any good soldier of the Civil War should know the weapons uniforms food duties marching fighting medical advice and slang with a little tribute to the Navy and Marines Amazing Facts starting with the issues this part displays many facts that usually do not make it into the history books

The Battle of Olustee, 1864 Robert P. Broadwater,2006-07-26 When the Civil War began in 1861 Florida although the third state to secede from the Union was of little strategic importance to North or South By the end of 1863 this position had changed dramatically For the struggling Confederacy Florida had become a crucial source of supplies most especially for the troops in Savannah and Charleston President Lincoln soon to be seeking re election and facing immense dissatisfaction due to the course which the war had taken was desperately seeking some method of remedying his political situation Bringing a reconstructed Florida back into the Union with delegates who he hoped would be friendly to the Republican cause seemed to be an ideal solution Thus the Union launched a last minute endeavor to regain control of Florida an effort that culminated in the Battle of Olustee Compiled from primary sources such as diaries and journals this work tells the story of the failed Union attempt to wrest control of eastern and central Florida away from the Confederacy From the legislature to the battlefield it details maneuvers military and political that went into the Florida campaign The main focus of the work is the Battle of Olustee or Ocean Pond as it was known in the South One of the bloodiest battles of the war with inordinately high casualties 171 2 percent for the Confederates 35 percent for the Union this conflict took place in February 1864 between troops commanded by Union General Truman Seymour and Confederate General Joseph Finegan Little more than a bloody stalemate between generals who lacked significant military experience the battle nevertheless decisively ended Union hopes of regaining Florida Appendices provide details on the opposing armies a list of casualties by unit and enlistment of black troops by state Contemporary photographs and an index are also included

The 26Th Ohio Veteran Volunteer Infantry Jeffrey A. Hill,2020-02-10 Here is the third edition of the history of a

group of men who valiantly fought to preserve the Union during the American Civil War The first edition was published in 2010 to wide acclaim An updated second edition was printed in 2013 Now seven years later this third edition expands on the previous ones with a new chapter and many more stories burial locations maps and photos The men of the 26th Ohio Veteran Volunteer Infantry were among the first to answer their country s call to duty and among the last ones to finally be mustered home The Old 26th fought in numerous western theater campaigns and battles including Shiloh Corinth Stones River Chickamauga Missionary Ridge Kennesaw Peachtree Creek Atlanta Spring Hill Franklin and Nashville After the war s end the veterans yearned to publish their regiment s proud history as so many other units had done Regrettably the high cost of publishing proved too steep for the aged veterans and their dream died with them The descendant of three veterans of the 26th Ohio Jeffrey A Hill resurrected their dream and brought it to fruition Meticulously researched their history is based on over five hundred primary source documents including letters diaries military and pension records regimental and company records and other first person accounts Their narrative conveys their omnipresent sense of duty and loyalty This book chronicles the involvement of the 26th Ohio from the initial fervor following Fort Sumter and throughout the war as well as the postbellum activities The appendices include a roster list of burial sites photo gallery and index This history is a lasting tribute to the men who so bravely fought to protect what they held most dear their beloved country At long last here is their story

Civil War Book Review ,1999 **Earthen Walls, Iron Men** Steven M. Mayeux,2007 Mayeux does more than just tell the story of the fort from the military perspective it goes deeper to closely examine the lives of the people that served in and lived around Fort DeRussy Through a thorough examination of local documents Mayeux has uncovered the fascinating stories that reveal for the first time what wartime life was like for those living in central Louisiana In this book the reader will meet soldiers and slaves plantation owners and Jayhawkers elderly women and newborn babies all of whom played important roles in making the history of Fort DeRussy Mayeux presents an unvarnished portrait of the life at the fort devoid of any romanticized notions but more accurately capturing the utter humanity of those who built it defended it attacked it and lived around it

Civil War Extra: A newspaper history of the Civil War from 1863 to 1865 Eric Caren,1999 This two volume collection of newspapers is one of the most important Civil War publications ever produced and it brings the events of the war vividly in focus A unique of the moment perspective it begins with the Nat Turner slave insurrection and covers every battle many by the local papers for a truly firsthand up close view Lincoln s election inauguration and assassination are given full coverage Caren s extensive collection includes many extremely rare Southern editions which would never be seen except in this remarkable publication Loaded with engravings depicting battles military leaders and maps this is an absolutely essential addition to any enthusiast s collection

Civil War Pharmacy Michael A Flannery,2017-05-24 Flannery provides a thorough overview of the professional economic and military factors comprising pharmacy from 1861 to 1865 and includes the long term consequences of the war for the pharmaceutical profession This book is a complete study of a major aspect of

health care during a pivotal moment in American history *The Era of the Civil War--1820-1876* Louise A. Arnold-Friend, US Army Military History Institute, 1982 *Civil War Flags of Tennessee* Stephen Douglas Cox, 2024-01-12 *Civil War Flags of Tennessee* provides information on all known Confederate and Union flags of the state and showcases the Civil War flag collection of the Tennessee State Museum This volume is organized into three parts Part 1 includes interpretive essays by scholars such as Greg Biggs Robert B Bradley Howard Michael Madaus and Fonda Ghiardi Thomsen that address how flags were used in the Civil War their general history their makers and preservation issues among other themes Part 2 is a catalogue of Tennessee Confederate flags Part 3 is a catalogue of Tennessee Union flags The catalogues present a collection of some 200 identified extant Civil War flags and another 300 flags that are known through secondary and archival sources all of which are exhaustively documented Appendices follow the two catalogue sections and include detailed information on several Confederate and Union flags associated with the states of Mississippi North Carolina and Indiana that are also contained in the Tennessee State Museum collection Complete with nearly 300 color illustrations and meticulous notes on textiles and preservation efforts this volume is much more than an encyclopedic log of Tennessee related Civil War flags Stephen Cox and his team also weave the history behind the flags throughout the catalogues including the stories of the women who stitched them the regiments that bore them and the soldiers and bearers who served under them and carried them *Civil War Flags of Tennessee* is an eloquent hybrid between guidebook and chronicle and the scholar the Civil War enthusiast and the general reader will all enjoy what can be found in its pages Unprecedented in its variety and depth Cox's work fills an important historiographical void within the greater context of the American Civil War This text demonstrates the importance of Tennessee state heritage and the value of public history reminding readers that each generation has the honor and responsibility of learning from and preserving the history that has shaped us all and in doing so honoring the lives of the soldiers and civilians who sacrificed and persevered **Special Bibliography** ,1982 **A Civil War Library** International Bookfinders (Beverly Hills, Calif.),1965 **The Catalogue of the Public Library of Victoria** Public Library, Museums, and National Gallery (Vic.),1880 **Catalogue of the Library of Congress** Library of Congress,1880 *Military Bibliography of the Civil War: Regimental publications and personal narratives. Union and Confederate biographies. General references. Armed forces. Campaigns and battles* ,2003 Volume IV Compiled and revised by Silas Felton 1063 pp revised with books missed in vols I II and III regimental publications personal narratives biographies campaigns and battles Northern and Southern Felton's new compilation is without peer He covers the subject from five different perspectives Regimental Publications and Personal Narratives Union and Confederate Biographies General References Armed Forces and Campaigns and Battles And making the work extremely useful the last 236 pages contain a complete Index of Authors of Volumes I through IV as well as a new Index of Titles in the Revised Volume IV Furthermore to clear up confusion created by the multiple names often used by Confederate units during the war artillery batteries in particular which carried a state

designation but were commonly known by the battery commander's name Felton has cited a written work with a single number designation but indexed and listed it under its common appellation to aid the researcher and eliminate confusion

Pharmacy in History, 2003 **Publisher and Bookseller**, 1872 Vols for 1871-76 1913-14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series Embracing Emancipation Ian Delahanty, 2024-06-04 WINNER 2024 LAWRENCE J McCAFFREY PRIZE FOR BEST BOOK ON IRISH AMERICA Challenges conventional narratives of the Civil War era that emphasize Irish Americans' unceasing opposition to Black freedom *Embracing Emancipation* tackles a perennial question in scholarship on the Civil War era: Why did Irish Americans who claimed to have been oppressed in Ireland so vehemently oppose the antislavery movement in the United States? Challenging conventional answers to this question that focus on the cultural, political, and economic circumstances of the Irish in America, *Embracing Emancipation* locates the origins of Irish American opposition to antislavery in famine-era Ireland. There, a distinctively Irish critique of abolitionism emerged during the 1840s, one that was adopted and adapted by Irish Americans during the sectional crisis. The Irish critique of abolitionism meshed with Irish Americans' belief that the American Union would uplift Irish people on both sides of the Atlantic if only it could be saved from the forces of disunion. Whereas conventional accounts of the Civil War itself emphasize Irish immigrants' involvement in the New York City draft riots as a brutal coda to their unflinching opposition to emancipation, Delahanty uncovers a history of Irish Americans who embraced emancipation. Irish American soldiers realized that aiding Black southerners' attempts at self-liberation would help to subdue the Confederate rebellion. Wartime developments in the United States and Ireland affirmed Irish American Unionists' belief that the perpetuity of their adopted country was vital to the economic and political prospects of current and future immigrants and to their hopes for Ireland's independence. Even as some Irish immigrants evinced their disdain for emancipation by lashing out against Union authorities and African Americans in northern cities, many others argued that their transatlantic interests in restoring the Union now aligned with slavery's demise. While myriad Irish Americans ultimately abandoned their hostility to antislavery, their backgrounds in and continuously renewed connections with Ireland remained consistent influences on how the Irish in America took part in debate over the future of American slavery Civil War Extra Eric Caren, 2000-03-01 This two-volume collection of newspapers is one of the most important Civil War publications ever produced and it brings the events of the war vividly in focus. A unique of-the-moment perspective, it begins with the Nat Turner slave insurrection and covers every battle, many by the local papers for a truly firsthand up-close view. Lincoln's election, inauguration, and assassination are given full coverage. Caren's extensive collection includes many extremely rare Southern editions which would never be seen except in this remarkable publication. Loaded with engravings depicting battles, military leaders, and maps, this is an absolutely essential addition to any enthusiast's collection **Special Bibliography**, 1982

Civil War Extra A Newspaper History Of The Civil War From 1863 To 1865 Vol Ii Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Civil War Extra A Newspaper History Of The Civil War From 1863 To 1865 Vol Ii PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting,

traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Civil War Extra A Newspaper History Of The Civil War From 1863 To 1865 Vol Ii PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Civil War Extra A Newspaper History Of The Civil War From 1863 To 1865 Vol Ii free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
