**Daily Life in the Age of Sail** Dorothy Volo,James M. Volo,2001-11-30 From the Thirteenth century through the Nineteenth the waterways of the world provided the major means of transportation for exploration trade the military and even criminals Find out what life was like for those who chose to sail the high seas as well as for those who didn t choose to be on board like wives brought to sea by husbands and slaves en route to the auction block What were their quarters like What did they eat How did they pass their long days at sea These and other questions are answered in animated prose that brings the lives of ordinary people who oftentimes engaged in extraordinary activities into sharp focus First hand accounts from such sources as personal journals and magazine articles are provided to help bring the time period alive Students will also learn what life was like in the seaport towns and what the sailors did when they visited these towns as well as the physical parts of the ships and the different roles different members of the crew played This engaging history helps to separate fact from fiction while exploring the reasons the sea and sea life have held such prominent roles in popular fiction and will help students understand what life was truly like for these people

**Edwardian Ladies' Tailoring** J. C. Hopkins,1990 *The Antebellum Period* James M. Volo,Dorothy Volo,2004-06-30 The Antebellum Era was a complex time in American culture Young ladies had suitors call upon them while men often settled quarrels by dueling and mill girls worked 16 hour days to help their families make ends meet Yet at the same time a new America was emerging The rapid growth of cities inspired Frederick Law Olmstead to lead the movement for public parks Stephen Foster helped forge a catalog of American popular music writers such as Washington Irving and Ralph Waldo Emerson raised the level of American literature artists such as Thomas Cole and Thomas Doughty defined a new style of painting called the Hudson River School All the while schisms between northern and southern culture threatened to divide the nation This volume in Greenwood s American Popular Culture Through History recounts the ways in which things old and new intersected in the decades before the Civil War James and Dorothy Volo are one of the more prolific author teams in reference publishing today and with this volume they make important contributions to Greenwood s successful series on America s other history
