Civil Code Of The Republic Of Uzbekistan:

Civil Code of the Republic Uzbekistan Uzbekistan, Vinogradoff Institute (University College, London), 1999-09-30
Uzbekistan was the first of the CIS countries to formulate and adopt a new Civil Code The initial Civil Code came into force on March 1 1997 Although based largely on the Russian Civil Code the Uzbekistan Code has evolved its own distinct characteristics This edition of William E Butler s expert translation contains the latest revisions up to August 15 1999

Civil Code of the Republic Belarus Belarus, 2000-08-10 Even though the economic union of Russia and Belarus is virtually complete important material differences persist between the civil codes of the two countries Of particular significance to foreign investors in Belarus are the provisions regulating intellectual property inheritance and private international law provisions that set Belarus apart from other CIS jurisdictions and that make it especially attractive to businesses critically affected by these considerations This fourth volume in the CIS Civil Code series presents the Belarus Civil Code that entered into force on 1 July 1999 William E Butler s English translation is of the high quality that has come to be expected by counsel for international investors with a special interest in the CIS countries

Civil Code of the Republic Uzbekistan William Butler, 1999-09-30 Uzbekistan was the first of the CIS countries to formulate and adopt a new Civil Code The initial Civil Code came into force on March 1 1997 Although based largely on the Russian Civil Code the Uzbekistan Code has evolved its own distinct characteristics This edition of William E Butler s expert translation contains the latest revisions up to August 15 1999
Civil Society in Central Asia M. Holt Ruffin, Daniel Waugh, 2011-05-01 Central Asia known as the home of Tamerlane and the Silk Road is a crossroads of great cultures and civilizations In 1991 five nations at the heart of the region Kazakhstan Kyrgyzstan Tajikistan Turkmenistan and Uzbekistan suddenly became independent Today they sit strategically between Russia China and Iran and hold some of the world s largest deposits of oil and natural gas Long suppressed ethnic identities are finding new expression in language religion and occasional civil conflicts Civil Society in Central Asia is a pathbreaking collection of essays by scholars and activists that illuminates the social and institutional forces shaping this important region s future An appendix provides a guide to projects being carried out by local and international groups

Russian Civil Legislation: Pts. 1 & 2: The Civil Code and Other Surviving Civil Legislation of the Russian Federation Russia (Federation), Ruska federacija, Vinogradoff Institute (University College, London), 1999-09-30 This volume contains the revisions up to August 15 1999 to Parts One and Two often referred to as the General Part of the Russian Civil Code William E Butler s expert translation presents a clear interpretation of this vital text for all involved in Russian legal and commercial matters As the Russian Civil Code is often the standard model for the other CIS states amendments to this legislation are important to monitor
Analysis of the cooperative legislation of the Russian Federation and other Commonwealth of Independent States countries Klimenko, O.; Kondrakova, I.; Madygina, O.; Goryachkovskaya, Y.; Yakovlev, V.; Kasulina, V., The focus of the study is the analysis of cooperative legislation on agricultural production on agricultural consumer

cooperatives and on consumer cooperatives consumer societies of the CIS member states The provisions of the legislation on cooperatives have been studied from two perspectives by subject with agricultural and consumer cooperatives divided into two groups by object with the CIS member states divided into the Eurasian Economic Union EAEU memberstates Armenia Belarus Kazakhstan Kyrgyzstan and the Russian Federation and the non EAEU member states Azerbaijan the Republic of Moldova Tajikistan and Uzbekistan The choice of analysing agricultural and consumer cooperatives when studying cooperative legislation has been justified by the fact that agricultural cooperatives make a significant contribution to ensuring national food security solving the problem of eradicating hunger and malnutrition while consumer cooperatives contribute to improving the living conditions of the population and reducing poverty in rural areas The division of the CIS member states under the criterion of membership in the EAEU has been justified by the advantages of integrated cooperation of the EAEU member states including in the harmonization of national legislation and by the implementation of a common approach to its formation and development

Law, Society and Corruption Rustamjon Urinboyev, Måns Svensson, 2024-07-04 This book presents new socio legal perspectives and insights on the social life of corruption and anticorruption in authoritarian regimes This book takes up the case of Uzbekistan an authoritarian regime in Central Asia and one of the most corrupt countries in the world according to Transparency International's Corruption Perceptions Index and examines the corruption that developed in a tightly closed authoritarian regime permeated by a large scale shadow economy a weak rule of law and a collectivist legal culture Building on socio legal frameworks of legal compliance living law and legal pluralism the central argument of the book is that the roles meanings and logics of corruption are fluid and depend on a myriad of structural variables and contextual and situational factors This book will be of value to researchers academics and students in the fields of sociology of law legal anthropology and Central Asian studies especially those with an interest in the intersection of law society and corruption in authoritarian regime contexts The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution CC BY 4.0 International license

third volume in the CIS Legal Texts Series edited by William E Butler **Uzbekistan Business Law Handbook Volume 1 Strategic Information and Basic Laws** IBP USA,2012-01-01 Uzbekistan Business Law Handbook Strategic Information and Basic Laws *Energy Sector: A Systemic Analysis of Economy, Foreign Trade and Legal Regulations* Oleg V. Inshakov, Agnessa O. Inshakova, Elena G. Popkova, 2018-05-09 This book is a comprehensive economic and legal study of the theoretical and practical aspects of the problems of increasing energy efficiency self motivation of energy saving by business entities within the framework of their corporate responsibility regulatory mechanisms to stimulate energy conservation in the economy civil law regulation of foreign trade turnover of energy resources between economic entities of the Russian Federation and companies of member states of international integration associations the CIS EEMP the EU and BRICS It argues that technological energy saving plays a key role in reducing the energy intensity and increasing the energy efficiency of the economy and substantiates the need for institutional support including legal support for the participation of the Russian Federation in various forms of international cooperation Lastly based on an analysis of current legislation programs and recommendations judicial and contractual practices customs and trade procedures it offers proposals for the developing improving and unifying civil law regulation of obligations in the sphere of international trade in energy resources as well as methodological recommendations for drafting foreign trade contracts in the energy sector *Codifying Choice of Law Around the World* Symeon Symeonides, 2014 The book is a comparative study of the choice of law codifications and conventions adopted in each of the inhabited continents in the last so years Its main purpose is to document and inform rather than to critique Although I do not always hide my opinion I continue to act on the conviction that what we can learn from legislators is far more important than what they can learn from us PREFACE Private International Law Symeon C. Symeonides, 2021-11-08 This book compares the two golden ages of private international law PIL the first is the era of Story and Savigny in the nineteenth century while the second comprises the last fifty years The period between 1970 and 2020 has been one of rapid changes and dense legislative responses exemplified by the adoption of over one hundred national PIL codifications and almost as many international or regional conventions and regulations These instruments provide a rich source for this book s incisive and instructive comparisons and a fertile ground for a reliable assessment of the progress of PIL as a discipline This book skillfully uncovers and meticulously documents the gradual and largely unnoticed transition of PIL from the idealism of the nineteenth century to the pragmatic eclecticism and pluralism of the twenty first century

Legal Impediments to Effective Rural Land Relations in Eastern Europe and Central Asia Roy L. Prosterman, Timothy M. Hanstad, 1999-01-01 Excessive concentration of land ownership as is feared by many transition governments has not been a feature of land markets where they have been allowed to function relatively freely and where land has been allocated in kind to households and individuals The World Bank has long been active in the Europe and Central Asia region in monitoring and evaluating land reform developments and supporting the development of land markets Bank efforts to date have made a

significant impact in our client countries and studies produced by the Bank have been used as impartial references on this subject by both international organizations and the countries themselves This report was developed as a result of these efforts It focuses on The principal issues faced by the transition economies of Eastern Europe and the Former Soviet Union The potential approaches for resolving specific problem issues

Property Law Yun-chien Chang,2023-06-01 The first book of its kind Property Law Comparative Empirical and Economic Analyses uses a unique hand coded data set on nearly 300 dimensions on the substance of property law in 156 jurisdictions to describe the convergence and divergence of key property doctrines around the world This book quantitatively analyzes property institutions and uses machine learning methods to categorize jurisdictions into ten legal families challenging the existing paradigms in economics and law Using other cross country data the author empirically tests theories about property law and comparative law Using economic efficiency as both a positive and a normative criterion each chapter evaluates which jurisdictions have the most efficient property doctrines concluding that the common law is not more efficient than the civil law Unlike prior studies on empirical comparative law this book provides detailed citations to laws in each jurisdiction Data and documentation are publicly available on the author s website
