Civil Law:

Law-Making in the People's Republic of China Jianfu Chen, Yuwen Li, Jan Michiel Otto, Maurice V. Polak, 2021-10-25 Who are the legislators and what are the products of the legislative process in China How does a law come into being What meaning should we ascribe to these legislative products from the perspective of legal certainty Can we recognise a Chinese approach to or style of law making What technical legislative problems have Chinese jurists identified and what sorts of solutions to them are being considered These are the questions which Law making in the PRC attempts to solve The volume opens with papers on the historical perspective of law making on ideology and law making and on a comparison between the PRC's legal framework and the frameworks of other legal systems Part II deals with various Institutions and Actors involved and offers analyses of the National People's Congress the State Council departmental rule making local law making law making in autonomous regions public participation and the proposed law on law making by academics Part III offers three case studies in which important areas of legal development are analysed from a law making point of view The selected areas are administrative law contract law and criminal law *Critical Issues and Challenges in Islamic Economics and Finance Development* Velid Efendić, Fikret Hadžić, Hylmun Izhar, 2017-05-04 This book explores contemporary issues and trends facing Islamic banks businesses and economies as presented at the International Conference of Islamic Economics Banking and Finance The authors leverage current empirical research and statistics to provide unique and fresh perspectives on the changing world of Islamic finance They focus specifically on to the implementation of Islamic financial instruments and services in global capital markets and how their success can be evaluated Chapters feature case studies from all over the world including examples from Afghanistan Bosnia and Herzegovina and the United Kingdom to name a few The breadth and immediacy of the research presented by the authors will appeal to practitioners and scholars alike The global outlook and rich data based approach adopted in this book guarantee that it is a timely and valuable addition to the field of Islamic finance Modern Political Thought David Wootton, 1996-01-01 Presents unabridged works and substantive abridgments in preeminent translations along with balanced lucid sophisticated introductions This book includes a wide and balanced selection of many of the more important texts of modern political thought To its great credit it provides pertinent excerpts from frequently neglected authors such as Calvin and Hume which it nicely juxtaposes appear to be good and the introductions to each section help to situate the writers in their historical and intellectual context and to alert students to some of the central issues that arise in the texts This book offers an economical and useful approach to modern political thought *American Comparative Law* David Scott Clark, 2022 Historical Comparative Law and Comparative Legal History Legal history and comparative law overlap in important respects This is more apparent with the use of some methods for comparison such as legal transplant natural law or nation building M N S Sellers nicely portrayed the relationship The past is a foreign country its people strangers and its laws obscure No one can really understand her or his own legal system without

leaving it first and looking back from the outside The comparative study of law makes one's own legal system more comprehensible by revealing its idiosyncrasies Legal history is comparative law without travel Legal historians perhaps especially in the United States have been skeptical about the possibility of a fruitful comparative legal history preferring in general to investigate the distinctiveness of their national experience Comparatists however content with revealing or promoting similarities or differences between legal systems by their nature strive toward comparison Some American historians especially since World War II see the value in this International Business Riad A.
