Law and Class in America Paul Carrington, Trina Jones, 2006-06 In *Law and Class in America* a group of leading legal scholars reflect on the state of the law from the end of the Cold War to the present grappling with a central question posed to them by Paul D Carrington and Trina Jones have recent legal reforms exacerbated class differences in America In a substantive introduction Carrington and Jones assert that legal changes from the late 20th century onward have been increasingly elitist and unconcerned with the lives of poor people having little access to the legal system Contributors use this position as a springboard to review developments in their own particular fields and to assess whether or not legal decisions and processes have contributed to a widening gap between privileged and unprivileged people in this country From antitrust and bankruptcy to tax and election law the essays in this unique volume invite readers to reflect thoughtfully on socio economic justice in the new century and suggest that a lack of progressive reform in all areas of law may herald a form of undiagnosed class dominance reminiscent of America's Gilded Age Contributors Margaret A Berger M Gregg Bloche David L Callies Paul D Carrington Paul Y K Castle Lance Compa James D Cox Paula A Franzese Marc Galanter Julius G Getman Lawrence O Gostin Joel F Handler Trina Jones Thomas E Kauper Sanford Levinson John Linehan Joseph D McNamara Burt Neuborne Jeffrey O Connell Judith Resnik Richard L Schmalbeck Danielle Sarah Seiden Richard E Speidel Gerald Torres David M Trubek Elizabeth Warren and Lawrence A Zelenak *The Army Lawyer , ICDR Awards and Commentaries* Grant Hanessian, 2012-09-01 This is the first of a regular compilation of arbitration awards in cases administered by the International Centre for Dispute Resolution ICDR of the American Arbitration Association The book features articles and commentaries by many leading figures in international arbitration and summaries of important court decisions concerning ICDR arbitration cases in the United States and enforcement of ICDR awards outside the United States Featuring over a dozen ICDR awards with commentaries the ICDR Awards Commentaries also includes articles and casenotes from a prestigious group of authors *Litigation, Costs, Funding and Behaviour* Willem H. van Boom, 2016-12-08 This collection explores the practical operation of the law in the area of litigation costs and funding and confronts the issue of how exposure to cost risks affects litigation strategy It looks at the interaction of the relevant legal regime regulatory framework and disciplinary rules with the behaviour of litigants courts and legislatures examining subjects such as cost rules and funding arrangements The book discusses a wide range of topics such as cost shifting rules funding and mass tort litigation cost rules and third party funding TPF rules in specific areas such as intellectual property IP litigation commercial arbitration investment arbitration the role of legal expense insurance arrangements fee regulation and professional ethics The
