Como,2018

Radical Parliamentarians offers a new account of some of the most important and pivotal events of the English civil war of the 1640s enhancing our understanding of the dramatic events of this period and shedding light on the long term political and religious consequences of the conflict     **More Work Than Glory** John P. Langellier,2023-10-12 Prior to the 1960s the term Buffalo Soldier was a fairly obscure one Then a trickle of titles became a torrent of books articles novels monuments and expanding numbers of historic sites along with museums all of which have changed the picture Even an occasional nod from television and movies helped transform these once relatively little known Black U S Army troops into familiar figures who have taken their place in a mythic past Indeed powerful imagemakers from William F Buffalo Bill Cody and his Congress of Rough Riders to Frederic Remington the dean of frontier artists helped lionize the Black troops whose exploits brought them to the American West Cuba the Philippines Mexico Alaska and Hawaii in the years between 1866 and 1916 Despite a significant shift in emphasis numerous efforts treating this element of the vital complex story of the post Civil War U S Army frequently repeated earlier studies rather than added fresh perspectives Also the narrative typically ended with the so called Indian Wars or Spanish American War Many authors likewise dwelt on military operations rather than numerous other relevant contributions and activities of these men who played a role in the nation s complex evolution during the half century after the American Civil War Profusely illustrated with compelling images and detailed maps along with an array of appendices this latest addition to the Buffalo Soldier saga represents over five decades of research by military historian John P Langellier Further More Work an Glory Buffalo Soldiers in the United States Army 1866 1916 combines the best features of prior scholarship while enhancing the scope with new or underused primary sources The author views the subject through the broader perspectives of race He sets the text against the backdrop of the transition of the U S Army from a frontier constabulary to an international power In the process he highlights the staggering assortment of non military missions including assignments to national parks and forests road building exploration pioneer military bicycling duty along the explosive border between the United States and Mexico employment as agents of law and order along with a litany of other contributions that enhanced an impressive combat record against formidable Native Americans and others Langellier frames the narrative within the context of continuity and change from Reconstruction in the 1860s through the early twentieth century Above all he focuses on the soldiers themselves to provide a human perspective as well as challenges prevalent misconceptions that often overshadow more fascinating facts     **John Poyer, the Civil Wars in Pembrokeshire and the British Revolutions** Lloyd Bowen,2020-10-01 This is the first book length treatment of the turncoat John Poyer the man who initiated the Second Civil War through his rebellion in south Wales in 1648 The volume charts Poyer s rise from a humble

glover in Pembroke to become parliament's most significant supporter in Wales during the First Civil War 1642-6 and argues that he was a more complex and significant individual than most commentators have realised Poyer's involvement in the poisonous factional politics of the post-war period 1646-8 is examined and newly discovered material demonstrates how his career offers fresh insights into the relationship between national and local politics in the 1640s the use of print and publicity by provincial interest groups and the importance of local factionalism in understanding the course of the civil war in south Wales The volume also offers a substantial analysis of Poyer's posthumous reputation after his execution by firing squad in April 1649 *Civil War Veterans of Perry County, Indiana* Frank D. Sandage, Ed.D, 2011-07-05 What is the problem to be addressed in this book There is no published reliable solid information available in Perry County for 150 years about the 897 men who joined the U S Service and 183 who perished in that struggle to save the Union **Civil War Times Illustrated**, 1992 **The Roman Calendar from Numa to Constantine** Jörg Rüpke, 2011-08-02 This book provides a definitive account of the history of the Roman calendar offering new reconstructions of its development that demand serious revisions to previous accounts Examines the critical stages of the technical political and religious history of the Roman calendar Provides a comprehensive historical and social contextualization of ancient calendars and chronicles Highlights the unique characteristics which are still visible in the most dominant modern global calendar *The Holocaust's Jewish Calendars* Alan Rosen, 2019-02-28 The most comprehensive to date treatment of these precious artifacts of the Holocaust's Jewish efforts to maintain religious observations and identity Choice Calendars map time shaping and delineating our experience of it While the challenges to tracking Jewish conceptions of time during the Holocaust were substantial Alan Rosen reveals that many took great risks to mark time within that vast upheaval Rosen inventories and organizes Jewish calendars according to the wartime settings in which they were produced from Jewish communities to ghettos and concentration camps The calendars he considers reorient views of Jewish circumstances during the war and show how Jews were committed to fashioning traditional guides to daily life even in the most extreme conditions In a separate chapter moreover he elucidates how Holocaust era diaries sometimes served as surrogate Jewish calendars All in all Rosen presents a revised idea of time continuity the sacred and the mundane the ordinary and the extraordinary even when death and destruction were the order of the day Rosen's focus on the Jewish calendar the ultimate symbol of continuity as weekday follows weekday and Sabbath follows Sabbath sheds new light on how Jews maintained connections to their way of conceiving time even within the cauldron of the Holocaust Rosen demonstrates the relationship between time and meaning between meaning and holiness between holy days and the divine presence all of which came under assault in the Nazis effort to kill Jewish souls before destroying Jewish bodies David Patterson author of *Along the Edge of Annihilation The Collapse and Recovery of Life in the Holocaust Diary* **Lincoln Herald**, 2003 [American Cowboy](#), 2004-10 Published for devotees of the cowboy and the West American Cowboy covers all aspects of the Western lifestyle delivering the best in entertainment personalities travel

rodeo action human interest art poetry fashion food horsemanship history and every other facet of Western culture With stunning photography and you are there reportage *American Cowboy* immerses readers in the cowboy life and the magic that is the great American West     *Across the German Sea* Kathrin Zickermann, 2013-04-15 In *Across the German Sea* Early Modern Scottish Connections with the Wider Elbe Weser Region Zickermann analyses the commercial maritime and military relations between Scotland and the German cities Hamburg Bremen and territories Bremen and Verden Holstein Braunschweig Lüneburg located alongside the lower parts of the rivers Elbe and Weser Based on a wealth of British German and Scandinavian archival material the study demonstrates the importance of the region for Scottish commodity exchange and network building across political borders whilst contributing significantly to our understanding of the formation of Scottish communities abroad It also shows that Scottish commercial political military and religious activities within the region which featured a Danish Norwegian and Swedish dimension were intertwined and cannot be studied in isolation
