Civil Military Relations In Israel

Sara Abosch

Civil Military Relations In Israel:

Civil-military Relations in Israel Yehuda Ben-Meir, 1995 In *Civil Military Relations in Israel* Yehuda Ben Meir examines the reasons preventing Israel from becoming a garrison state A former deputy minister for foreign affairs and longtime member and analyst of the Israeli political scene Ben Meir is uniquely qualified to give a behind the scenes picture of the intimate relationship between Israel's civilian and military leaders *Civil Military Relations in Israel* examines the changing face of the military over the years from an idealistic defense force to a professional army Ben Meir also views the great divisiveness in Israeli politics as a threat to the unified strength of purpose that in the past characterized the nation's civil authority and he examines present and future threats to continued civilian control of the military The book also delves into the legal and constitutional foundations of Israel's civil military relations providing a valuable perspective on the organization and role of the current defense establishment as well as the informal relationship between the key players in the system In addition Ben Meir pinpoints the areas in which the military is involved in key political decision making Despite continuing efforts to resolve the pattern of violence and conflict in the Middle East the long standing hostility between Arab and Jew in the region is unlikely to disappear in the near future And as long as such animosity lingers Israel's military will remain a strong force in Israeli politics

Civil-military Relations in Israel Elisheva Rosman-Stollman, Aharon Kampinsky, 2014 This book a collection of essays in honor of Stuart Cohen examines a variety of issues in civil military relations CMR in Israel and abroad Beyond honoring Cohen's work this collection makes a substantial contribution to the field for a number of reasons First it brings together prominent scholars from different disciplines in the field from both Israel and abroad sketching its boundaries The chapters in the collection deal with a variety of issues theoretical and empirical including topics that are usually neglected in English works such as the control the military in Israel has on building construction permits in the civilian sector and the relations between the security establishment and the judicial system Other chapters offer new theoretical perspectives such as the context within which Israeli CMR should be examined and a more general look at the focus of CMR Second it gives non Hebrew speaking scholars and laypersons alike a better idea of what the main issues in the field of civil military relations in Israel are today This book will allow university professors and laypersons to access quality scholarship while still offering a broad spectrum of topics

Civil-Military Relations in Israel Aharon Kampinsky, Elisheva Rosman-Stollman, 2014-08-14 This book a collection of essays in honor of Stuart Cohen examines a variety of issues in civil military relations CMR in Israel and abroad Beyond honoring Cohen's work this collection makes a substantial contribution to the field for a number of reasons First it brings together prominent scholars from different disciplines in the field from both Israel and abroad sketching its boundaries The chapters in the collection deal with a variety of issues theoretical and empirical including topics that are usually neglected in English works such as the control the military in Israel has on building construction permits in the civilian sector and the relations between the security establishment and the judicial system Other chapters offer new

theoretical perspectives such as the context within which Israeli CMR should be examined and a more general look at the focus of CMR. Second, it gives non-Hebrew speaking scholars and laypersons alike a better idea of what the main issues in the field of civil-military relations in Israel are today. This book will allow university professors and laypersons to access quality scholarship while still offering a broad spectrum of topics.

Communicating Security Udi Lebel, 2013-09-13 This book analyzes the changes and tendencies expressed in the relation between army and society in Israel. Since its inception, Israel has been defined as a nation in arms, a public space in which the security needs became central and to a great extent dictated the agenda and functioning of all the public arenas operating in it. The theoretical investigation is accompanied by case study illustrations of special instances related to the nexus between security and society, security and politics, the army and the media, the army and public relations, security and culture, bereavement and commemoration, social motivation to serve in the army, the army and foreign policy. Lebel explores the connection between the military and culture in Israel against the backdrop of globalization, individualism, liberalism, and social burn out in the face of survival and change.

Israel's Civil-Military Relations and Security Sector Reform Ian Westerman, 2024-02-13 This book examines Israel's civil-military relations (CMR) in order to explore alternatives to orthodox Western models of security sector reform (SSR) in post-conflict societies. This book argues that the guidelines of SSR have always tended to draw on theoretical work in the field of CMR and focus too heavily on Western liberal democratic models of governance. Consequently, reform programs based on these guidelines and intended for use in post-conflict and conflict-affected states have had at best mixed results. The book challenges the necessity for this over-reliance on traditional Western liberal democratic solutions and instead advocates an alternative approach. It proposes that by drawing on an unconventional CMR model that in turn references the specific context and cultural background of the particular state being subject to reform, there is a significantly higher chance of success. Drawing on a case study of Israel's CMR, the author seeks to provide practical assistance to those working in this area and considers the question of how this unorthodox CMR model might usefully inform post-conflict and conflict-affected SSR programmes. This book will be of interest to students of military studies, security studies, Israeli politics, and International Relations.

Militarism and Israeli Society Gabriel Sheffer, Oren Barak, 2010-03-12 Challenging the established view that the civilian sector in Israel has been predominant over its security sector since the state's independence in 1948, this volume critically and systematically reexamines the relationship between these sectors and provides a deeper, more nuanced view of their interactions. Individual chapters cast light on the formal and informal arrangements, connections, and dynamic relations that closely tie Israel's security sector to the country's culture, civil society, political system, economy, educational system, gender relations, and the media. Among the issues and events discussed are Israel's separation barrier, the impact of Israel's military confrontations with the Palestinians and other Middle Eastern states, especially Lebanon, and the impact of the wars in Iraq and Afghanistan. The Israeli case offers insights about the role of the military and security in democratic nations in

contemporary times **Civil-Military Relations in Israel** Aharon Kampinsky, Elisheva Rosman-Stollman, 2014-08-14 This book a collection of essays in honor of Stuart Cohen examines a variety of issues in civil military relations CMR in Israel and abroad Beyond honoring Cohen's work this collection makes a substantial contribution to the field for a number of reasons First it brings together prominent scholars from different disciplines in the field from both Israel and abroad sketching its boundaries The chapters in the collection deal with a variety of issues theoretical and empirical including topics that are usually neglected in English works such as the control the military in Israel has on building construction permits in the civilian sector and the relations between the security establishment and the judicial system Other chapters offer new theoretical perspectives such as the context within which Israeli CMR should be examined and a more general look at the focus of CMR Second it gives non Hebrew speaking scholars and laypersons alike a better idea of what the main issues in the field of civil military relations in Israel are today This book will allow university professors and laypersons to access quality scholarship while still offering a broad spectrum of topics Military, State, and Society in Israel Eyal Ben-Ari, 2018-04-17 There have been many books on the place of war security or military service in Israeli society The Military State and Society in Israel makes contributions to the debate theoretical empirical and polemical that are related to the Israeli case and to wider debates about the place of war and the military in contemporary industrialized societies The Israeli case is important in the development of more macro approaches to the study of things military as war has played a central role in Israel's history and continues to do so The book encapsulates in a very explicit manner tensions in the relationships between the military state and society and stands at the core of contemporary debates between two fundamental approaches to the study of the relations between the military society and the state the armed forces and society school and the state making and war perspective Contemporary Israel is the site of debates about many of the fundamental assumptions that have undergirded the Jewish nation state the ethnic character of nationhood and statehood the role of the Jewish diaspora vis vis Israel the legitimacy of Jewish ethnic pluralism the meaning of the Holocaust privatization of social life and the spread of consumerism and weakening of the centralized state as the agent of social transformation affecting housing language health technology production dress and child rearing One important consequence of these internal conflicts and struggles has been a significant erosion in the almost sacred status once enjoyed by state institutions and especially the military among the majority of Jewish population Theoretical and Comparative Perspectives situates Israel in its wider theoretical and comparative context and shows how the study of Israel contributes to the theoretical understanding of contemporary changes in civil military relations The Politics of Civil Military Relations concentrates on current changes in Israeli politics the character of the conflict with the Palestinians and the place of military in society The State and War Making Creating Citizens Soldiers and Men and Women indicates how war and the military are not only instruments for state making but are also important factors in the formation of individual identities The Notion of National Security Institutions and Concepts

raises the basic question of whether the institutional mechanisms and the strategic conceptions crystallized during the first 50 years of Israel's existence are still relevant in a changing post cold war world The Armed Forces as Organization Continuity and Change focuses on the lines of continuity and trends of change in several aspects of the Israeli Defense Forces internal organizational structure Studies based on Israeli cases data and scholarship have been central to the development of expertise in such fields as applied psychology and psychotherapy This volume contributes to these areas of study and will be of central importance to professionals interested in civil military *Civil-military Relations in Israel* Elisheva Rosman-Stollman, 2014 *Civil-military Relations in Israel* Dan Horowitz, University of California, Los Angeles. Center for International and Strategic Affairs, 1979 **Civil-military Relations in Europe** Hans Born, 2006 This comparative study looks at how democratic control of the military functions in practice in Europe This is essential reading for students of civil military relations democratization European politics and security studies in general **Israel's Civil-Military Relations and Security Sector Reform** Ian Westerman, 2024 This book examines Israel's civil military relations CMR in order to explore alternatives to orthodox Western models of security sector reform SSR in post conflict societies This book argues that the guidelines of SSR have always tended to draw on theoretical work in the field of CMR and focus too heavily on Western liberal democratic models of governance Consequently reform programs based on these guidelines and intended for use in post conflict and conflict affected states have had at best mixed results The book challenges the necessity for this over reliance on traditional Western liberal democratic solutions and instead advocates an alternative approach It proposes that by drawing on an unconventional CMR model that in turn references the specific context and cultural background of the particular state being subject to reform there is a significantly higher chance of success Drawing on a case study of Israel's CMR the author seeks to provide practical assistance to those working in this area and considers the question of how this unorthodox CMR model might usefully inform post conflict and conflict affected SSR programmes This book will be of interest to students of military studies security studies Israeli politics and International Relations **Civil-Military Relations in Europe** Hans; Caparini Born, 2006 This new book illustrates how democracy cannot develop or endure unless military and security forces are under the full control of democratic institutions and all the necessary safeguards checks and balances are in place The contributors show how contemporary European states manage the following issue how does a society primarily through its legitimate democratically elected political leaders and their appointed officials control the military that same state institution that has been established for its protection and wields the monopoly of legitimate force Tw **Civil-Military Relations in Europe** Hans Born, Marina Caparini, Karl Haltiner, Jürgen Kuhlmann, 2006-09-27 This new book illustrates how democracy cannot develop or endure unless military and security forces are under the full control of democratic institutions and all the necessary safeguards checks and balances are in place The contributors show how contemporary European states manage the following issue how does a society primarily through its

legitimate democratically elected political leaders and their appointed officials control the military that same state institution that has been established for its protection and wields the monopoly of legitimate force Twenty eight case studies are selected from key countries the Czech Republic Germany Georgia France Hungary Ireland Israel Macedonia Poland Romania Slovenia Serbia and Montenegro Switzerland and the Ukraine The key subjects of these cases vary from corruption to military incompetence disobedience towards civilian superiors to unauthorized strikes and accidents The focus is on the relationship between political civilian and military actors while identifying problems and dangers that can emerge in those relations to the detriment of effective and legitimate democratic control This is essential reading for students of civil military relations democratization European politics and security studies in general *Military, State, and Society in Israel* Daniel Maman, Eyal Ben-Ari, Zeev Rosenhek, 2001 There have been many books on the place of war security or military service in Israeli society The *Military State and Society in Israel* makes contributions to the debate theoretical empirical and polemical that are related to the Israeli case and to wider debates about the place of war and the military in contemporary industrialized societies The Israeli case is important in the development of more macro approaches to the study of things military as war has played a central role in Israel's history and continues to do so The book encapsulates in a very explicit manner tensions in the relationships between the military state and society and stands at the core of contemporary debates between two fundamental approaches to the study of the relations between the military society and the state the armed forces and society school and the state making and war perspective Contemporary Israel is the site of debates about many of the fundamental assumptions that have undergirded the Jewish nation state the ethnic character of nationhood and statehood the role of the Jewish diaspora vis vis Israel the legitimacy of Jewish ethnic pluralism the meaning of the Holocaust privatization of social life and the spread of consumerism and weakening of the centralized state as the agent of social transformation affecting housing language health technology production dress and child rearing One important consequence of these internal conflicts and struggles has been a significant erosion in the almost sacred status once enjoyed by state institutions and especially the military among the majority of Jewish population Theoretical and Comparative Perspectives situates Israel in its wider theoretical and comparative context and shows how the study of Israel contributes to the theoretical understanding of contemporary changes in civil military relations The *Politics of Civil Military Relations* concentrates on current changes in Israeli politics the character of the conflict with the Palestinians and the place of military in society The *State and War Making Creating Citizens Soldiers and Men and Women* indicates how war and the military are not only instruments for state making but are also important factors in the formation of individual identities The *Notion of National Security Institutions and Concepts* raises the basic question of whether the institutional mechanisms and the strategic conceptions crystallized during the first 50 years of Israel's existence are still relevant in a changing post cold war world The *Armed Forces as Organization Continuity and Change* focuses on the lines of continuity and trends of change in

several aspects of the Israeli Defense Forces internal organizational structure Studies based on Israeli cases data and scholarship have been central to the development of expertise in such fields as applied psychology and psychotherapy This volume contributes to these areas of study and will be of central importance to professionals interested in civil military

The Israeli Military Establishment Labib Walid Kamhawi, American University of Beirut. Faculty of Arts and Sciences. Department of Political Studies and Public Administration, 1971 *Complex Peace Operations and Civil-Military Relations* Robert Egnell, 2009-05-13 This book argues that for peace support operations such as those in Afghanistan to be effective the civil military interface should ideally be integrated within the interagency arena as well as within the defence ministry

Pre-independence Civil-military Relations in Israel and Ireland Sara Abosch, 1991 *Civil-Military Relations in Lebanon* Are John Knudsen, Tine Gade, 2017-08-31 This volume examines Lebanon's post 2011 security dilemmas and the tenuous civil military relations The Syrian civil war has strained the Lebanese Armed Forces LAF cohesion and threatens its neutrality its most valued assets in a divided society The spill over from the Syrian civil war and Hezbollah's military engagement has magnified the security challenges facing the Army making it a target Massive foreign grants have sought to strengthen its military capability stabilize the country and contain the Syria crisis However as this volume demonstrates the real weakness of the LAF is not its lack of sophisticated armoury but the fragile civil military relations that compromise its fighting power cripple its neutrality and expose it to accusations of partisanship and political bias This testifies to both the importance of and the challenges facing multi confessional armies in deeply divided countries *Print Media and Civil-Military Relations in Greece and Turkey* Duygu Ozturk, 2023-07-17 The media in Greece and Turkey have played a crucial role in the political communication in their countries Along with their main functions of monitoring the policies of the government on behalf of the public and providing news the media in these two countries also served as key actors producing meanings through interpretative journalism This study analyzes how Greek and Turkish newspapers columnists interpreted and framed military takeovers in their countries after the takeovers had happened Refuting arguments in the literature asserting that Greek columnists kept their silence during the military regime due to censorship while there was strong and open support in Turkey among newspaper columnists for the 12 September coup and the subsequent rule this study argues that the situations in both countries were much more complex than these studies have claimed It shows that important similarities existed between Greek and Turkish officers approach to the media in their countries during their respective periods of rule In addition Greek and Turkish columnists shared both similarities and differences in their framings and interpretations of the military's takeover in their countries and the subsequent interregna

While this might not be the Civil Military Relations In Israel full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Civil Military Relations In Israel eBooks, including some popular titles.

FAQs About Civil Military Relations In Israel Books

What is a Civil Military Relations In Israel PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Civil Military Relations In Israel PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Civil Military Relations In Israel PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Civil Military Relations In Israel PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Civil Military Relations In Israel PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
