Circle Unbroken The Hidden Emotional Patterns That Shape Our Lives:

Entranced by Story Hugh Crago, 2014-04-24 We live in a world of stories yet few of us pause to ask what stories actually are why we consume them so avidly and what they do for story makers and their audiences This book focuses on the experiences that good stories generate feelings of purposeful involvement elevation temporary loss of self vicarious emotion and relief of tension The author examines what drives writers to create stories and why readers fall under their spell why some children grow up to be writers and how the capacity for creating and comprehending stories develops from infancy right through into old age Entranced by Story applies recent research on brain function to literary examples ranging from the Iliad and Wuthering Heights to Harold and the Purple Crayon providing a groundbreaking exploration of the biological and neurological basis of the literary experience Blending research theory and biographical anecdote the author shows how it is the unique structure of the human brain with its layering of sophisticated cognitive capacities upon archaic emotion driven functions which best explains the mystery of story **Understanding Children's Literature** Peter Hunt, 2006-05-17 Edited by Peter Hunt a leading figure in the field this book introduces the study of children's literature addressing theoretical questions as well as the most relevant critical approaches to the discipline The fourteen chapters draw on insights from academic disciplines ranging from cultural and literary studies to education and psychology and include an essay on what writers for children think about their craft The result is a fascinating array of perspectives on key topics in children s literature as well as an introduction to such diverse concerns as literacy ideology stylistics feminism history culture and bibliotherapy An extensive general bibliography is complemented by lists of further reading for each chapter and a glossary defines critical and technical terms making the book accessible for those coming to the field or to a particular approach for the first time In this second edition there are four entirely new chapters contributors have revisited and revised or rewritten seven of the chapters to reflect new thinking while the remaining three are classic essays widely acknowledged to be definitive Understanding Children's Literature will not only be an invaluable guide for students of literature or education but it will also inform and enrich the practice of teachers and librarians Couple, Family And Group Work: First Steps In Interpersonal Intervention Crago, Hugh, 2005-12-01 Couple group and family therapies are usually viewed as three completely different disciplines In fact they have much in common Couple Family and Group Work reveals the similarities and the real differences among these topics Employing real life examples of therapy sessions involving more than one patient it bridges the gap between psychodynamic and group system approaches and shows one on one counselors and therapists how to work with various types of groups A Circle Unbroken Hugh Crago, 1999 The author shows us how to understand our lives in a broad context He looks at the patterns in our lives and how they develop showing how we can understand ourselves much better if we look at ourselves in the context of our families Tracing our experiences from brith to death he argues that we can control our lives but only if we acknowledge the powerful emotional forces which have so much influence
