The Way Around Nicholas Triolo, 2025-07-08 The Way Around is the kind of book my soul perpetually yearns for It reshaped how I see the world Robert Moor author of On Trails An Exploration Growing up in northern California in a family of high achieving athletes Nicholas Triolo was imbued with a particularly acute form of our intensely goal oriented culture Do the reps he internalized Commit to the work Grind for your dreams Shortly after graduating from college he embarked on a solo circumnavigation of the globe And then after returning to the States he threw himself into ultrarunning all to combat a deepening discontent While traveling around the world it was in Kathmandu that Triolo first encountered kora a form of moving prayer in which pilgrims walk in circles

around a sacred site or object a kind of ritualized remembering birthed by place Unable to shake this initial encounter with circumambulation he sets out here on three such extended walks First he completes the sacred thirty two mile revolution around Tibet's Mount Kailash in search of a cultural counter to Western linearity Then following his mother's diagnosis with breast cancer he returns home to California and takes part in an annual circuit of Mount Tamalpais tracing a route made famous by Beat poets Gary Snyder Philip Whalen and Allen Ginsberg And then finally he meets up with a quirky hydrogeologist in Butte Montana and joins his walk around the Berkeley Pit Complex the largest Superfund site in the country At once uncommonly humble and thrillingly transcendent blurring the boundaries of inner and outer landscapes The Way Around models what it means to experience a true revolution of heart and home for the flourishing of all

Wisdom Is Bliss Robert Thurman, 2021-08-03 Robert Thurman is a living treasure one of today's most provocative spiritual thinkers Daniel Goleman author of Emotional Intelligence Robert Thurman the preeminent scholar and interpreter of Tibetan Buddhist philosophy for the modern world leads us on a joyful exploration into the nature of reality through Buddha's threefold curriculum of super education Buddha had to be an educator rather than a prophet or religion founder since he had achieved his goal of exact and complete understanding of reality by using reason experiments to open his own mind and vision to do so Thurman writes From his own experience he could help others as a teacher by streamlining the process He could not just transplant his realization into their minds They could not get their own realizations just by believing whatever he said He could only provide them with a prospect of full realization along a path of learning and experiencing they could follow they would have to travel on their own This book is your invitation to travel that same road Deeply felt and bracingly direct it doesn't teach about the teaching it is the teaching Get ready to get real and have fun along the way as you chart a path to reliable lasting happiness

F. Thurman,2006 Heated words cool malice deadly feuds the furious rush of adrenaline anger is clearly the most destructive of the seven deadly sins It can ruin families wreck one s health destroy peace of mind and at its worst lead to murder genocide and war In Anger Robert A F Thurman best selling author and one of America s leading authorities on Buddhism and Eastern philosophy offers an illuminating look at this deadliest of sins In the West Thurman points out anger is seen as an inevitable part of life an evil to be borne not overcome There is the tradition of the wrathful God of Jesus driving the money changers from the temple If God can be angry how can men rid themselves of this destructive emotion Thurman shows that Eastern philosophy sees anger differently Certainly it is a dreadful evil one of the three poisons that underlie all human suffering But Buddhism teaches that anger can be overcome Indeed the defeat of anger is not only possible but also the only thing worth doing in a lifetime Thurman shows how to recognize the destructiveness of anger and understand its workings and how we can go from being a slave to anger to becoming a knight of patience We discover finally

that when this deadliest emotion is transmuted by wisdom it can become the most powerful force in freeing us from human suffering Drawing on the time tested wisdom of Buddhism Robert A F Thurman ranges from the individual struggle with anger to global crises spurred by dogmatic ideologies religious fanaticism and racial prejudice He offers a path of calm understanding in a time of terrorism and war Pilgrimage Linda Kay Davidson,David M.
