Benson's Wild Animal Farm Bob Goldsack, Robert J. Goldsack, 2011 Benson s Wild Animal Farm in Hudson New Hampshire opened to the public in 1927 Due in part to the evolution of the automobile the attraction grew in size and attendance to become one of New England s major family destinations Benson s was a zoo to the public a work station for many circus animal trainers and performers and a source of summer employment for generations of local teenagers The attraction closed in 1987 and a bit of Americana faded away but its memory remains vivid to many The property was sold to the state for the development of a highway which never materialized In 2009 after years of negotiations the town purchased the land from the New Hampshire Department of Transportation with plans to develop it into a large park filled with picnic areas walking paths and bicycle trails A Benson s museum is planned for the future cover

Affect, Conditioning, and Cognition (PLE: Emotion) J. Bruce Overmier, F. Robert Brush, 2014-11-20 Originally published in 1985 this title was a retrospective appreciation of the late Richard L Solomon His pre and postdoctoral students from past years presented the 22 papers which are published in this volume The book reflects the breadth of Solomon s impact through his teaching and research The first part contains a chapter that provides a bit of history in a retrospective appreciation of the several foci of Solomon s research career This chapter sets the stage for those that follow and reduces their diversity by providing a degree of historical understanding The second part on the role of properties of fear contains chapters that address various issues associated with the role of conditioned fear The third part contains papers that address cognitive information processing issues in the context of Pavlovian conditioning of appetitive and aversive events reasoning and timing The fourth part continues the exploration of the phenomenon of learned helplessness first discovered in Solomon s laboratory The fifth part addresses various issues associated with the Solomon and

Corbit opponent process theory of motivation and affect The final part on applications to human and cultural issues contains chapters on such diverse subjects as cross cultural analyses of aggressive behavior in children the analysis of resistance to change in industrial organizations the concept of liberty in formulating research issues in developmental psychology and the status of free will in modern American psychology
