Joe E. Brown Wes D. Gehring, 2014-12-24 As a young boy in the depths of the 1890s depression Joe E Brown had a job making faces at the firemen on passing coal burning trains so they would throw coal at him As a child he also worked as a circus acrobat and newsboy His inventiveness and spunk helped his family get through hard times but also fueled his fascination with entertainment and he built up a repertoire of rubber faced expressions and funny antics that would make his stage and screen work memorable Baseball was a favorite pursuit in his life and thus a recurring theme in his films and skits In this biography the first on one of the top film comedians of the 1930s the reader learns of Joe's challenging childhood and how it prepared him for later screen roles and how his love of baseball translated into screen successes His early career in vaudeville is discussed his work as a Broadway comedian in the Roaring Twenties his road to movie stardom and how he parlayed his love of sports into big hits like 1930's *Elmer the Great* The year 1935 gets its own chapter its films are considered the pinnacle of Brown's career including *Alibi* *Ike Bright Lights* and *A Midsummer Night's Dream* The final chapters reveal what happened after he left Warner Bros including the bittersweet 1940s when he entertained troops around the globe while mourning a son lost to the war The book concludes with a comprehensive filmography of his features from 1928 to 1963

childhood was a subject that fascinated and preoccupied Americans at the turn of the century Many of these strips including R F Outcault s Hogan s Alley and Buster Brown Rudolph Dirks s The Katzenjammer Kids and Winsor McCay s Little Nemo in Slumberland were headlined by child characters Yet no major study has explored the significance of these verbal visual representations of childhood Incorrighbles and Innocents addresses this gap in scholarship examining the ways childhood was depicted and theorized in late nineteenth and early twentieth century comic strips Drawing from and building on histories and theories of childhood comics and Progressive Era conceptualizations of citizenship and nationhood Lara Saguisag demonstrates that child characters in comic strips expressed and complicated contemporary notions of who had a right to claim membership in a modernizing expanding nation **The ...
