Cities Of Silence A Guide To Mobiles Historic Cemeteries

John Sturdivant Sledge

Cities Of Silence A Guide To Mobiles Historic Cemeteries:

Cities of Silence John Sturdivant Sledge, 2002 This beautiful photojournal is a visually stunning tour of the history and funerary art of Mobile's 19th century urban cemeteries *Mortuary Monuments and Burial Grounds of the Historic Period* Harold Mytum, 2012-12-06 Burial grounds strike an immediate chord with all who visit them They are landscapes full of pathos and cultural associations which many find attractive though a minority feel are too morbid to deserve detailed attention This book is designed to offer a framework for studying historic burial ground monuments and contains a certain amount of information regarding below ground archaeology as some projects will involve the study of both Moreover from a research perspective above and below ground archaeology together can throw considerable light on the process of dying body disposal and commemoration that formed a continuum for those involved However the more easily accessible graveyard memorials can be used to study many aspects of past culture beyond that directly associated with death and they are the focus of the book Most people who become interested in historic graveyard memorials come to the subject via the material itself Only rarely does a research question get posed and graveyard data seem like an appropriate arena for investigation This has the advantage that many researchers have some ideas about the data available but the disadvantage that they may not have clear questions to ask of it nor how to set their discoveries in a wider intellectual context *In Reverence: A Plan for the Preservation of Tolomato Cemetery, St. Augustine, Florida* Matthew Kear, 2010-11-20 Tolomato Cemetery is the oldest remaining cemetery in St Augustine Florida It was founded in an era when the grim and grey church graveyard was the cultural norm in the North American colonies In an act of compassion for a group of unfortunate Catholic refugees in British East Florida the cemetery was established on the site of an abandoned Franciscan mission where it remained active through the end of the 19th century After a century of neglect it now faces complex material conservation issues and a lack of public involvement in its care and interpretation It sits silently locked within its gates unable to share its own stories of St Augustine's rich history This book explores how the site evolved over the centuries into its present state and what can be done to ensure its survival and return to a place of prominence among the cultural resources of one of America's oldest cities In Reverence was written as a graduate thesis at Cornell University in 2009 and has been revised for publication **An Ornament to the City** John Sturdivant Sledge, 2006 The iron lace that graces the businesses homes squares and cemeteries of Mobile Alabama is as vital a part of that southern port city as it is of New Orleans Charleston and Savannah Until now its story has never been fully told In this attractive volume John S Sledge's rich narrative combined with evocative historic images and Sheila Hagler's stunning contemporary photographs eloquently conveys as never before how ornamental cast iron defines Mobile's heart and soul Cast iron was the wonder of the Victorian age according to Sledge In Mobile the material's diverse applications were on display in hulking locomotives and boilers flamboyant fountains imposing fences and endless other forms and structures The city's ornate iron balconies dozens of which still remain elicited the greatest wonder then as

now Local publications have long extolled Mobile's enchanting ironwork Only now however has the subject been situated within national trends in design industry and consumer tastes It is a colorful saga featuring rawboned iron founders artisan slaves hustling salesmen conniving architects willful plunderers romantic artists and dedicated preservationists Drawing on rare surviving business records and other archival sources Sledge skillfully reconstructs how the local iron industry developed and then fiercely competed with big northern foundries As a working preservationist Sledge pays particular attention to how many of Mobile's most splendid ornamental iron pieces have weathered hard times natural disasters and misguided development to remain a delight for tourists and residents alike Hagler's beautiful photographs provide a powerful and sometimes moody visual accompaniment to this fascinating tale **The Pillared City** John Sturdivant Sledge, 2009 A richly illustrated overview of the Greek Revival period in Mobile Alabama 1825-70 when high style and vernacular columned buildings were erected on the city's streets Featuring more than fifty-five contemporary black and white photographs by Sheila Hagler and a rich array of historical images that capture the grace and allure of Mobile **AGS Quarterly**, 2002

The Mobile River John S. Sledge, 2015-05-29 A fine fascinating book John S Sledge introduces us to four centuries worth of heroes and rogues on one incredible American river Winston Groom New York Times bestselling author of *Forrest Gump* The Mobile River presents the first ever narrative history of this important American watercourse Inspired by the venerable Rivers of America series John S Sledge weaves chronological and thematic elements with personal experiences and more than sixty color and black and white images for a rich and rewarding read Previous historians have paid copious attention to the other rivers that make up the Mobile's basin but the namesake stream along with its majestic delta and beautiful bay have been strangely neglected In an attempt to redress the imbalance Sledge launches this book with a first person river tour by haul ass boat Along the way he highlights the four diverse personalities of this short stream upland hardwood forest upper swamp lower swamp and harbor In the historical saga that follows readers learn about colonial forts international treaties bloody massacres and thundering naval battles as well as what the Mobile River's inhabitants ate and how they dressed through time A barge load of colorful characters is introduced including Native American warriors French diplomats British cartographers Spanish tavern keepers Creole women steamboat captains African slaves Civil War generals and admirals Apache prisoners hydraulic engineers stevedores banana importers Rosie Riveters and even a few river rats subsisting off the grid all of them actors in a uniquely American pageant of conflict struggle and endless opportunity along a river that gave a city its name Sledge brilliantly explores the myriad ways human history has entwined with the Mobile River Gregory A Waselkov author of *A Conquering Spirit* *A History Lover's Guide to Mobile and the Alabama Gulf Coast* Joe Cuhaj, 2023-03-06 Located almost dead center along the Gulf Coast Mobile has seen a thing or two in its long history The Port City has survived the ravages of hurricanes and yellow fever epidemics It has been handed down from one nation to another not once but several times The last major battle of the Civil War roared only miles away across its namesake bay a few short

years after the last slave ship the Clotilda arrived with its human contraband But this city has had much to celebrate as well Mobile gave our nation its greatest party Mardi Gras It was also the birthplace of five Major League Baseball Hall of Famers Author Joe Cuhaj serves as docent to the twists and turns of Mobile and the Alabama Gulf s fascinating past Gone Home Jack Solomon,2004 A photographic study of cemetery art in Alabama cemeteries Burial Terminology Roderick Sprague,2005-08-11 With archaeological practices being as varied as the cultures they study little advance has been made to standardize the nomenclature used in the Western scientific world to describe the physical aspect of burial and other forms of body disposal which would allow researchers to describe and precisely compare these unique and revealing practices Prominent archaeologist Roderick Sprague finally presents a long overdue and much needed logical outline of the variables that should be listed to describe bodies grave goods and tombs establishing standard terms for the archaeologists who excavate these burials Drawing from examples and terminology in historical archaeology prehistory ethnography and forensic anthropology this well illustrated practical and user friendly reference text will be indispensable to all researchers in these and related fields **The Gulf of Mexico** John S. Sledge,2022-04-13 Sledge rightfully celebrates and affirms the southern sea s enriching past and gives readers reason to want for its wholesome and meaningful future Jack E Davis Pulitzer Prize winning author of *The Gulf The Making of an American Sea* The Gulf of Mexico presents a compelling salt streaked narrative of the earth s tenth largest body of water In this beautifully written and illustrated volume John S Sledge explores the people ships and cities that have made the Gulf s human history and culture so rich Many famous figures who sailed the Gulf s viridian waters are highlighted including Ponce de Le n Robert Cavelier de La Salle Francis Drake Elizabeth Agassiz Ernest Hemingway and Charles Dwight Sigsbee at the helm of the doomed Maine Gulf events of global historical importance are detailed such as the only defeat of armed and armored steamships by wooden sailing vessels the first accurate deep sea survey and bathymetric map of any ocean basin the development of shipping containers by a former truck driver frustrated with antiquated loading practices and the worst environmental disaster in American annals Occasionally shifting focus ashore Sledge explains how people representing a gumbo of ethnicities built some of the world s most exotic cities Havana way station for conquistadores and treasure filled galleons New Orleans the Big Easy famous for its beautiful French Quarter Mardi Gras and relaxed morals and oft besieged Veracruz Mexico s oldest city founded in 1519 by Hern n Cort s In the modern era the Gulf has become critical to energy production fisheries tourism and international trade even as it is threatened by pollution and climate change The Gulf of Mexico is a work of verve and sweep that illuminates both the risks of life on the water and the riches that come from its bounty **The Publishers Weekly**,2003 **Vernacular Architecture Newsletter** ,2001 **Markers** ,2003 **Bibliographic Index** ,2002 **France and the Americas** Bill Marshall,2005 From 17th century fur traders in Canada to 21st century peacekeepers in Haiti from France s decisive role in the Revolutionary War leading to the creation of the United States to recent disagreements over Iraq France and the Americas

Marshall charts the history of the inextricable links between France and the nations of the Americas This comprehensive survey features an incisive introduction and a chronology of key events spanning 400 years of France s transatlantic relations

Landscape Architectural Graphic Standards Leonard J. Hopper,2006-10-13 Landscape Architectural Graphic Standards is an entirely new definitive reference work for everyone involved with landscape architecture design and construction Based on the 70 year success of Architectural Graphic Standards this new book is destined to become the bible for the landscape field Edited by an educator and former president of the American Society of Landscape Architects it provides immediate access to rules of thumb and standards used throughout the planning design construction and management of landscapes View sample pages from Landscape Architectural Graphic Standards **America, History and Life** ,2004 Article abstracts and citations of reviews and dissertations covering the United States and Canada New York City Guide Best Books on,1940 **Historic Cities** Jeff Cody,Francesco Siravo,2019-07-30 This new volume in the GCI s Readings in Conservation series brings together a selection of seminal writings on the conservation of historic cities This book the eighth in the Getty Conservation Institute s Readings in Conservation series fills a significant gap in the published literature on urban conservation This topic is distinct from both heritage conservation and urban planning despite the recent growth of urbanism worldwide no single volume has presented a comprehensive selection of these important writings until now This anthology profusely illustrated throughout is organized into eight parts covering such subjects as geographic diversity reactions to the transformation of traditional cities reading the historic city the search for contextual continuities the search for values and the challenges of sustainability With more than sixty five texts ranging from early polemics by Victor Hugo and John Ruskin to a generous selection of recent scholarship this book thoroughly addresses regions around the globe Each reading is introduced by short prefatory remarks explaining the rationale for its selection and the principal matters covered The book will serve as an easy reference for administrators professionals teachers and students faced with the day to day challenges confronting the historic city under siege by rampant development

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Cities Of Silence A Guide To Mobiles Historic Cemeteries full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Cities Of Silence A Guide To Mobiles Historic Cemeteries eBooks, including some popular titles.

FAQs About Cities Of Silence A Guide To Mobiles Historic Cemeteries Books

What is a Cities Of Silence A Guide To Mobiles Historic Cemeteries PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Cities Of Silence A Guide To Mobiles Historic Cemeteries PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Cities Of Silence A Guide To Mobiles Historic Cemeteries PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Cities Of Silence A Guide To Mobiles Historic Cemeteries PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Cities Of Silence A Guide To Mobiles Historic Cemeteries PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
