Citizen Christians:

Citizens & Exiles: Christian Faithfulness in God's Two Kingdoms Scott Aniol, 2023-09-01 Christians have always wrestled with how they should respond to the cultures around them On the one hand we recognize the goodness of God's creation and his common grace upon all people On the other hand we recognize that people are sinful and that the world is hostile to God and to Christians So what are we to do As tensions rise between church and state some of the loudest voices articulating answers to the question do not match what Scripture commands for the church today Some answers threaten to undermine the pilgrim character of New Testament Christianity and the spiritual mission given to the church of making disciples Others advocate for a more privatized faith in conflict with the more holistic emphasis of Scripture In this easy to read book Scott Aniol demonstrates that Scripture teaches contrary to both of these postures Aniol shows that the New Testament portrays Christians as citizens of the common kingdoms of this earth but they are ultimately exiles since they are more profoundly citizens of Christ's redemptive kingdom Understanding the biblical relationship between these two provides a very clear framework for preventing churches from losing their biblical mission while at the same time discipling Christians to actively engage in society around them What the Bible prescribes for Christians in this present age is Christian faithfulness in both realms of God's sovereign rule Scott Aniol PhD is Executive Vice President and Editor in chief of G3 Ministries and Professor of Pastoral Theology at Grace Bible Theological Seminary

Good Citizenship in America David M. Ricci, 2004-07-19 *Good Citizenship in America* describes a civic ideal of who enjoys membership in the state and what obligations that entails and traces its history in America Until 1865 this ideal called for virtuous political behavior republicanism but extended the franchise beyond early republican expectations democracy The book follows the widening of the franchise to women and people of color and to those with little or no property following economic development post 1865 In the twentieth century the civic ideal was influenced by the increase of consumerism its peak after World War II and its subsequent decline More recent citizenship informed by environmental problems and growing global Darwinism places a bigger and bigger emphasis on the economic conscience This is an easily accessible analysis of civic trends in America and one that highlights much of what is decent in American life

Christian Citizenship Training Course, Vol 1, Form #12.007 Sovereignty Education and Defense Ministry (SEDM),2020-02-06 Good citizenship from a Christian Perspective *Evangelism and Politics* John C. Barrett,2020-02-20 In a fallen world politics will be a brutal at times violent sport Grandstanding demonizing misleading and lying are the native language of political debate Violence is historically how political conflicts are ultimately resolved This fact raises important questions about our faith Should Christians participate in politics and government If so how should we participate Evangelism Politics argues that Christians should participate in politics and government but their ultimate goal in doing so is evangelism not political change The way Christians participate in politics is therefore generally more important than the specific policies they advocate for In

short Christian participation in politics should be marked by the fruit of the spirit At the same time Christians should not be naive in thinking godly engagement in politics guarantees political success Ungodly tactics are effective and Christians will be at a political disadvantage when they refuse to use such methods Nevertheless Christians should refuse to use them because they see God not the government as their ultimate protector and provider and godly engagement in politics as a way of providing an evangelistic witness to society that fulfills the Great Commission **A Senior Citizen's Pre-Election**
