Citizens And Soldiers The Dilemmas Of Military Service:

Citizens and Soldiers Eliot A. Cohen, 2019-01-24 Why has the United States unlike every other 20th century world power failed to settle on a durable system of military service In this lucid book Eliot Cohen studies the enduring problems of America's methods of raising an army States, Citizens and the Privatisation of Security Elke Krahmann, 2010-02-04 Recent years have seen a growing role for private military contractors in national and international security To understand the reasons for this Elke Krahmann examines changing models of the state the citizen and the soldier in the UK the US and Germany She focuses on both the national differences with regard to the outsourcing of military services to private companies and their specific consequences for the democratic control over the legitimate use of armed force Tracing developments and debates from the late eighteenth century to the present she explains the transition from the centralized warfare state of the Cold War era to the privatized and fragmented security governance and the different national attitudes to the privatization of force The Wrong War Rosemary Foot, 2019-06-30 In 1951 General Omar Bradley declared publicly that war with China would involve the United States in the wrong war at the wrong place at the wrong time and with the wrong enemy Despite the stated intent of the U S to keep the Korean conflict from spreading the debate on extending the war was far more intense and protracted than previous accounts of this period have suggested Concentrating on the debate over expansion Rosemary Foot reveals the strains it caused both within the U S bureaucracy and between America and its North Atlantic allies She supplies important new information on the U S government's appraisal of Sino Soviet relations between 1950 and 1953 and makes clear that a high proportion of U S officials came to recognize the limited nature of Soviet support for China Explaining why the Eisenhower administration nearly unleashed nuclear weapons on China in the spring of 1953 Foot demonstrates that the Korean war would very likely have grown into a conflict of major proportions if the Chinese and North Koreans had not conceded the final issue of the truce talks the question of the voluntary repatriation of prisoners of war *The Advent of the All-Volunteer Force* William A. Taylor, 2023-03-10 This book examines the extensive influence of the All Volunteer Force AVF on the past present and future of America demonstrating how the AVF encompasses the most significant issues of military history and defense policy Throughout the vast majority of its wars during the twentieth century the United States relied on a mixture of volunteers who chose to serve and conscripts provided through the Selective Service System known colloquially as the draft When the United States emerged as a world superpower in the aftermath of World War II U S policymakers also depended on the draft during peacetime Drawing on primary source documents this book guides readers through the transition from the draft to the AVF and analyzes its history results challenges and implications Each chapter provides an overview of the issues of the time recounts the ensuing debates and developments around them and examines how they manifested themselves relative to the advent of the AVF and American society during times of peace and war Combining narrative with documents *The Advent of the All Volunteer Force* is a valuable resource for students

scholars policymakers and general readers interested in modern American history military history and the dynamic linkages between policy politics and American society **War, Citizenship, Territory** Deborah Cowen, Emily Gilbert, 2024-11-01 For all too obvious reasons war empire and military conflict have become extremely hot topics in the academy Given the changing nature of war one of the more promising areas of scholarly investigation has been the development of new theories of war and war's impact on society *War Citizenship Territory* features 19 chapters that look at the impact of war and militarism on citizenship whether traditional territorially bound national citizenship or transnational citizenship The editors argue that while there has been an explosion of work on citizenship and territory Western academia's avoidance of the immediate effects of war among other things has led them to ignore war which they contend is both pervasive and well nigh permanent This volume sets forth a new geopolitically based theory of war's transformative role on contemporary forms of citizenship and territoriality and includes empirical chapters that offer global coverage **The Changing Character of War** Hew Strachan, Sibylle Scheipers, 2011-05-12 *The Changing Character of War* unites scholars from the disciplines of history politics law and philosophy to ask in what ways the character of war today has changed from war in the past and how the wars of today differ from each other It discusses who fights why they fight and how they fight *National Service, Citizenship, and Political Education* Eric B. Gorham, 1992-09-01 This book analyzes the issues surrounding civilian national service policy from a fresh and original perspective The author connects national service programs to the political theories of civic republicanism and communitarianism assesses the practical consequences of these theories and examines past youth service programs such as the CCC and Peace Corps to see if they are appropriate models or ideals for a national program Gorham engages the issue of compulsory versus voluntary service and questions whether service tasks can instill a sense of citizenship in young people as defenders of the program claim Using the work of Michel Foucault Charles Taylor Carole Pateman and others he suggests that national service as presently planned will not create the citizen so much as a post industrial and gendered subject In the concluding chapters he presents an argument for a democratic national service and offers an alternative program for policymakers to consider *The All-Volunteer Force* William A. Taylor, 2023-06-24 The all volunteer force AVF created in conjunction with the end of the draft in 1973 has been the most significant development in modern American military history Since its inception the influence of the AVF has reached far beyond the US armed forces affecting the very character of American civil military relations While its successes and challenges continue to be widely discussed and fervently debated one thing is certain the AVF is critical to both US national security and the fabric of American society The insightful cogent and provocative essays contained in this timely volume represent a crucial first step in assessing the AVF after fifty years of service Here fifteen renowned authors speak to vital issues that remain relevant today and will endure well into the future The AVF has garnered both triumphs and shortcomings but continues to be an essential institution Engaged dialogue about the AVF is crucial to ensure that it remains ready to meet and overcome

potential threats and that policymakers address the central obstacles it faces today The All Volunteer Force is the most comprehensive assessment of the force since its advent and reveals the momentous sway the AVF has had on the military government and society in the United States In crafting this far reaching collection of essays William A Taylor examines the AVF in four distinct parts analyzing its history results challenges and implications In doing so this compelling book explores all the major facets of the AVF past present and future This dynamic volume brings together a multidisciplinary group of distinguished authors who each bring to bear important perspectives on specific aspects of the AVF These contributors include leading scholars general officers civilian policymakers and personnel experts who collectively provide a holistic assessment of the accomplishments and shortcomings of the AVF during its fifty years of service *Release a Man for Combat* Michaela Hampf, 2010 Die etwa 150 000 Frauen die im Zweiten Weltkrieg im Women s Army Corps Dienst taten waren die ersten regulären Soldatinnen der US Armee Um männliche Soldaten für den Kampf freizusetzen arbeiteten sie auch in traditionellen Männerbereichen etwa als Mechanikerinnen oder Pilotinnen in den USA Afrika Europa und Südostasien Die Autorin geht den Erfahrungen dieser Frauen nach den militärischen und zivilen Diskursen über Soldatinnen im Militär und dem Umgang der Armee mit soldatischer Weiblichkeit und weiblicher Sexualität Anhand von Regierungsdokumenten Kriegsgerichtsprozessen aber auch Selbstzeugnissen Gedichten und Songs zeigt M Michaela Hampf wie umkämpft die Konstruktion der Soldatin im Amerika der vierziger Jahre war und bis heute ist *Gender and the Military* Helena Carreiras, 2006-09-27 This is the first comparative cross national study of the participation of women in the armed forces of NATO countries Along side an analysis of this key topic stands a critique of existing theoretical models and the proposal of a revised analytical framework Unlike previous works this new study employs mixed methodological research design combining quantitative and qualitative data a large N analysis based on general policies and statistical information concerning every country in the sample with more in depth case studies This volume includes original empirical data regarding the presence of women in the armed forces of NATO countries proposes an index of gender inclusiveness and assesses the factors that affect women s military roles The book also presents two new key case studies Portugal and the Netherlands based on both documentary sources and in depth interviews of both men and women officers in the two countries This book will be of great interest to all students and scholars of strategic studies gender and women studies and military history **The New Citizen Armies** Stuart A. Cohen, 2010-01-21 This edited book constitutes the first detailed attempt at a comparative international analysis of the transformations that are currently affecting the composition of the Israel Defense Forces IDF and their place in Israeli society Focusing primarily on deviations from the traditional norm of universal military service the book compares the emergence of a new type of citizen army in Israel with the formats that have in recent decades become evident in other western democracies In addition these essays correct the conventional tendency to concentrate almost exclusively on the influences stimulating military institutional change in the West and thereby to

overlook the equally important factors that retard its momentum By contrast this volume deliberately highlights the brakes as well as the accelerators in current processes thereby presenting a far more faithful picture of their complexity This book will be of much interest to students of Israeli politics military studies Middle Eastern politics security studies and IR in general Stuart Cohen is a senior research associate of the BESA Begin Sadat Center for Strategic Studies and also teaches political studies at Bar Ilan University Israel His most recent book is *Israel and its Army From Cohesion to Confusion* Routledge 2008

The Draft, 1940-1973 George Q. Flynn, 1993 Individual liberty is ingrained in American culture Yet in contrast to this cherished ideal American men were inducted into military service under a system that flourished for more than twenty years before its rationalization was seriously questioned by more than a small minority of citizens Analyzing this paradox George Flynn provides the first comprehensive look at an institution that managed to sustain political and public favor through two wars before dying out under a barrage of protests during a third Placing the American draft within a historical context he shows how social and political considerations determined the character of conscription in the United States The draft developed as it did he argues not mainly because of military needs or strategy but because of political decisions initiated by civilians with nonmilitary agendas Explaining why the draft remained relatively immune to political criticism prior to the Vietnam conflict Flynn chronicles the draft's military and strategic successes and failures in America's mid century wars He shows how major institutions and lobbies representing science education and various professions and religions influenced it and how ultimately and ironically the selective character of the draft eventually made the system inequitable and helped cause its downfall

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Guard Wars Michael E. Weaver, 2010-10-29 An inventive study of relations between the National Guard and the Regular Army during World War II *Guard Wars* follows the Pennsylvania National Guard's 28th Infantry Division from its peacetime status through training and into combat in Western Europe The broader story spanning the years 1939-1945 sheds light on the National Guard the U S Army and American identities and priorities during the war years Michael E Weaver carefully tracks the division's difficult transformation into a combat ready unit and highlights General Omar Bradley's extraordinary capacity for leadership which turned the Pennsylvanians from the least capable to one of the more capable units a claim dearly tested in the Battle of the Hürtgen Forest This absorbing and informative analysis chronicles the nation's response to the extreme demands of a world war and the flexibility its leaders and soldiers displayed in the chaos of combat

Arms and the University Donald Alexander Downs, Ilia Murtazashvili, 2012-02-27 The gap between the U S military and society has widened in recent years posing problems for the constitutional order The gap is especially acute in major universities *Arms and the University* probes various dimensions of the tense relationship between the military and the university Developing and applying a theory of civic and liberal education this book shows how some military presence on campus can contribute to the diversity of ideas and the education of all students

Liberal Wars Alan Cromartie, 2015-04-24

This book addresses the relationship between the liberal values of Anglo Saxon cultures and the way that they conduct themselves when they are fighting or preparing to fight wars The United States and the United Kingdom are characterised by a consensus that their social and political arrangements are in a very broad sense liberal Liberalism is not pacifism nor are liberals necessarily respectful of traditional prohibitions that have set out to moderate excessive violence But liberals do seek to understand their violent actions as part of a wider project of defending or expanding liberal freedoms The perceived alternative is to undermine the will to keep on fighting Sustaining a liberal picture of what is going on is an indispensable part of a liberal strategy Contributors with disciplinary backgrounds in history international relations and strategic studies discuss what liberalism means in this particular context and how it might relate to strategy both in the recent past and in the future The chapters consider how liberal states understand the wars they fight the constraints liberal values place on these states the role of public opinion and the appropriate strategies for modern liberal states Topics addressed include civilian bombing the nature of US military culture the British Iraq inquiries the effects of the erosion of Westphalian sovereignty and the rise of new ideas about globalization and the decline in popular involvement This book will be of much interest to students of strategic studies political philosophy foreign policy security studies and IR in general

Civilians in a World at War, 1914-1918 Tammy M. Proctor, 2010-08-30 World War I heralded a new global era of warfare consolidating and expanding changes that had been building throughout the previous century while also instituting new notions of war The 1914-18 conflict witnessed the first aerial bombing of civilian populations the first widespread concentration camps for the internment of enemy alien civilians and an unprecedented use of civilian labor and resources for the war effort Humanitarian relief programs for civilians became a common feature of modern society while food became as significant as weaponry in the fight to win Tammy M Proctor argues that it was World War I the first modern global war that witnessed the invention of both the modern civilian and the home front where a totalizing war strategy pitted industrial nations and their citizenries against each other Civilians in a World at War 1914-1918 explores the different ways civilians work and function in a war situation and broadens our understanding of the civilian to encompass munitions workers nurses laundresses refugees aid workers and children who lived and worked in occupied zones on home and battle fronts and in the spaces in between Comprehensive and global in scope spanning the Eastern Western Italian East African and Mediterranean fronts Proctor examines in lucid and evocative detail the role of experts in the war the use of forced labor and the experiences of children in the combatant countries As in many wars civilians on both sides of WWI were affected and vast displacements of the populations shaped the contemporary world in countless ways redrawing boundaries and creating or reviving lines of ethnic conflict Exploring primary source materials and secondary studies of combatant and neutral nations while synthesizing French German Dutch and English language sources Proctor transcends the artificial boundaries of national histories and the exclusive focus on soldiers Instead she tells the fascinating and long buried story of the civilian in the Great War allowing

voices from the period to speak for themselves

Australia, International Security and the Outsourcing of State

Violence Natalie McLean, 2024-11-07 This book sheds light on the complex and controversial realm of Private Military and Security Companies PMSCs and their impact on international security The rise of PMSCs as key participants in the security arena has sparked debates worldwide challenging the traditional monopoly on violence held by nation states Structured meticulously Chapter One introduces the rise of PMSCs focusing on Australia as a case study for their effect on state control and accountability Chapter Two examines historical PMSC development and case studies revealing global implications for regulation and oversight Chapter Three builds a theoretical framework for analyzing the Australian case and Chapters Four and Five scrutinize Australia's government and PMSC industry uncovering deficiencies in regulatory mechanisms and human rights abuses In Chapter Six implications on security outsourcing and regulation are explored culminating in a thought provoking conclusion in Chapter Seven This book is a crucial resource for anyone seeking a deeper understanding of the challenges posed by PMSCs in the realm of international security

Soldiers of Empire Tarak Barkawi, 2017-06-08 Barkawi re imagines the study of war with imperial and multinational armies that fought in Asia in the Second World War

Women and War Jean Bethke Elshtain, 1995-07-15 Jean Elshtain examines how the myths of Man as Just Warrior and Woman as Beautiful Soul serve to recreate and secure women's social position as noncombatants and men's identity as warriors Elshtain demonstrates how these myths are undermined by the reality of female bellicosity and sacrificial male love as well as the moral imperatives of just wars

Doughboys, the Great War, and the Remaking of America Jennifer D. Keene, 2001 How does a democratic government conscript citizens turn them into soldiers who can fight effectively against a highly trained enemy and then somehow reward these troops for their service In *Doughboys the Great War and the Remaking of America* Jennifer D Keene argues that the doughboy experience in 1917-18 forged the U S Army of the twentieth century and ultimately led to the most sweeping piece of social welfare legislation in the nation's history the G I Bill Keene shows how citizen soldiers established standards of discipline that the army in a sense had to adopt Even after these troops had returned to civilian life lessons learned by the army during its first experience with a mass conscripted force continued to influence the military as an institution The experience of going into uniform and fighting abroad politicized citizen soldiers Keene finally argues in ways she asks us to ponder She finds that the country and the conscripts in their view entered into a certain social compact one that assured veterans that the federal government owed conscripted soldiers of the twentieth century debts far in excess of the pensions the Grand Army of the Republic had claimed in the late nineteenth century

Citizens And Soldiers The Dilemmas Of Military Service Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Citizens And Soldiers The Dilemmas Of Military Service free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Citizens And Soldiers The Dilemmas Of Military Service free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Citizens And Soldiers The Dilemmas Of Military Service free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source

before downloading Citizens And Soldiers The Dilemmas Of Military Service. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Citizens And Soldiers The Dilemmas Of Military Service any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Citizens And Soldiers The Dilemmas Of Military Service Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Citizens And Soldiers The Dilemmas Of Military Service is one of the best book in our library for free trial. We provide copy of Citizens And Soldiers The Dilemmas Of Military Service in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Citizens And Soldiers The Dilemmas Of Military Service. Where to download Citizens And Soldiers The Dilemmas Of Military Service online for free? Are you looking for Citizens And Soldiers The Dilemmas Of Military Service PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Citizens And Soldiers The Dilemmas Of Military Service. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Citizens And Soldiers The Dilemmas Of Military Service are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for

download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Citizens And Soldiers The Dilemmas Of Military Service. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Citizens And Soldiers The Dilemmas Of Military Service To get started finding Citizens And Soldiers The Dilemmas Of Military Service, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Citizens And Soldiers The Dilemmas Of Military Service So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Citizens And Soldiers The Dilemmas Of Military Service. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Citizens And Soldiers The Dilemmas Of Military Service, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Citizens And Soldiers The Dilemmas Of Military Service is available in our book collection an online access to it is set as public so you can download it instantly.
