**Citizenship Rites** Ilene Feinman, 2000 Feinman Institute for Human Communication California State U labeling herself an antimilitarist feminist attempts to account for and reconcile the structures that lead some feminists to insist on full inclusion and participation in the armed forces Analyzing and approving the wish for inclusion as a will towards full citizenship she nevertheless argues that the military and war itself are essentially expressions of patriarchy and calls for a dialogue between feminist militarists and feminist antimilitarist without this dialogue she fears the field is left open to antifeminist militarists Annotation copyrighted by Book News Inc Portland OR

**Gender and warfare in the twentieth century** Angela K. Smith, 2018-02-28 Gender and warfare in the twentieth century is a collection of exciting accessible and very readable essays that span the twentieth century exploring the ways in which men and women have both represented warfare and represented themselves as participants in warfare A range of contributors from different disciplines explore these representations by examining a wide variety of sources fiction film personal diaries memoirs non fiction letters oral testimonies and more The collection ranges from the trenches of the Western Front through the shell shocked inter war years the civil war in Spain and the disparate battle fronts of World War Two to the complexities of Vietnam and the late century Hollywood workings and re workings of these conflicts The focus on gendered readings provides a thread that binds these essays together to create a comprehensive and interesting picture of the legacy of twentieth century warfare at the beginning of the new millennium

**Release a Man for Combat** Michaela Hampf, 2010 Die etwa 150 000 Frauen die im Zweiten Weltkrieg im Women s Army Corps Dienst taten waren die ersten regularen Soldatinnen der US Armee Um mannliche Soldaten fur den Kampf freizusetzen arbeiteten sie auch in traditionellen Mannerbereichen etwa als Mechanikerinnen oder Pilotinnen in den USA Afrika Europa und Sudostasien Die Autorin geht den Erfahrungen dieser Frauen nach den militarischen und zivilen Diskursen uber Soldatinnen im Militar und dem Umgang der Armee mit soldatischer Weiblichkeit und weiblicher Sexualitat Anhand von Regierungsdokumenten Kriegsgerichtsprozessen aber auch Selbstzeugnissen Gedichten und Songs zeigt M Michaela Hampf wie umkampft die Konstruktion der Soldatin im Amerika der vierziger Jahre war und bis heute ist

**Citizenship Rites** Ilene Feinman, 2000 In the United States the question of women in the armed services has been continuously and hotly debated Among feminists two fundamentally differing views of women in the military have developed Feminist antimilitarists tell us that militarism and patriarchy have together pressed women into second class citizenship Meanwhile feminist soldiers and their advocates regard martial service as women s right and responsibility and the ticket to first class citizenship Citizenship Rites investigates what is at stake for women in these debates Exploring the perspectives of both feminist antimilitarists and feminist soldiers Ilene Feinman situates the current combat controversy within the context of the sea change in United States politics since the 1970s from ERA debates over drafting women to recent representations of military women such as the film GI Jane Drawing on congressional testimony

court cases feminist and antiracist political discourse and antimilitarist activism Feinman addresses our pressing need for an analysis of women s increasing inclusion in the armed forces while providing a provocative investigation of what this changing role means for women and society alike Civil-Military Relations in Taiwan Dean Karalekas,2018-09-07 This study uses the postmodern military model to measure how public perception of the military is influenced by self identification in Taiwan It unveils the schism that exists between military and society contributing to low morale and a lack of esprit de corps that puts the island s forces at risk from an increasingly confident China The Handbook of Adult and Continuing Education Tonette S. Rocco,M Cecil Smith,Robert C. Mizzi,Lisa R. Merriweather,Joshua D. Hawley,2023-07-03 Co published with Colleges and universities are increasingly becoming significant sites for adult education scholarship in large part due to demographic shifts With fewer U S high school graduates on the horizon higher education institutions will need to attract non traditional i e older adult learners to remain viable both financially and politically There is a need to develop a better corpus of scholarship on topics as diverse as what learning theories are useful for understanding adult learning How are higher education institutions changing in response to the surge of adult students What academic programs are providing better learning and employment outcomes for adults in college Adult education scholars can offer much to the policy debates taking place in higher education A main premise of this handbook is that adult and continuing education should not simply respond to rapidly changing social economic technological and political environments across the globe but should lead the way in preparing adults to become informed globally connected critical citizens who are knowledgeable skilled and open and adaptive to change and uncertainty The Handbook of Adult and Continuing Education provides rich information on the contemporary issues and trends that are of concern to adult and continuing education of the programs and resources available to adult learners and of opportunities to challenge and critique the structures embedded in the field that perpetuate inequity and social injustice Adult education is a discipline that foresees a better tomorrow and The Handbook is designed to engage and inspire readers to assist the field to seek new paths in uncertain and complex times ask questions and to help the field flourish The Handbook is divided into five sections The first Foundations situates the field by describing the developments core debates perspectives and key principles that form the basis of the field The second Understanding Adult Learning includes chapters on adult learning adult development motivation access participation and support of adult learners and mentoring Teaching Practices and Administrative Leadership the third section offers chapters on organization and administration program planning assessment and evaluation teaching perspectives andragogy and pedagogy public pedagogy and digital technologies for teaching and learning The fourth section is Formal and Informal Learning Contexts Chapters cover adult basic GED and literacy education English as a Second Language Programs family literacy prison education workforce development military education international development education health professions education continuing professional education higher education human resource development and workplace learning union and labor education

Mathers, 2006 This collection provides the first comprehensive analysis of the nature of the relationship between the military and society in post Soviet Russia It brings together a multidisciplinary group of leading Western and Russian experts to investigate both the ways in which developments in the Russian armed forces influence Russian society and the impact of broader societal change on the military sphere

**Environmentalism in Popular Culture** Noël Sturgeon, 2022-04-12 In this thoughtful and highly readable book Noël Sturgeon illustrates the myriad and insidious ways in which American popular culture depicts social inequities as natural and how our images of nature interfere with creating solutions to environmental problems that are just and fair for all Why is it she wonders that

environmentalist messages in popular culture so often naturalize themes of heroic male violence suburban nuclear family structures and U S dominance in the world And what do these patterns of thought mean for how we envision environmental solutions like green businesses recycling programs and the protection of threatened species Although there are other books that examine questions of culture and environment this is the first book to employ a global feminist environmental justice analysis to focus on how racial inequality gendered patterns of work and heteronormative ideas about the family relate to environmental questions Beginning in the late 1980s and moving to the present day Sturgeon unpacks a variety of cultural tropes including ideas about Mother Nature the purity of the natural and the allegedly close relationships of indigenous people with the natural world She investigates the persistence of the myth of the frontier and its extension to the frontier of space exploration She ponders the popularity and occasional controversy of penguins and penguin family values and questions assumptions about human warfare as natural The book is intended to provoke debates among college students and graduate students among their professors among environmental activists and among all citizens who are concerned with issues of environmental quality and social equality

**In the Crossfire of History** Lava Asaad, Fayeza Hasanat, 2022-09-16 In the global south women have and continue to resist multiple forms of structural violence The atrocities committed against Yazidi women by ISIS have been recognized internationally and the Nobel Peace Prize awarded to Nadia Murad in 2018 was a tribute to honor women whose bodies have been battered in the name of race nationality war and religion In the Crossfire of History Women's War Resistance Discourse in the Global South is an edited collection that incorporates literary works testimonies autobiographies women's resistance movements and films that add to the conversation on the resilience of women in the global south The collection focuses on Palestine Kashmir Syria Kurdistan Congo Argentina Central America Sri Lanka and Bangladesh The essays question historical accuracy and politics of representation that usually undermine women's role during conflict and they reevaluate how women participated challenged sacrificed and vehemently opposed war discourses that erase women's role in shaping resistance movements The transformative mode of these examples expands the definition of heroism and defiance To prevent these types of heroism from slipping into the abyss of history this collection brings forth and celebrates women's fortitude in conflict zones In the Crossfire of History shines a light on women across the globe who are resisting the sociopolitical and economic injustices in their nation states

**From Yeomanettes to Fighter Jets** Randy Carol Goguen, 2024-03-06 From Yeomanettes to Fighter Jets addresses a major element of twenty first century sea power the integration of women into all military units of the U S Navy Randy Goguen delineates the cultural economic and political conditions as well as the technological changes that shaped this movement over the course of a century Starting with the establishment of the Yeomen F in World War I and continuing through today to address the current arguments over the registration of women for Selective Service and the reform of the military justice system Goguen describes how changes in civilian society affected the U S Navy and the role of Navy women She highlights the contributions of key women and men

in the military and civilian spheres who were willing to challenge convention and prejudice to advance the integration of women and make the U S Navy a stronger institution Today women in the U S Navy have proven themselves essential to the mission success of the service They are forward deployed around the world sharing the same risks as their male counterparts Some have commanded logistics and combatant ships including aircraft carriers They fly and maintain combat and patrol aircraft and serve as crew members on ships and submarines Some hold major commands ashore and have risen to the highest echelons of navy leadership Integrating women into the U S Navy has been a long and often contentious process as women strived to overcome resistance imposed by prevailing cultural and institutional norms and patriarchal prejudices Goguen a retired naval reserve officer who holds a PhD in military history from Temple University has written a comprehensive and up to date history of women s integration into the Navy She argues that throughout the process the decisive force driving progress was exigency That exigency took various forms two world wars communist expansionism in the Cold War the ending of the draft and the establishment of the All Volunteer Force as well as the political pressures posed by social change especially the mid twentieth century feminist and contemporary Me Too movements Despite a deeply ingrained institutional resistance cultivated within an insular often misogynist sea going subculture today s U S Navy could not meet its mission requirements without women Goguen asserts Exigency is the mother of integration     **Terror, Culture, Politics** Daniel J. Sherman, Terry Nardin, 2006 Taking a critical look at the politics of American culture in the wake of the 2001 terrorist attacks contributors offer a multi disciplinary approach in their examination of how our existing cultural patterns have shaped our response to it     *From Where We Stand* Cynthia Cockburn, 2008-02-29 This original study examines women s activism against war in areas as far apart as Sierra Leone India Colombia and Palestine It shows women on different sides of conflicts in the former Yugoslavia and Israel addressing racism and refusing enmity and describes international networks of women opposing US and Western European militarism and the so called war on terror These movements though diverse are generating an antimilitarist feminism that challenges how war and militarism are understood both in academic studies and the mainstream anti war movement Gender particularly the form taken by masculinity in a violent sex gender system is inseparably linked to economic and ethno national factors in the perpetuation of war     Gender and Private Security in Global Politics Maya Eichler, 2015 The contributors consider how to reform and regulate private forces This feminist analysis of private militaries drawing on concerns regarding power justice and equality contains essays in four parts Beyond the Public Private Divide Feminist Analyses of Military Privatization and the Gendered State Rethinking the Private Military Contractor I Third Country Nationals and the Making of Empire and II Masculinities and Violence Private In Security Gendered Problems of Accountability Regulation and Ethics     Women and ETA Carrie Hamilton, 2007-07-15 At a time when conflicts in Europe the Middle East and elsewhere are highlighting women s roles as armed activists and combatants Women and ETA offers the first book length study of women s participation in Spain s oldest armed movement
