City Boy A Novel:

City Boy Edmund White, 2011-01-04 _____ An open throttled tour of New York City during the bad old days of the 1960s and early 70s it s all here in exacting and eye popping detail New York Times Energetic evocation of Manhattan in the Sixties and Seventies an absorbing insight into the life alongside a constellation of greats of the American literary and gay scenes Harper s Bazaar At once fascinating social history and sublimely detailed gossip John Irving _____ In the New York of the 1970s in the wake of Stonewall and in the midst of economic collapse you might find the likes of Jasper Johns and William Burroughs at the next cocktail party and you were as likely to be caught arguing Marx at the New York City Ballet as cruising for sex in the warehouses and parked trucks along the Hudson This is the New York that Edmund White portrays in *City Boy* a place of enormous intrigue and artistic tumult Combining the no holds barred confession and yearning of *A Boy s Own Story* with the easy erudition and sense of place of *The Flaneur* this is the story of White s years in 1970s New York bouncing from intellectual encounters with Susan Sontag and Harold Brodkey to erotic entanglements downtown to the burgeoning gay scene of artists and writers It s a moving candid brilliant portrait of a time and place full of encounters with famous names and cultural icons *Children's Books and Their Creators* Anita Silvey, 1995 Unique in its coverage of contemporary American children s literature this timely single volume reference covers the books our children are or should be reading now from board books to young adult novels Enriched with dozens of color illustrations and the voices of authors and illustrators themselves it is a cornucopia of delight 23 color 153 b w illustrations *The City Boy* Herman Wouk, 1956 *Theory That Matters* Kacper Bartczak, Małgorzata Myk, 2014-08-11 Covering an impressive scope of subjects in literary and cultural theory from Freud Heidegger and Barthes to Fish Rorty and Bhabha *Theory That Matters* offers a welcome up to date assessment of the state of the discipline Such a recapitulation serves as a point of departure for the examinations of the new practices across the arts and media and of the innovative interpretative tools suggested by these practices The contributors take their examples from an amazing variety of contexts and thus prove that the very dynamics of theory is a fascinating phenomenon Succeeding several recent anthologies that have cast doubt on the aims of theory the present volume launches its defence and at the same time demonstrates that this is not to be achieved at the expense of praxis The book clearly shows that theory owes its currency to its multiple functions among others as a procedure of interpretation a vehicle for philosophical reflection and a formulation of an ideological stance Marek Paryz Associate Professor Institute of English Studies University of Warsaw Editor of the Polish Journal for American Studies **A History of the Indian Novel in English** Ulka Anjaria, 2015-07-08 A History of the Indian Novel in English traces the development of the Indian novel from its beginnings in the late nineteenth century up until the present day Beginning with an extensive introduction that charts important theoretical contributions to the field this History includes extensive essays that shed light on the legacy of English in Indian writing Organized thematically these essays examine how English was made Indian by
