### **The Hymns Used at the City of London Lying-in Hospital, in the City Road, at the Baptism of Infants Born**

**There** City of London Lying-in Hospital, afterwards City of London Maternity Hospital (LONDON),1770     The Complete Book of Hymns William Petersen,Ardythe Petersen,2015-01-12 The Complete Book of Hymns brings to life the stories behind more than 600 hymns and worship songs With background on the composer the inspiration behind the lyrics scriptural references for devotional consideration and a sampling of the song lyrics this book brings forth the message of these great songs of the faith like never before     English Hymns Samuel Willoughby Duffield,1888     A Collection of Hymns for the use of the People called Methodists. The Wesleyan Methodist Hymn Book: comprising the collection by the Rev. John Wesley ... with miscellaneous hymns, suitable for occasional services. (Prepared by James Everett.) With a portrait John Wesley,1857

*The English Hymn* J. R. Watson,1997-07-10 D H Lawrence writing of the poems that had meant most to him said that they were still not woven so deep in me as the rather banal Nonconformist hymns that penetrated through and through my childhood It is not easy to account for this and most writing about hymns has not helped because it has concentrated on their content and function in worship and liturgy In the present book the author tries to account for feelings like Lawrence s by examining the hymn form and its progress through the centuries from the Reformation to the present day He begins by discussing the status of a hymn text and relates it to the demands made upon it by the needs of singing A chronological study then traces the development of the English hymn from the metrical psalms of the Reformation through the seventeenth century and Isaac Watts to the Wesleys Cowper Toplady and others and then to the great flood of hymn writing that occurred during the Victorian period together with the great success of Hymns Ancient and Modern There are chapters on American hymnody and women s hymn writing and sections on gospel hymns and the translation of German hymnody A final chapter takes the story into the twentieth century with a brief postscript on the revival of hymn writing since 1960     **The**

**This Is Our Song** Janet Wootton, 2013-01-07 Women have made an amazing creative and prolific contribution to hymnody through the centuries of Christian worship Excluded from liturgical commissions and denied other opportunities for involvement in the worship of the churches women were able to express and influence spirituality in the writing of hymns This influence spreads across the whole range of hymn writing including writing for children which was at one time seen as women's natural place but also the introduction of new voices through translations engagement in social campaigns such as temperance and the abolition of slavery mission and evangelism and the general development of worshipping life However with the exception of the nineteenth century the voices of women have been largely silenced or marginalized The Hymn Explosion of the 1960s onward almost completely ignored women's writing and there has only recently been something of a recovery There is much more to Our Song than people think This book opens up women's writing from the beginnings of Christianity through the Middle Ages the development of printing and the rise of popular hymnody to the present day Living hymn writers add their voices in a series of biographical stories which complete the overarching story of Our Song **Why**

**We Kiss Under the Mistletoe** Michael P. Foley, 2022-09-06 In *Why We Kiss Under the Mistletoe* bestselling author Michael Foley dives deep into the history of Christmas and the customs that surround this beloved holiday Learn about the fascinating origins of your favorite Christmas food drink observances and songs Discover how Saint Nicolas a fourth century Catholic bishop became Santa Clause and who Santa's global competitors are some of them will shock you And dig into the forbidden history of the Yuletide season's dark and ghoulish side **Pausanias's Description of Greece** Pausanias, 1898

*Wesley's Hymns and the Methodist Sunday-school Hymn-book*, 1893 Hymns Brian C. Castle, 1990 The theological potential of hymns has never been fully exploited This study shows how hymns communicate theology and enable those without a formal theological education to enter into theological debate A nineteenth century collection of English hymns and some contemporary Bemba hymns from the Zambian Copperbelt are examined and compared within their theological cultural and social contexts to discover their response to death judgement heaven and hell From this comparison and a study of how hymns are used in these churches a model emerges whereby hymns can be used to make and shape theology This model is observed in a Zambian parish and is also shown in practice in an English parish Finally there is a reflection on the implications of this model for Missiology and Ecclesiology showing among other things the need for a radical reassessment of the relationship between professional theologians and the rest of the Church *Hymn Studies* Methodist Episcopal Church, Charles Sumner Nutter, 1884
