Sylvain is the inside story of glam heroes the New York Dolls outrageous defiant sleaze kings transgender posers drug casualties and victims not just of their own excess but of an unsympathetic music industry that simply didn't know how to process them Sylvain one of only two surviving members of the original New York Dolls offers a fly on the wall sincere and often hilarious account of the rise and fall of the Dolls the group that flew so close to the sun that they exploded in a fireball that lit the touch paper under punk rock Though their brief sensation filled yet doomed career produced just two albums the Dolls exerted an influence on rock that changed it forever A cross between the Rolling Stones and the Sex Pistols the Dolls became the link in the chain between them offering a crash course in mischief cross dressing and anarchy but like unheralded prophets of Biblical times they were cast aside until the world finally caught up Other people turned the New York Dolls into legends We just went along for the ride
