City Of Your Final Destination:

The City of Your Final Destination Peter Cameron, 2003 This startling beautiful novel set in South America explores the mysterious concepts of love and home If The City of your Final Destination were eligible for the Man Booker Prize I would be pressing for it to be on the shortlist Salley Vickers The Times Omar has won an award to write the authorised biography of a celebrated yet obscure writer Jules Gund But first he must gain the approval of Gund s literary executors his widow his mistress and his brother Not allowing himself time for reflection Omar acts against instinct and flies to the family s dilapidated mansion in Uruguay If he cannot win their approval he will lose his award his job and perhaps his redoubtable girlfriend Once there he disturbs the uneasy intimacy of the world Gund has left behind and changes it for ever A tender story told with huge doses of wit and humour about both destinations and destiny Lucia Graves Daily Telegraph This is one to relish for its subtle dialogue evocation of a languid dreamy place and the sly submerged comedy of random events Tamsin Dean Sunday Telegraph A joy to read Ross Gilfillan Daily Mail [The City of Your Final Destination](#) Ruth Prawer Jhabvala, 2004 [Airline Operations & Management](#) Mr. Rohit Manglik, 2023-12-23 In this book we will study about airline structure scheduling safety and customer service in air transport [Aviation Management](#) Subodh Jain, 2025-01-03 Aviation Management The Business of Flying provides an insightful introduction to the world of aviation management We explore the fascinating history of flight from ancient Chinese kite flying to Leonardo Da Vinci s studies on bird flight principles during the Renaissance This book covers the essential activities involved in aviation management such as planning designing operating and maintaining aircraft and airports Designed for beginners it offers a comprehensive overview of how airports and airlines are managed globally We aim to equip aspiring aviation managers and enthusiasts with the knowledge they need to succeed in the aviation industry The book includes detailed explanations of advanced avionics equipment used in modern aircraft making it a valuable resource for all general aviation users *Merchant-Ivory* Ismail Merchant, 2012-04-09 Merchant Ivory Interviews gathers together for the first time interviews made over the past five decades with director James Ivory b 1928 producer Ismail Merchant 1936 2005 and screenwriter Ruth Prawer Jhabvala b 1927 Beginning with their earliest work in India and ending with James Ivory s last film The City of Your Final Destination 2009 the book traces their career while offering valuable insights into their creative filmmaking process The volume serves as a corrective to the prevailing critical orthodoxy attached to Merchant Ivory s work which tends to regard them as being solely concerned with historically accurate costumes and settings As independent filmmakers they have developed an idiosyncratic approach that resists facile classification Merchant Ivory have insisted on maintaining their independence More importantly this book shows how Merchant Ivory have always taken considerable care in casting their films as well as treating actors with respect This is a deliberate policy designed to bring out one of the triumvirate s principal thematic concerns running throughout their work the impact of the clash of cultures on individuals Partly this has been inspired by their collective experiences of living and

working in different cultures They do not offer any answers to this issue rather they believe that their task is simply to raise awareness to make filmgoers conscious of the importance of cultural sensitivities that assume paramount significance in any exchange whether verbal or nonverbal
