Lane, 1978-10-22 The United States Steel Corporation founded Gary in 1906 as an experiment in industrial urban planning and the inscription on the city's official seal accordingly proclaims it the City of the Century Gary proved to be no more immune to the woes of industrialization than any other American city however To some in fact it has come to epitomize all that is wrong with contemporary urban life But as this book clearly shows the people of Gary have refused to surrender their sense of hope their dignity and their pride to the prophesiers of doom At once scholarly and colorful City of the Century is an outgrowth of urban historian James B Lane's popular weekly columns for the Gary Post Tribune Lane uses the oral testimony of the people of Gary to tell a fascinating

story There are episodes of personal tragedy and heroism here of frustrated dreams and tarnished reputations and of challenges met and obstacles overcome *Parish Ministry Stories* Lorne K. Freake, Lorne K. Freake (Ph D. ), 2012-06 Endorsed by both clergy and lay persons this book tells it like it is in parish life Little has been left unsaid as Dr Freake details a series of Life's Lessons Learned at the end of every parish ministry story This book is not only entertaining but also educational It will be an asset to anyone's library especially for pastors and parishioners *The Urban Church Imagined* Jessica M. Barron, Rhys H. Williams, 2017-11-28 Explores the role of race and consumer culture in attracting urban congregants to an evangelical church The Urban Church Imagined illuminates the dynamics surrounding white urban evangelical congregations approaches to organizational vitality and diversifying membership Many evangelical churches are moving to urban downtown areas to build their congregations and attract younger millennial members The urban environment fosters two expectations First a deep familiarity and reverence for popular consumer culture and second the presence of racial diversity Church leaders use these ideas when they imagine what a city church should look like but they must balance that with what it actually takes to make this happen In part racial diversity is seen as key to urban churches presenting themselves as in touch and authentic Yet in an effort to seduce religious consumers church leaders often and inadvertently end up reproducing racial and economic inequality an unexpected contradiction to their goal of inclusivity Drawing on several years of research Jessica M Barron and Rhys H Williams explore the cultural contours of one such church in downtown Chicago They show that church leaders and congregants understandings of the connections between race consumer culture and the city is a motivating factor for many members who value interracial interactions as a part of their worship experience But these explorations often unintentionally exclude members along racial and classed lines Indeed religious organizations efforts to engage urban environments and foster integrated congregations produce complex and dynamic relationships between their racially diverse memberships and the cultivation of a safe haven in which white middle class leaders can feel as though they are being a positive force in the fight for religious vitality and racial diversity The book adds to the growing constellation of studies on urban religious organizations as well as emerging scholarship on intersectionality and congregational characteristics in American religious life In so doing it offers important insights into racially diverse congregations in urban areas a growing trend among evangelical churches This work is an important case study on the challenges faced by modern churches and urban institutions in general **Criswell** O. S. Hawkins, 2024-04-02 When the name W A Criswell is read or heard certain thoughts come to mind Many likely remember him as a president of the Southern Baptist Convention or the founder of the Criswell College in Dallas Texas or the senior pastor for five decades of one of the largest Baptist churches in America or even one of the key figures during the Conservative Resurgence All of these are acknowledgments of the importance of the life of Criswell but these do not necessarily capture who he was as a man as a husband as a father as a friend and mentor O S Hawkins was closely mentored by Criswell and was his pastoral successor In

Criswell His Life and Times Hawkins takes on the task of capturing the life of one of the most important figures in modern Baptist history He discusses his humble upbringing the dedication of his parents to ensure he received a proper education his early years as a pastor and how his love for the church influenced those around him over the course of his life It is a biography that is both admiring and honest and written with the knowledge of someone who could only know Criswell as a friend and a mentor The Epworth Herald ,1898 **The Homiletic of All Believers** O. Wesley Allen, Jr.,2005-01-01 Preaching says professor and author O Wesley Allen Jr should be considered as a form of conversation The church after all is a community of conversation that exists in part to interpret God s purposes for the world and to participate in those purposes The idea of the sermon as a conversation then is not simply a style or form of preaching but an integral expression of the nature and purpose of the church **Public Worship and Public Work** Christian Batalden Scharen,2004 Description In a time of increasing cultural pluralism and vast religious restructuring in the United States Christian social ethics must take account of how values and commitments shape Christian communities In Public Worship and Public Work Christian Scharen examines theological claims about the relationship of worship and ethics by means of ethnographic study of the life worship and work of three vibrant congregations Public Worship and Public Work moves beyond two caricatures of the relationship between worship and social ethics Rather than resolute portrayals of the Church as a reflection of its culture and context and causal accounts of the Church s liturgy forming a Christian witness over and against culture this book lifts up congregational identity as an area of dynamic interaction between worship social ethics and culture Chapters in Part One are Liturgy and Social Ethics Characterizing a Debate and Sociologizing the Debate Identity Ritual and Public Commitment Chapters in Part Two Three Case Studies in Atlanta s Old Downtown are People Living Church The Catholic Shrine of the Immaculate Conception Jesus Saves Big Bethel African Methodist Episcopal Church and The Church at Work Central Presbyterian Church Part Three concludes with The World in the Church in the World **I Will Tell You the Mystery** Ronald J. Allen,2019-08-08 The book is a commentary on preaching from the book of Revelation Working through the book of Revelation verse by verse the commentary seeks to help the preacher recognize what the book with its apocalyptic theology invited people in antiquity to believe and do The book of Revelation communicates through a series of word pictures Allen explains each word picture in light of its ancient setting The commentary brings the viewpoint of the book of Revelation into conversation through mutual critical correlation with contemporary theology especially process thought The work aims to help the preacher to help the congregation identify what they can genuinely believe and confidently do Believing that the best preaching arises from the local context the volume does not include full sermons but rather seeks to raise issues and questions that might be thought provoking *Be It Remembered* Lisa Klein,2003 Published by Trinity Episcopal Church in cooperation with Orange Frazer Press T p verso **Chasing after Wind** Douglas J. Brouwer,2022-03-01 One pastor s journey from idealism through disillusionment to an acceptance of grace After forty years as a Presbyterian pastor Douglas

Brouwer wondered if he had spent his life as the author of Ecclesiastes laments chasing after wind What did all the hard work on evenings and weekends and holidays away from his family amount to What was there to make of the long string of petty conflicts and the overwhelming feeling of disillusionment And in the current age of shrinking mainline churches what could he point to as the end result of his decades in ministry Chasing after Wind will resonate with pastors everywhere who went into ministry to do lifechanging work for God and ended up spending most of their time managing the parking situation outside the church fielding parishioner complaints about the color of the sanctuary carpet or in Brouwer s case the color of his shoes and endlessly fundraising for mission projects and building maintenance In telling his story Brouwer comes to recognize that the most meaningful parts of his career the holy bits as he calls them were in unexpected moments where everything was stripped away but the mysterious work of God Recounting these times of curious joy and shared mourning he demonstrates how a pastor can find grace and peace in looking back on a life in ministry **Love Walks on Wounded Feet**

Bruce L. Taylor, 2022-06-08 In this new volume of sermons for the Common Lectionary Revised experienced preacher and pastor Bruce L Taylor offers more theologically rich sacramentally sensitive and biblically centered proclamations for the Sundays and major feast days from Advent through Eastertide As in his earlier sermon collections readers will find in this first installment in a new series for the lectionary cycle a strong testimony to Christian unity and a deep appreciation of the heritage and contemporary relevance of the church as well as the importance of individual discipleship and commitment to prophetic servanthood The collection includes examples of poignant story sermons which demonstrate how this style of preaching can be profound as well as engaging Preachers teachers of homiletics and practical theology and devotional readers alike will find Love Walks on Wounded Feet to be a trustworthy and welcome companion for the Christian journey Along the way they will discover the treasures of the liturgical year and faithfully explore Matthew s Gospel and the accompanying Scripture passages commended for use in Christian worship during Year A of the lectionary cycle *Pacific Christian Advocate* , 1899 *The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Vol. 7*

Hughes Oliphant Old, 2010 The Reading and Preaching of the Scriptures in the Worship of the Christian Church is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times In Volume 1 The Biblical Period Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel He then examines the preaching of Christ and the Apostles Finally Old looks at the development and practice of Christian preaching in the second and third centuries concluding with the ministry of Origen

Melissa M. Matthes, 2021-04-13 Since World War II Protestant sermons have been an influential tool for defining American citizenship in the wake of national crises In the aftermath of national tragedies Americans often turn to churches for solace Because even secular citizens attend these services they are also significant opportunities for the Protestant religious

majority to define and redefine national identity and in the process to invest the nation state with divinity The sermons delivered in the wake of crises become integral to historical and communal memory it matters greatly who is mourned and who is overlooked Melissa M Matthes conceives of these sermons as theo political texts In *When Sorrow Comes* she explores the continuities and discontinuities they reveal in the balance of state power and divine authority following the bombing of Pearl Harbor the assassinations of JFK and MLK the Rodney King verdict the Oklahoma City bombing the September 11 attacks the Newtown shootings and the Black Lives Matter movement She argues that Protestant preachers use these moments to address questions about Christianity and citizenship and about the responsibilities of the Church and the State to respond to a national crisis She also shows how post crisis sermons have codified whiteness in ritual narratives of American history excluding others from the collective account These civic liturgies therefore illustrate the evolution of modern American politics and society Despite perceptions of the decline of religious authority in the twentieth century the pulpit retains power after national tragedies Sermons preached in such intense times of mourning and reckoning serve as a form of civic education with consequences for how Americans understand who belongs to the nation and how to imagine its future
