**Civil Disobedience and Beyond** Charles Villa-Vicencio, 1990 Scope of protest in South Africa during apartheid years role of church in dealing with government Religion and Politics in South Africa Abdulkader Tayob, Wolfram Weisse,

**Religion and Conflict Resolution** Megan Shore, 2016-04-08 This book examines the ambiguous role that Christianity played in South Africa's Truth and Reconciliation Commission TRC. It has two objectives: to analyse the role Christianity played in the TRC and to highlight certain consequences that may be instructive to future international conflict resolution processes. Religion and conflict resolution is an area of significant importance. Ongoing conflicts involving Palestinians and Israelis, Muslims and Hindus, and even radical Islamic jihadists and Western countries have heightened the awareness of the potential power of religion to fuel conflict. Yet these religious traditions also promote peace and respect for others as key components in doing justice. Examining the potential role religion can play in generating peace and justice specifically Christianity in South Africa's TRC is of utmost importance as religiously inspired violence continues to occur. This book highlights the importance of accounting for religion in international conflict resolution. The Ashgate Research Companion to Religion and Conflict Resolution Lee Marsden, 2016-03-23 A comprehensive overview of the latest research in religion and conflict resolution, this collection of twenty-three essays brings together leading scholars in the field examining the contribution religious actors have made and are making towards peace and resolving. The Ashgate Research Companion to Religion and Conflict Resolution is primarily aimed at readerships with special interest in conflict resolution, international security, and religion and international relations, and will also serve as a valuable resource for policy makers and conflict resolution practitioners. The collection comprises five thematic sections, each with chapters on vital and mainly contemporary topics in the field of religion and conflict resolution. The principal themes include **Christian Faith and Violence 1**, 2019-12-30 Volumes 10 and 11 of Studies in Reformed Theology consist of the texts written for the fifth international conference of the International Reformed Theological Institute (IRTI) which was dedicated to the theme Christian Faith and Violence. Specific theological questions were at the core of the discussions, e.g. what does violence imply for the doctrine of God? How to deal with biblical stories and commands that often contain an overwhelmingly violent character? What about applying Christian ethics in situations of violence that we are exposed to? What is our calling in situations of oppression and a longing for liberation and justice? **Living Faiths in South Africa** Martin Prozesky, John W. De Gruchy, 1995 Written by scholars with a specialist knowledge of their fields, this volume explores the diversity of South Africa's faiths. It covers such subjects as African traditional religions, Christianity, Islam, the Jewish community, and Hinduism, amongst others. **Religious Transnationalism and Climate Change** Samadia Sadouni, 2022-09-16 This book examines the role of religious actors in the field of climate change and especially in the international mobilization and negotiations to address the issue. It analyzes the mode of action and their discourses on multilateral platforms such as the United Nations Framework Convention on Climate

Change UNFCCC The international Climate Change Framework Convention is primarily a process that can best be understood by analyzing the various steps taken by the international community and specifically by different religious groupings here in the project manuscript mainly Christians but also Muslims and Buddhists in raising environmental consciousness through their programs The interfaith dimension also plays a major role and needs to be studied in terms of the international realm of international liberal theories based on reciprocity interdependence and cooperation but also within the framework of Sustainable Development Goals *The Blackwell Companion to Sociology of Religion* Richard K.

Fenn,2008-04-15 The Blackwell Companion to Sociology of Religion is presented in three comprehensive parts Written by a range of outstanding academics the volume explores the current status of the sociology of religion and how it might look in future Explores the current status of the sociology of religion and how it might look at the beginning of the next millennium Traces the boundaries between sociology and other closely related disciplines such as theology and social anthropology Edited by one of the best known and most widely respected sociologists of religion Accessibly presented in three comprehensive parts *A Theology of Reconstruction* Charles Villa-Vicencio,1992-08-20 Behold a new thing **Civil**

**Disobedience** María José Falcón y Tella,2004-01-01 This volume seeks to disentangle the limits and possibilities of the tradition of civil disobedience in what circumstances is it right or perhaps necessary to say no The jurisprudential and philosophical literature discussed here is truly enormous and provides a complex and reliable overview of the main problems

*Nonviolent Action* Ronald M. McCarthy, Gene Sharp, Brad Bennett, 2013-07-04 This comprehensive guide to research sources and theories about nonviolent action as a technique of struggle in social and political conflicts discusses the methods and techniques used by groups in various encounters Although violence and its causes have received a great deal of attention nonviolent action has not received its due as an international phenomenon with a long history An introduction that explains the theories and research used in the study provides a practical guide to this essential bibliography of English language sources The first part of the book covers case study materials divided by region and subdivided by country Within each country materials are arranged chronologically and topically The second major part examines the methods and theory of nonviolent action principled nonviolence and several closely related areas in social science such as conflict analysis and social movements The book is indexed by author and subject **The Challenge of Sustaining Emergent Democracies**

Joseph Osei,2009-07-24 The recent political crises in Kenya Zimbabwe and Georgia should alert all to the fact that the emergent democracies that mushroomed all over Africa and Eastern Europe at the end of the last century cannot be taken for granted They face multiple obstacles including political manipulation poverty dependency racism ethnicism religious extremism short sighted nationalism fraud and corruption of all types Are these democracies sustainable Were the skeptics right Are the obstacles due to internal or external factors or both Could democracy itself with its emphasis on freedom and self determination cause ethnic conflicts This book does not only identify and analyze the main obstacles but also argues that

they can be overcome with thoughtful strategies. These include identifying the inherent strengths and weaknesses of democracy, contextualizing some democratic ideals and practices for developing economies, minimizing dependences, making religion an ally for fighting fraud, corruption, and for promoting peace and social transformation, and adopting a pro democracy and pro development philosophy of education. Rev Dr Joseph Osei is Professor of Philosophy at Fayetteville State University, NC. His PhD in Philosophy is from The Ohio State University (1991), the MA is from Ohio University (1986), and the BA in Philosophy/Religion is from The University of Ghana (1981). Osei is also a graduate of Trinity Theological Seminary, Legon, and an ordained minister of The Methodist Church, Ghana. He was born at Kokofu, Ashanti, Ghana, in 1951 and is married to Victoria Osei. They have five kids: Lucy, Gina, Suzie, Miriam, and Emmanuel.

**An Ambazonian Liberation Theology?** Daniel J. Pratt, Morris-Chapman, 2022-12-31. The last 6 years have witnessed a period of considerable unrest in Cameroon. In 2016, protests within the minority Anglophone regions against the obligatory use of French in courtrooms and schools were violently suppressed. This combined with decades of marginalisation by successive Francophone governments led to calls for secession, the creation of an independent nation of Ambazonia. This book offers a theological reflection on this escalating crisis, examining whether nationalism might be considered a tool of liberation in this particular African context.

**Sheena Duncan** Annemarie Hendrikz, 2015-01-05. The biography of Sheena Duncan is an account of the life of a notable woman, one which reveals the extent of her influence in the quest for justice and peace in South Africa. Its range and depth depict Sheena Duncan's work over four decades in the church, including the South African Council of Churches, and in civil society organisations such as the Black Sash. Her public life is balanced by her personal story as daughter, wife, mother, and friend. Her respect and compassion for others, her faith, her intelligence, and her honesty and integrity underpin her opposition to the cruelty of the pass laws and other unjust measures.

**The Dialectics of Transformation in Africa** E. Bongmba, 2006-03-15. A discussion of political and religious crisis in Africa, this book covers such topics as democratic transition, good governance, civil society, and the African renaissance. Elias K. Bongmba proposes humanistic interventions centred on the recovery of interpersonal relations and seeks to understand the ongoing struggles in Africa.

**Encyclopedia of Crime and Punishment** David Levinson, 2002. Authoritative and comprehensive, this multivolume set includes hundreds of articles in the field of criminal justice. Impressive arrays of authors have contributed to this resource, addressing such diverse topics as racial profiling, money laundering, torture, prisoner literature, the KGB, and Sing Sing. Written in an accessible manner and attractively presented, the background discussions, definitions, and explanations of important issues and future trends are absorbing. Interesting sidebars and facts, reference lists, relevant court cases, tables, and black and white photographs supplement the entries. Appendixes cover careers in criminal justice, Web resources, and professional organizations. A lengthy bibliography lists relevant works.
