# Civil War Generals Of The Confederacy

**Robert W. Lull**

## **Civil War Generals Of The Confederacy:**

**Military Records of General Officers of the Confederate States of America** ,2004-02 Originally published in 1898 with 108 portraits and biographies of the Commander in Chief Generals Lieutenant Generals and Major Generals of the Confederate States of America arranged in order of their rank with their military records in the Confederate Army and previous records in the United States Army In most cases and indeed wherever possible the portrait is one taken during the war and shows the man as he was known to his own soldiers and contemporaries *Civil War Generals of the Confederacy* James P. Reger,1999 Focuses on the military careers of influential generals of the Confederacy during the Civil War

**Confederate Generals in the Western Theater: Classic essays on America's Civil War** Lawrence L. Hewitt,Arthur W. Bergeron,2010 Confederate Generals in the Western Theater ultimately comprise several volumes that promise a host of provocative new insights into not only the South's ill fated campaigns in the West but also the eventual outcome of the larger conflict Book Jacket **Civil War Generals of Tennessee** Bishop, Randy,2013-11-05 Native Tennessee generals about forty Confederate and six Union are profiled here with brief biographies Forrest Polk Stewart and many more are discussed with regard to their childhoods prewar vocations participation in battles around the country and life after the war if they survived *Civil War Generals: Portraits and Profiles* Pasquale De Marco,2025-04-20 In Civil War Generals Portraits and Profiles we delve into the lesser known aspects of this pivotal conflict shedding light on the strategies tactics and experiences that shaped its outcome Explore the minds of brilliant military leaders like Ulysses S Grant Robert E Lee Stonewall Jackson William Tecumseh Sherman and George McClellan unraveling their motivations decision making and impact on the course of the war Journey through iconic battles such as Gettysburg Antietam Shiloh Vicksburg and Atlanta analyzing their strategic significance technological advancements and the human cost inflicted on both sides Witness the evolution of warfare with the introduction of new technologies like the Minie ball the Gatling gun ironclad warships and telegraphs Uncover the experiences of ordinary soldiers revealing their motivations challenges and sacrifices From the brutality of combat to the horrors of disease and the complexities of camp life we gain a deeper understanding of the human face of war Examine the war's profound impact on American society politics and economics Witness the abolition of slavery the emancipation of millions of African Americans and the rise of industrialization Explore the legacy of the war including the Lost Cause myth the Reconstruction Era and its enduring influence on American culture and identity Civil War Generals Portraits and Profiles is an essential companion for anyone seeking a deeper understanding of the American Civil War Through engaging narratives expert analysis and captivating visuals this book offers a fresh perspective on one of the most transformative events in U S history If you like this book write a review on google books **The Confederate Soldier in the Civil War, 1861-1865** Ben La Bree,1897 **Medical Histories of Confederate Generals** Jack D. Welsh,1995 This is a compilation of the medical histories of 425 Confederate generals It does not analyze the effects of an individual's medical problems on a battle or the

war but provides information about factors that may have contributed to the wound injury or illness and the outcome The Civil War Generals Robert I. Girardi, 2013-11-15 An excellent contribution to Civil War literature A n excellent reference resource Civil War buffs in particular will greatly enjoy this book ArmchairGeneral.com The Civil War Generals offers an unvarnished and largely unknown window into what military generals wrote and said about each other during the Civil War era Drawing on more than 170 sources including the letters diaries and memoirs of the general officers of the Union and Confederate armies as well as their staff officers and other prominent figures Civil War historian Robert Girardi has compiled a valuable record of who these generals were and how they were perceived by their peers The quotations within paint revealing pictures of the private subjects at hand and just as often the people writing about them a fascinating look at the many diverse personalities of Civil War leadership More than just a collection of quotations The Civil War Generals is also a valuable research tool moving beyond the best known figures to provide contemporary character descriptions of more than four hundred Civil War generals The quotes range in nature from praise to indictment and differing opinions of each individual give a balanced view making the book both entertaining and informative A truly one of a kind compilation illustrated with approximately one hundred historical photographs The Civil War Generals will find a home not only with the casual reader and history buff but also with the serious historian and researcher

**Confederate Generals in the Western Theater: Essays on America's Civil War** Lawrence L. Hewitt, Arthur W. Bergeron, 2010 Confederate Generals in the Western Theater ultimately comprise several volumes that promise a host of provocative new insights into not only the South's ill fated campaigns in the West but also the eventual outcome of the larger conflict Book Jacket The Confederate General's of America's Civil War Mike Rothmiller, 2017-09-09 This book has been nominated for the prestigious Pulitzer Prize in American history This book is the author's protest against the removal of confederate statues and monuments The author wants you to join his fight to preserve the history of the confederacy and he plans to donate a significant portion of the proceeds from this book to legitimate organizations diligently working to maintain America's history By purchasing this book you'll demonstrate your support for keeping the history of the Confederate States of America alive In the forward of the book the author eviscerates the woefully ignorant individuals and the despicable pandering politicians demanding the removal of confederate monuments which in effect is akin to stealing knowledge from future generations of African Americans Their actions equate to racism Many people have commented they would have purchased the book simply for the forward and dedication The book contains over 400 photographic portraits of the courageous generals of the Confederacy The Civil War was a tragic and bloody rebellion in American history claiming the lives of nearly 700 000 soldiers fighting for the Union and The Confederate States of America Most historians agree the Confederate soldiers were considered Americans during the war and are deemed Americans today Many of the Confederate Generals in this book fought for America in the Mexican War before resigning their commissions to serve heroically in the Confederate States of America military In the eyes of millions of

Southerners and Northerners these men were true patriots of the South No one can deny they are an integral part of America history and they must be remembered After the civil war the surviving Confederate Generals quickly reconciled with the Union and supported it Many of these Generals later served in the United States Senate the United States Congress and as Governors of states Never forget as surely as Union Generals viewed themselves as patriots the Generals of the South considered themselves patriots All served all sacrificed All carried visible and internal wounds for life and all bled in some fashion Those are the perils of war and all who served deserve respect and their place in history It s been said a picture is worth a thousand words Each image in this book speaks countess words I have fought against the people of the North because I believed they were seeking to wrest from the South its dearest rights But I have never cherished toward them bitter or vindictive feelings and I have never seen the day when I did not pray for them Robert E Lee     Confederate Generals in the Western Theater, Vol. 3 Lawrence L. Hewitt, Arthur W. Bergeron, 2011-05-30 font face font family Times New Roman p MsoNormal li MsoNormal div MsoNormal margin 0in 0in 0 0001pt line height 200% font size 12pt font family Times table MsoNormalTable font size 10pt font family Times New Roman div Section1 page Section1 The American Civil War was won and lost on its western battlefields but accounts of triumphant Union generals such as Grant and Sherman leave half of the story untold In the third volume of Confederate Generals in the Western Theater editors Lawrence Hewitt and Arthur Bergeron bring together ten more never before published essays filled with new penetrating insights into the key question of why the Rebel high command in the West could not match the performance of Robert E Lee in the East Showcasing the work of such gifted historians as Wiley Sword Timothy B Smith Rory T Cornish and M Jane Johansson this book is a compelling addition to an ongoing collective portrait of generals who occasionally displayed brilliance but were more often handicapped by both geography and their own shortcomings While the vast varied terrain of the Western Theater slowed communications and troop transfers and led to the creation of too many military departments that hampered cooperation among commands even more damaging were the personal qualities of many of the generals All too frequently incompetence egotism and insubordination were the rule rather than the exception Some of these men were undone by alcoholism and womanizing others by politics and nepotism A few outlived their usefulness others were killed before they could demonstrate their potential Together they destroyed what chance the Confederacy had of winning its independence Whether adding fresh fuel to the debate over the respective roles of Albert Sidney Johnston and P G T Beauregard at Shiloh or bringing to light such lesser known figures as Joseph Finegan and Hiram Bronson Granbury this volume like the ones preceding it is an exemplary contribution to Civil War scholarship Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University A recipient of SLU s President s Award for Excellence in Research and the Charles L Dufour Award for outstanding achievements in preserving the heritage of the American Civil War he is a former managing editor of North South His publications include Port Hudson Confederate Bastion on the Mississippi The late Arthur W Bergeron Jr was a

reference historian with the United States Army Military History Institute and a past president of the Louisiana Historical Association Among his earlier books were *Confederate Mobile* and *A Thrilling Narrative The Memoir of a Southern Unionist*

Civil War Generals in Defeat Steven E. Woodworth,1999 Contains seven case studies evaluating Confederate and Union generals who might be considered capable failures officers of high pre war reputation some with distinguished records in the Civil War Explores the various reasons these men suffered defeat such as flaws of character errors of judgment lack of preparation or circumstances beyond their control Annotation copyrighted by Book News Inc Portland OR **The**

**Encyclopedia of Confederate Generals** Samuel W. Mitcham,2022-05-24 A renown military historian and frequent television commenter brings to life the generalship of the South during the Civil War in sparkling information filled vignettes For both the Civil War completist and the general reader Anyone acquainted with the American Civil War will readily recognize the names of the Confederacy s most prominent generals Robert E Lee Stonewall Jackson James Longstreet These men have long been lionized as fearless commanders and genius tacticians Yet few have heard of the hundreds of generals who led under and alongside them Men whose battlefield resolve spurred the Confederacy through four years of the bloodiest combat Americans have ever faced In *The Encyclopedia of Confederate Generals* veteran Civil War historian Samuel W Mitcham documents the lives of every Confederate general from birth to death highlighting their unique contributions to the battlefield and bringing their personal triumphs and tragedies to life Packed with photos and historical briefings *The Encyclopedia of Confederate Generals* belongs on the shelf of every Civil War historian and preserves in words the legacies once carved in stone *Confederate Generals in the Trans-Mississippi, Vol 1* Lawrence L. Hewitt,Arthur W.

Bergeron,Thomas E. Schott,2013-04-30 Until relatively recently conventional wisdom held that the Trans Mississippi Theater was a backwater of the American Civil War Scholarship in recent decades has corrected this oversight and a growing number of historians agree that the events west of the Mississippi River proved integral to the outcome of the war Nevertheless generals in the Trans Mississippi have received little attention compared to their eastern counterparts and many remain mere footnotes to Civil War history This welcome volume features cutting edge analyses of eight Southern generals in this most neglected theater Thomas Hindman Theophilus Holmes Edmund Kirby Smith Mosby Monroe Parsons John Marmaduke Thomas James Churchill Thomas Green and Joseph Orville Shelby providing an enlightening new perspective on the Confederate high command Although the Trans Mississippi has long been considered a dumping ground for failed generals from other regions the essays presented here demolish that myth showing instead that with a few notable exceptions Confederate commanders west of the Mississippi were homegrown not imported and compared well with their more celebrated peers elsewhere With its virtually nonexistent infrastructure wildly unpredictable weather and few opportunities for scavenging the Trans Mississippi proved a challenge for commanders on both sides of the conflict As the contributors to this volume demonstrate only the most creative minds could operate successfully in such an unforgiving environment While

some of these generals have been the subjects of larger studies others including Generals Holmes Parsons and Churchill receive their first serious scholarly attention in these pages Clearly demonstrating the independence of the Trans Mississippi and the nuances of the military struggle there while placing both the generals and the theater in the wider scope of the war these eight essays offer valuable new insight into Confederate military leadership and the ever vexing questions of how and why the South lost this most defining of American conflicts The Warrior Generals Thomas B. Buell,1997 A master historian gives readers a fresh new picture of the Civil War as it really was Buell examines three pairs of commanders from the North and South who met each other in battle Following each pair through the entire war the author reveals the human dimensions of the drama and brings the battles to life 38 b w photos The Library of Congress Civil War Desk Reference Margaret E. Wagner,Gary W. Gallagher,Paul Finkelman,2009-11-24 History **Civil War General and Indian Fighter** **James M. Williams** Robert W. Lull,2013 This biography follows the military career of General James Monroe Williams which spanned both the Civil War and the Indian Wars in the West *Confederate Generals in the Trans-Mississippi, Vol 3* Thomas E. Schott,Lawrence Lee Hewitt,2024-01-12 Far removed from the main centers of commerce and population and thus remote from the priorities of Confederate political leaders in the East the Trans Mississippi Theater experienced a different sort of war during America s great fratricidal conflict of 1861 1865 Not only was its distance from Richmond a distinguishing factor but it was also a theater where the Union army and navy gained a foothold far sooner than elsewhere in the South first in Missouri and then in Louisiana and the Mississippi River Valley Confederate generals were tasked with ousting not merely halting an enemy closing from two directions guerrilla warfare was more often the norm than the exception and the shortage of men and materiel was a constant problem The third volume of *Confederate Generals in the Trans Mississippi* offers eight new essays on generals engaged in the effort to secure a region whose unique challenges would have daunted the best of commanders Included here are Joseph G Dawson III on Earl Van Dorn s efforts to bring order to the chaos of the Trans Mississippi District and how his experiences affected his battlefield performance in 1862 Jeffery M Prushankin on the administrative nightmares facing Edmund Kirby Smith when he assumed responsibility for the region in 1863 and Richard Holloway on the formidable army commander Richard Taylor and the all but forgotten effort to move Confederate troops east of the Mississippi in 1864 Essays on Hamilton Prioleau Bee James Fleming Fagan William Robertson Boggs Tom Green and Austin Wharton round out the collection Like its predecessors this new volume brings splendid research and a wealth of new insight and analysis to bear on an aspect of the Civil War whose historical significance has too long been overshadowed by the events farther east Every Day of the Civil War Bud Hannings,2025-10-01 From the early seizure of government property during the latter part of 1860 to the final Confederate surrender in 1865 this book provides a day to day account of the U S Civil War Although the book provides a daily chronicle of the combat it is written in narrative form to give readers some continuity as they move from skirmish to skirmish During the course of the saga the book also chronicles the life spans

of more than 600 Union and Confederate vessels documenting when possible the time of each vessel's acquisition, commissioning, major engagements, and decommissioning. Seven appendices provide lists of prominent Union and Confederate officers, primary naval actions, and Medal of Honor recipients from 1863 to 1865.     The Memoirs of the Civil War Commanders Raphael Semmes, Abraham Lincoln, Jefferson Davis, William Sherman, Ulysses Grant, 2023-12-10

The Memoirs of the Civil War Commanders is a rich tapestry of personal narratives that captures the tumultuous period of the American Civil War through diverse perspectives. The anthology weaves together a range of literary styles from the reflective and introspective to the commanding and strategic, providing a multifaceted view of one of history's most pivotal conflicts. The collection holds a dynamic tension between the deeply human experiences of the war and the broader socio-political reverberations it caused, featuring standout accounts that highlight not only the battles fought on the field but also the ideological struggles that defined the era. The authors contributing to this volume, such as Raphael Semmes, Abraham Lincoln, Jefferson Davis, William Sherman, and Ulysses Grant, were seminal figures whose lives were intricately tied to the Civil War's progression and outcome. These narratives reveal the authors' profound engagement with the principles and ideals they fought for, offering invaluable insights into both Union and Confederate viewpoints. The anthology pays homage to the diverse voices galvanized by the war, aligning with the historical momentum that emphasized reconstruction, reconciliation, and understanding. Readers seeking to immerse themselves in the Civil War are invited to explore this collection for its historical significance and the opportunity to engage with a compendium of firsthand experiences. The anthology not only serves as an educational cornerstone but also as a catalyst for dialogue across perspectives. It uniquely captures a moment of intense division and eventual unity, encouraging readers to reflect on the legacy of the Civil War through the voices of those who lived it.

Thank you very much for downloading **Civil War Generals Of The Confederacy**. Maybe you have knowledge that, people have look numerous times for their favorite books afterward this Civil War Generals Of The Confederacy, but stop going on in harmful downloads.

Rather than enjoying a good PDF gone a mug of coffee in the afternoon, on the other hand they juggled later some harmful virus inside their computer. **Civil War Generals Of The Confederacy** is manageable in our digital library an online admission to it is set as public thus you can download it instantly. Our digital library saves in multiple countries, allowing you to acquire the most less latency times to download any of our books behind this one.
