AN ANTHOLOGY

EDITED BY PAUL NEGRI

# Civil War Poetry An Anthology

**William Gilmore Simms**

## **Civil War Poetry An Anthology:**

**Civil War Poetry** Paul Negri, 2012-06-07 A superb selection of poems from both sides of the American Civil War features more than 75 inspired works by Melville Emerson Longfellow Whittier Whitman and many others **"Words for the Hour"** Faith Barrett, Cristanne Miller, 2005 Recaptures the astonishing outpouring of poetry in response to the Civil War Words for the Hour presents a readable and illuminating account of the Civil War told through the words of poets North and South From bathos to profound philosophical meditation and sorrow the range of these poems illuminates the complexity of their era while also revealing the continuing power of this turning point in American history to speak to readers in the present day The volume is divided into three parts each offering a different perspective on the poetry generated by the war Part I samples the extraordinary range of poems written immediately preceding and during the war and published in popular periodicals providing a kind of poetic newspaper account as one might have read it then from the early days of optimistically heralded victory on both sides through the mounting casualties and brutal deaths of the long middle years to the war's conclusion and President Lincoln's assassination Viewing the struggle from many different vantage points gives the reader access to the ways that people from various backgrounds experienced the trajectory of the war Civilians and soldiers free blacks and proponents of slavery women and men from Massachusetts and Virginia and from recently admitted states and barely developed territories writers with their eyes on the national political stage and those focused on personal domestic issues these are the multiple voices of America responding to the war Part II includes substantial selections of poems by writers who published extensively in response to the conflict providing more complex and comprehensive perceptions of the war These poets include not just well known figures such as Walt Whitman Herman Melville and John Greenleaf Whittier but also African American poets George Moses Horton and Frances Ellen Watkins Harper and Southern poets Henry Timrod and Sarah Piatt Part III offers poems by two poets who did not publish during their lifetimes but had strong imaginative responses to the conflict thus giving a sense of the long reach of the war as a defining national experience One of these two poets Emily Dickinson is now renowned while the other Obadiah Ethelbert Baker is first published in this volume Words for the Hour is indeed new among anthologies of Civil War poetry not only in its wide range of poems by popular anonymous and now canonical poets but also in its informational apparatus A historical timeline listing major battles and events of the war begins the volume and historical photographs or lithographs introduce each section of poems The book also includes a substantial introduction a glossary of important names and terminology relevant to understanding the poems and biographical sketches for all the poets whose work is included **Civil War Poetry** Robert Paul Ashley, 1970\* **Civil War Short Stories and Poems** Bob Blaisdell, 2013-04-10 Compiled by an expert on Civil War literature this anthology offers an outstanding selection of short works Includes stories and poems by Whitman Melville Longfellow Bierce Alcott Twain Whittier and many others Civil War Poetry Anthology Volume I Bell Books, Ring, 2020-09 Bell Ring Books is proud to

present this anthology of restored newspaper poems from 1800 1857 The poems are primarily Christian in theme and message though there are others which can be considered non Christian These poems were restored directly from newspapers purchased from the aforementioned time period Some of the authors of the works from this public domain are unknown at this time We do hope you enjoy our selections from this time period and appreciate these lost and found expressions     The Southern War Poetry of the Civil War Esther Parker Ellinger,2025-08-31 Reproduction of the original

The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage     **American War Poetry -**

**an Anthology** Lorrie Goldensohn,2020-06-09 American War Poetry spans the history of the nation Beginning with the Colonial Wars of the eighteenth century and ending with the Gulf Wars this original and significant anthology presents four centuries of American men and women soldiers nurses reporters and embattled civilians writing about war American War Poetry opens with a ballad by a freed African American slave commenting on a skirmish with Indians in a Massachusetts meadow Poems on the American Revolution follow as well as poems on minor conflicts like the Mexican War and the Spanish American Wars This compact anthology has generous selections on the Civil War World Wars I and II the Korean War and the Vietnamese American War but it also includes an unusually large offering on American participation in the Spanish Civil War Another section covers four hundred years of conflict with Native Americans ending with poems by contemporary Indians who respond passionately and directly to their difficult history The collection also reaches into current reaction to American involvement in Latin America Bosnia and the Gulf Wars Showing the depth of feeling and the range of thinking with which Americans have confronted war American War Poetry expands our sense of what poetry is made to do While the birth of a national identity is documented in early poems the anthology also conveys the growing sophistication of a uniquely American style Although early war poems show that the first justification for war was purely defensive as American global ambitions matured American writers moved increasingly to deplore a homegrown imperialism and its terrible costs While many familiar poems of patriotic ardor have been chosen other poems show a steady interest in antiwar themes Lorrie Goldensohn provides a brief biography for each poet and places each poem in its proper literary and historical context Comprehensive and compelling American War Poetry not only documents the birth and development of a national style of expression but shows the force of poetry working on the historical moment making it come vitally alive     **The Poetry of the American Civil**

**War** Lee Steinmetz,2012-12-30 Deeply affecting and diverse in perspective The Poetry of the American Civil War is the first comprehensive volume to focus entirely on poetry written and published during the Civil War Of the nearly one thousand books of poetry published in the 1860s some two hundred addressed the war in some way and these collectively present a textured portrait of life during the conflict The poets represented here hail from the North and the South and at times mirror each other uncannily Among them are housewives doctors preachers bankers journalists and teachers Their verse reflects

the day to day reality of war death and destruction and it contemplates questions of faith slavery society patriotism and politics This is an essential volume for poetry lovers historians and Civil War enthusiasts alike *Teaching the Literatures of the American Civil War* Colleen Glenney Boggs,2016-08-01 Offers pedagogical techniques for teaching the literatures of the American Civil War in the college classroom including considerations of history slavery literary realism race gender landscapes violence trauma life writing and performance Includes information on editions reference works biographies and online resources Gives syllabus suggestions for undergraduate and graduate courses **Literary Cultures of the Civil**

**War** Timothy Sweet,2016-08-15 Addressing texts produced by writers who lived through the Civil War and wrote about it before the end of Reconstruction this collection explores the literary cultures of that unsettled moment when memory of the war had yet to be overwritten by later impulses of reunion reconciliation or Lost Cause revisionism The Civil War reshaped existing literary cultures or enabled new ones Ensembles of discourses conventions and practices these cultures offered fresh ways of engaging a host of givens about American character and values that the war called into question The volume s contributors look at how literary cultures of the 1860s and 1870s engaged concepts of nation violence liberty citizenship community and identity At the same time the essayists analyze the cultures themselves which included Euroamerican and African American vernacular oral manuscript journals and letters and print newspapers magazines or books cultures overlapping discourses of politics protest domesticity and sentiment unsettled literary nationalism and emergent literary regionalism and vernacular and elite aesthetic traditions These essays point to the variety of literary voices that were speaking out in the war s immediate aftermath and help us understand what those voices were saying and how it was received *The Southern war poetry of the Civil War* Esther Parker Ellinger,2023-09-18 Reproduction of the original

**Living History the Civil War** Henry Steele Commager,2000 **Poetry of the Civil War** John Boyes,2007 The war between the states inspired the poets of the American nation Popular writers of the day such as Henry Wordsworth Longfellow and Ralph Waldo Emerson wrote verse as did those for whom recognition lay in the future most notably Walt Whitman CIVIL WAR POETRY includes verse by these celebrated figures as well as some who are now unfamiliar but were well known in this defining period in America s history Alongside the greats of literature the reader will discover Oliver Wendell Holmes Sr father of the future Supreme Court justice Henry Timrod Laureate of the Confederacy and Margaret Junkin sister in law of Stonewall Jackson This collection includes poems from those who saw direct service those who sought other means through which to contribute and those for whom age or sex prevented direct participation Includes poems by Ambrose Bierce William Cullen Bryant Ralph Waldo Emerson Julia Ward Howe Sindey Lanier Herman Melville James Whitcomb Riley Walt Whitman John Greenleaf Whittier Constance Fenimore Woolson Beautiful full color illustrations throughout and short biographies of the poets help put their words into context "This Mighty Convulsion" Christopher Sten,Tyler Hoffman,2019-11-15 This is the first book exclusively devoted to the Civil War writings of Walt Whitman and

Herman Melville arguably the most important poets of the war The essays brought together in this volume add significantly to recent critical appreciation of the skill and sophistication of these poets growing recognition of the complexity of their views of the war and heightened appreciation for the anxieties they harbored about its aftermath Both in the ways they come together and seem mutually influenced and in the ways they disagree Whitman and Melville grapple with the casualties complications and anxieties of the war while highlighting its irresolution This collection makes clear that rather than simply and straightforwardly memorializing the events of the war the poetry of Whitman and Melville weighs carefully all sorts of vexing questions and considerations even as it engages a cultural politics that is never pat Contributors Kyle Barton Peter Bellis Adam Bradford Jonathan A Cook Ian Faith Ed Folsom Timothy Marr Cody Marrs Christopher Ohge Vanessa Steinroetter Sarah L Thwaites Brian Yothers

To Fight Aloud is Very Brave Faith Barrett, 2012 Focusing on literary and popular poets as well as work by women African Americans and soldiers this book considers how writers used poetry to articulate their relationships to family community and nation during the Civil War Faith Barrett suggests that the nationalist we and the personal I are not opposed in this era rather they are related positions on a continuous spectrum of potential stances For example while Julia Ward Howe became famous for her Battle Hymn of the Republic in an earlier poem titled The Lyric I she struggles to negotiate her relationship to domestic aesthetic and political stances Barrett makes the case that Americans on both sides of the struggle believed that poetry had an important role to play in defining national identity She considers how poets created a platform from which they could speak both to their own families and local communities and to the nations of the Confederacy the Union and the United States She argues that the Civil War changed the way American poets addressed their audiences and that Civil War poetry changed the way Americans understood their relationship to the nation Book jacket

*The Social Lives of Poems in Nineteenth-Century America* Michael C. Cohen, 2015-05-28 Poetry occupied a complex position in the social life of nineteenth century America While some readers found in poems a resource for aesthetic pleasure and the enjoyment of linguistic complexity many others turned to poems for spiritual and psychic wellbeing adapted popular musical settings of poems to spread scandal and satire or used poems as a medium for asserting personal and family memories as well as local and national affiliations Poetry was not only read but memorized and quoted rewritten and parodied collected anthologized edited and exchanged Michael C Cohen here explores the multiplicity of imaginative relationships forged between poems and those who made use of them from the post Revolutionary era to the turn of the twentieth century Organized along a careful genealogy of ballads in the Atlantic world *The Social Lives of Poems in Nineteenth Century America* demonstrates how the circulation of texts in songs broadsides letters and newsprint as well as in books anthologies and critical essays enabled poetry to perform its many different tasks Considering the media and modes of reading through which people encountered and made sense of poems Cohen traces the lines of critical interpretations and tracks the emergence and disappearance of poetic genres in American literary culture Examining well known works by John

Greenleaf Whittier and Walt Whitman as well as popular ballads minstrel songs and spirituals Cohen shows how discourses on poetry served as sites for debates over history literary culture citizenship and racial identity Funny Thing About the Civil War Thomas F. Curran, 2023-07-19 Examining humor in depictions of the Civil War from the war years to the present this review covers a wide range of literature film and television in historical context Wartime humor served as a form of propaganda to render the enemy and their cause laughable but also to help people cope with the human costs of the conflict After the war many authors and later movie and television producers employed humor to shape its legacy perpetuating myths and stereotypes that became ingrained in American memory Giving attention to the stories behind the stories the author focuses on what people laughed at who they laughed with and what it reveals about their view of events **The New Oxford Book of War Poetry** Jon Stallworthy, 2014 A new edition of Jon Stallworthy's acclaimed anthology marks the centenary of the outbreak of the First World War Complete with a revised introduction and 42 new poems the volume offers diverse account of war poetry from Homer's the Iliad to poems written about the wars of the twenty first century **Civil War America, 1850 To 1875** Richard F. Selcer, 2014-05-14 Features essays statistical data period photographs maps and documents War Poetry of the South William Gilmore Simms, 2008-11-06

## Decoding **Civil War Poetry An Anthology**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Civil War Poetry An Anthology**," a mesmerizing literary creation penned by a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
