**Mary Coate**

## Civil War In Exeter:

**Devon and Exeter in the Civil War** Eugene A. Andriette,1971 *The Counties of Devon and Exeter in the Civil War Period, 1640-1646* Eugene A. Andriette,1968 *Exeter in the Civil War and Interregnum* Mary Coate,1935 **Exeter and the Civil War** ,1965 Devon and Exeter in the Civil War [By] Eugene A. Andriette Eugene A. Andriette,1971 *Exeter City Defences Project* Mark Stoye,Exeter Museums Archaeological Field Unit,1988 **Exeter in the Civil War** Mark Stoye,1995 *The Civil War Defences of Exeter and the Great Parliamentary Siege of 1645-46* Mark Stoye,Exeter Museums Archaeological Field Unit,1990 Documentary Evidence for the Civil War Defences of Exeter, 1642-43 Mark Stoye,1992 *Exeter Coins of the Civil War* Royal Albert Memorial Museum (Exeter),1980 **The memory of**

**catastrophe** Peter Gray,Kendrick Oliver,2024-07-30 Investigates the dynamic relationship between experiences of profound social and cultural disruption and human memory Critical comparisons are made across a wide variety of catastrophic experiences and memories not just of war but also of massacre genocide rebellion famine partition shipwreck and fire The book is an accessible showcase for a wide range of methodological approaches to the study of memory including literary studies cultural studies participant observation and historical studies and uses a variety of oral visual and written sources Offers a diverse chronological and geographical range of catastrophic cases from seventeenth century England to the recent conflicts in the former Yugoslavia from Ireland to the Indian sub continent from Mexico to wartime Leningrad Well written and accessible a fascinating read *Royalists at War in Scotland and Ireland, 1638-1650* Barry Robertson,2016-04-08 Analysing the make up and workings of the Royalist party in Scotland and Ireland during the civil wars of the mid seventeenth century *Royalists at War* is the first major study to explore who Royalists were in these two countries and why they gave their support to the Stuart kings It compares and contrasts the actions motivations and situations of key Scottish and Irish Royalists paying particular attention to concepts such as honour allegiance and loyalty as well as practical considerations such as military capability levels of debt religious tensions and political geography It also shows how and why allegiances changed over time and how this impacted on the royal war effort Alongside this is an investigation into why the Royalist cause failed in Scotland and Ireland and the implications this had for crown strategy within a wider British context It also examines the extent to which Royalism in Scotland and Ireland differed from their English counterpart which in turn allows an assessment to be made as to what constituted core elements of British and Irish Royalism **Thomas Fuller**

William Brown Patterson,2018 Long considered a highly distinctive English writer Thomas Fuller 1608 1661 has not been treated as the significant historian he was Fuller s *The Church History of Britain* 1655 was the first comprehensive history of Christianity from antiquity to the upheavals of the Protestant and Catholic Reformations and the tumultuous events of the English civil wars His numerous publications outside the genre of history sermons meditations pamphlets on current thought and events reflected and helped to shape public opinion during the revolutionary era in which he lived Thomas Fuller

Discovering England's Religious Past highlights the fact that Fuller was a major contributor to the flowering of historical writing in early modern England. W. B. Patterson provides both a biography of Thomas Fuller's life and career in the midst of the most wrenching changes his country had ever experienced and a critical account of the origins, growth, and achievements of a new kind of history in England, a process to which he made a significant and original contribution. The volume begins with a substantial introduction dealing with memory, uses of the past, and the new history of England in the late sixteenth and early seventeenth centuries. Fuller was moved by the changes in Church and state that came during the civil wars that led to the trial and execution of King Charles I and to the Interregnum that followed. He sought to revive the memory of the English past, recalling the successes and failures of both distant and recent events. The book illuminates Fuller's focus on history as a means of understanding the present as well as the past and on religion and its important place in English culture and society.

Loyalty and Locality Mark Stoyle, 1994. *Loyalty and Locality* is a study of popular behaviour during the English Civil War. The book makes three main claims. The first is that English counties did not behave as homogeneous units; as county communities during the conflict of 1642-46 they divided instead along regional lines, certain areas supporting Parliament, others supporting the King. The second is that this general rule applied to cities too, and that in urban communities just as in the countryside it is possible to discern both Royalist and parliamentary parishes. The third is that these internal divisions were not simply temporary alignments conjured up by the extraordinary circumstances of 1642-46 but that they reflected deep and enduring splits in local society, contrasting patterns of popular behaviour stretching back over very many years. Mark Stoyle's book explores these themes primarily through a study of events in Devon and Exeter. **The Routledge**

**Companion to the Stuart Age, 1603-1714** John Wroughton, 2013-02-01. Here is an invaluable, user-friendly and compact compendium packed with facts and figures on the seventeenth century, one of the most tumultuous and complex periods in British history. From James I to Queen Anne, this Companion includes detailed information on political, religious, and cultural developments, as well as military activity, foreign affairs, and colonial expansion. Chronologies, biographies, documents, maps, and genealogies aid the reader in navigating this fascinating and formative epoch, as the book details the key events and themes of the era, including the English Civil War and its military campaigns, the Gunpowder Plot, Catholic persecution, and the influence of Puritanism. Imperial adventures in America, Asia, Africa, and the Caribbean, Scotland, and the Act of Union 1707, the Irish Confederate wars, and the Cromwellian conquest of Ireland, the Great Fire of 1666, and the rebuilding of London are also covered. Biographies of key figures, including women, artists, architects, writers, and scientists, are included. The Restoration and the revival of drama are also covered. With complete lists of offices of state, an extensive glossary of key constitutional, political, and religious terminology, and up-to-date thematic annotated bibliographies to aid further research, this student-friendly reference guide is essential for all those interested in the Stuart Age. **The County Community in Seventeenth-century England and Wales** Jacqueline Eales, Andrew James Hopper, 2012. This volume honours the memory of Professor Alan Everitt, who in a

series of publications during the 1960s and 1970s advanced the fruitful notion of the county community during the seventeenth century Everitt's *The community of Kent and the Great Rebellion* (1966) convinced scholars that counties were worth studying in their own right rather than merely to illustrate the national narrative He emphasised the importance of local identities and allegiances for their own sake Taking into account over two decades of challenges to Everitt's assumptions the present volume proposes some modifications of Everitt's influential hypotheses in the light of the best recent scholarship In so doing this collection signposts future directions for research into the relationship between the centre and localities in seventeenth century England The essays innovative interpretations of the concept of the county community reflect the variety of approaches methods and theories generated by Everitt's legacy The book includes an important re-evaluation of political engagement in civil war Kent and also has a wider geographical focus as other chapters draw examples from numerous midland and southern counties as well as Wales A personal appreciation of Professor Everitt is followed by a historiographical essay which evaluates the extraordinary impact of Everitt's book and the debate it provoked Other chapters assess the cultural horizons of the gentry and ways of analysing their attachment to contemporary county histories and there is a methodological focus throughout on how to contextualise the local experiences of the civil wars into wider interpretative frameworks Whatever the limitations of Everitt's original thesis may have been historians studying early modern society and its relationship to the concepts and practice of governance must still reckon with the county and the primacy of local experiences which was at the heart of Everitt's work

*George Goring (1608–1657)* Dr Florene S Memegalos, 2013-06-28 George Goring was in many ways the archetypal cavalier often portrayed as possessing all the worst characteristics associated with the followers of King Charles I He drank copiously dressed and entertained lavishly gambled excessively abandoned his wife frequently and was quick to resort to swordplay when he felt his honour was at stake Yet he was also an active Member of Parliament and a respected soldier who learnt his trade on the Continent during the Dutch Wars and put his expertise to good use in support of the royalist cause during the English Civil War In this the first modern biography of Goring the main events of his life are interwoven with the wider history of his age Beginning with his family background in Sussex it charts his successes at court and exploits in the service of the Dutch culminating in his experiences at the siege of Breda in 1637 and his role in the Bishops Wars However it is his key role as a royalist general during the Civil War that is the major focus of this book which concludes with Goring's years of exile during the Republic This fascinating and illuminating account of Goring's life character and actions provides not only a fresh examination of this contentious figure but also reveals much about English society and culture in the first half of the seventeenth century

**The Official Guide to the London and South Western Railway** Cassell and Company, Ltd, 1894 *A Companion to the Reformation World* R. Po-chia Hsia, 2008-04-15 This volume brings together 29 new essays by leading international scholars to provide an inclusive overview of recent work in Reformation history Presents Catholic Renewal as a continuum of

the Protestant Reformation Examines Reformation in Eastern and Western Europe Asia and the Americas Takes a broad inclusive approach covering both traditional topics and cutting edge areas of debate      **Changing Approaches to Local History** Christopher Dyer, 2022 Develops an understanding of Warwickshire's past for outsiders and those already engaged with the subject and to explore questions which apply in other regions including those outside the United Kingdom Published to mark the one hundredth anniversary of the Dugdale Society which publishes Warwickshire's records this book brings together a range of scholars early career researchers tenured academics independent scholars and an archivist all with records of excellence in research and writing who cover a range of political social economic cultural architectural and religious subjects from the eleventh to the twentieth centuries Besides providing original and well researched interpretations of Warwickshire's past the book goes further to discuss and analyse the ways in which writing of local history has changed over the last hundred years paying particular attention to meanings and explanations that have emerged in recent times from which future developments can be expected As such the book will appeal not just to those interested in the local history of Warwickshire but also to everyone concerned with local history in general and how it should be studied and written It appeal not just to those interested in the local history of Warwickshire but also to everyone concerned with local history in general and how it should be studied and written It appeal not just to those interested in the local history of Warwickshire but also to everyone concerned with local history in general and how it should be studied and written It appeal not just to those interested in the local history of Warwickshire but also to everyone concerned with local history in general and how it should be studied and written

While this might not be the Civil War In Exeter full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Civil War In Exeter eBooks, including some popular titles.

### FAQs About Civil War In Exeter Books

**What is a Civil War In Exeter PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

**How do I create a Civil War In Exeter PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

**How do I edit a Civil War In Exeter PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

**How do I convert a Civil War In Exeter PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in

different formats. **How do I password-protect a Civil War In Exeter PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
