Smith, Jr., 2015-02-20 From 1861 to 1865 the Civil War raged along the great rivers of the Ohio and Mississippi valleys While various Civil War biographies exist none have been devoted exclusively to participants in the Western river war as waged down the Mississippi to the mouth of the Red River and up the Ohio the Tennessee and the Cumberland Based on the Official Records county histories newspapers and internet sources this is the first work to profile personnel involved in the fighting on these great streams Included in this biographical encyclopedia are Union and Confederate naval officers down to the rank of mate enlisted sailors who won the Medal of Honor or otherwise distinguished themselves or who wrote accounts of life on the gunboats army officers and leaders who played a direct role in combat along Western waters political officials who influenced river operations civilian steamboat captains and pilots who participated in wartime logistics and civilian contractors directly involved including shipbuilders dam builders naval constructors and munitions experts Each of the biographies includes where known birth death and residence data unit organization or ship involvement in the river war pre and post war careers and source documentation Hundreds of individuals are given their first historic recognition *A Civil War Treasury of Tales, Legends and Folklore* Benjamin Albert Botkin, 2000-01-01 Stories of bravery humor and faith reflect the emotions and attitudes of freedmen women deserters patriots and resisters towards the war as well as their opinions of Abraham Lincoln Robert E Lee and Stonewall Jackson 1865 Alabama Christopher Lyle McIlwain, 2017-09-12 A detailed history of a vitally important year in Alabama history The year 1865 is critically important to an accurate understanding of Alabama's present In 1865 Alabama From Civil War to Uncivil Peace Christopher Lyle McIlwain Sr examines the end of the Civil War and the early days of Reconstruction in the state and details what he interprets as strategic failures of Alabama's political leadership The actions and inactions of Alabamians during those twelve months caused many self-inflicted wounds that haunted them for the next century McIlwain recounts a history of missed opportunities that had substantial and reverberating consequences He focuses on four factors the immediate and unconditional emancipation of the slaves the destruction of Alabama's remaining industrial economy significant broadening of northern support for suffrage rights for the freedmen and an acute and lengthy postwar shortage of investment capital

Each element proves critically important in understanding how present day Alabama was forged Relevant events outside Alabama are woven into the narrative including McIlwain's controversial argument regarding the effect of Lincoln's assassination Most historians assume that Lincoln favored black suffrage and that he would have led the fight to impose that on the South But he made it clear to his cabinet members that granting suffrage rights was a matter to be decided by the southern states not the federal government Thus according to McIlwain if Lincoln had lived black suffrage would not have been the issue it became in Alabama McIlwain provides a sifting analysis of what really happened in Alabama in 1865 and why it happened debunking in the process the myth that Alabama's problems were unnecessarily brought on by the North The overarching theme demonstrates that Alabama's postwar problems were of its own making They would have been quite avoidable he argues if Alabama's political leadership had been savvier Wills Valley Jim Tinker,2025-08-04 This is a story about a place a time and a people It is about an old man who was very aware of his mortality and a young man who felt immortal Within ten years both men would be dead and today they lie somewhere in unmarked graves in Will's Valley between Lookout Mountain Georgia and Sand Mountain Alabama Most of the dates names locations and incidents are based on fact Obviously the conversations are fiction and were created to make history come alive and help the reader better understand what our ancestors experienced You will learn things about American history that you never knew *Story of the War: Pictorial History of the Great Civil War* John Laird Wilson,2024-05-04 Reprint of the original first published in 1881

Last of the Blue and Gray Richard A. Serrano,2013-10-08 Richard Serrano Pulitzer Prize winning journalist for the Los Angeles Times pens a story of two veterans In the late 1950s as America prepared for the Civil War centennial two very old men lay dying Albert Woolson 109 years old slipped in and out of a coma at a Duluth Minnesota hospital his memories as a Yankee drummer boy slowly dimming Walter Williams at 117 blind and deaf and bedridden in his daughter's home in Houston Texas no longer could tell of his time as a Confederate forage master The last of the Blue and the Gray were drifting away an era was ending Unknown to the public centennial officials and the White House too one of these men was indeed a veteran of that horrible conflict and one according to the best evidence nothing but a fraud One was a soldier The other had been living a great big lie Florence Carolyn Barske,2014 Join author and historian Carolyn Barske as she recounts the history of Florence Alabama through the lens of over 200 vintage images On the banks of the Tennessee River below the once formidable Muscle Shoals in northwest Alabama sits the vibrant community of Florence In the early 19th century the Chickasaw Nation ceded lands to the US government and in 1818 the Cypress Land Company held its first auction The town grew quickly because of the efforts of the company's founders which included Gen John Coffee John McKinley who later sat on the US Supreme Court and James Jackson whose imported Thoroughbred horses became the bloodstock for some of Kentucky's finest racehorses Schools churches hotels and businesses soon filled the streets For almost 200 years the town of Florence has continued to grow becoming home to the University of North Alabama and people like the Father of the Blues W
