BASICS OF BIBLICAL CRITICISM F. David Farnell,Edward D. Andrews,Thomas Howe,Thomas Marshall,Dianna Newman,Benjamin Cocar,2016-05-07

Biblical criticism is an umbrella term covering various techniques for applying literary historical critical methods in analyzing and studying the Bible and its textual content Biblical criticism is also known as higher criticism literary criticism and historical criticism Biblical criticism has done nothing more than weaken and demoralize people s assurance in the Bible as being the inspired and fully inerrant Word of God and is destructive in its very nature Historical criticism is made up of many forms of biblical criticism that are harmful to the authoritative Word of God historical criticism source criticism form criticism redaction criticism social science criticism canonical criticism rhetorical criticism structural criticism narrative criticism reader response criticism feminist criticism and socioeconomic criticism Not just liberal scholarship but many moderate even some conservative scholars have adopted historical criticism at some level The authors herein show how adopting any level of biblical criticism by pastors biblical teachers students and scholars will only diminish the trustworthiness of God s Word e g inerrancy Biblical criticism is extremely flawed and its attack on the Bible has failed to demonstrate that the Bible is not the Word of God On this Dr Robert L Thomas writes Someone needs to sound the alarm when evangelical leaders mislead the body of Christ A mass evangelical exodus from this time honored principle of interpreting Scripture is jeopardizing the church s access to the truths taught therein Whether interpreters have forsaken the principle intentionally or have subconsciously ignored it the damage is the same Robert L Thomas *Evangelical Hermeneutics The New Versus the Old* p 160

Jacob's Wealth Paul Vrolijk,2011-05-10

Various biblical studies on wealth and poverty have been published over the last thirty years Some of these studies touch on the wealth of the patriarchs in Genesis 12 50 but they focus predominantly on other parts of the Bible Scholars who have studied the patriarchal narratives in detail comment on aspects of patriarchal wealth but do not offer an in depth analysis of this topic This book on Jacob s wealth shows that such an analysis is warranted In the Jacob story material possessions and their associated attitudes and actions are essential to understand the various relationship dynamics Often possessions are the cause of conflict but they also play a role in conflict resolution As a result this study contributes to

a fuller understanding of the Jacob cycle **The Total Man** Cornell Randolph,2019-12-02 Our world is in a moral decline and as a result we have lost the scope of what it really takes for a male to become a man When we look at the plight of a man today we see the results of this loss Fatherless families infidelity abusive tendencies acceptance of lack and the inability to face upfront issues These struggles are just a small glimpse into what men face but each struggle is a battle that men must learn to overcome They each pose a direct threat to who God intended for men to be Changing your mind set about who you are becomes the first step to improve your overall ability to handle life s problems You must find the courage needed to wage the war in gaining back the wholesome healthy and prosperous lifestyle that God intended for men to live This groundbreaking message highlights the elements of a man s moral consciousness extracted from Adam s experiences with God before the fall Explore how to reclaim the biblical truth of what it means to be a man made in the image of God Uncover the seven core values that are necessary to build a healthy inner character Find out how to embark on a quest into understanding Divine Masculinity From real life experiences biblical narratives and thought provoking research you learn that building your character from the inside out will establish you as a healthy whole man a Total Man Surrender Order Purpose Boundaries Responsibilities Authority and Love all form the core foundation for a man s moral compass **A Subject Catalogue Or Finding List of Books in the Reference Library** Toronto Public Library,1889 **The Historical-Critical Method: A Guide for the Perplexed** David R. Law,2012-04-19 An introduction to one of the core methods of approaching biblical texts *Divine Covenants and Moral Order* David VanDrunen,2014-05-14 This book addresses the old question of natural law in its contemporary context David VanDrunen draws on both his Reformed theological heritage and the broader Christian natural law tradition to develop a constructive theology of natural law through a thorough study of Scripture The biblical covenants organize VanDrunen s study Part 1 addresses the covenant of creation and the covenant with Noah exploring how these covenants provide a foundation for understanding God s governance of the whole world under the natural law Part 2 treats the redemptive covenants that God established with Abraham Israel and the New Testament church and explores the obligations of God s people to natural law within these covenant relationships In the concluding chapter of *Divine Covenants and Moral Order* VanDrunen reflects on the need for a solid theology of natural law and the importance of natural law for the Christian s life in the public square **Those Who Are Wise Will Shine!** Michael L. Henderson,2011-01-06 Taken from Daniel 12 3 *Those Who Are Wise Will Shine* uncovers God s awesome power at work in the lives of those He chose to bear His message of Redemption from Adam to Christ The lives of these faithful brightly shined forth with His presence in the face of a world full of darkness They knew He spoke to them called them and in turn they were constrained to follow Him There is no better way to shine for the Lord than to know with determined faith who He really is and that where He leads you will faithfully follow These ancient pioneers of faith displayed just that This work seeks to take the readers back to the basics of Redemption and Sanctification though the unfolding of the Redemptive Thread that links the

blood lineage of our ancient forefathers to the rise of our Messiah Jesus Christ It ends with the joyous events still to come at His Second Advent From creation to the cross redemption and sanctification are certainly defined as two of the zealous desires of the Lord The overall central theme of the Holy Scripture is redemption Humanity is fallen separated from God and in dire need of reconciliation The Lord's perfect gift of redemption reconciles the breach His work in us is what follows Immediately He begins that work and it will never be complete until we see Him face to face He calls us to be holy and set apart for His service Never underestimate the value He has placed on you as a vessel chosen with purpose to be His emissary shining His light into this dark world It is God's foundational will for each of us to emanate the fragrance of Christ in all He calls us to be Today Christians in most places are still in need of the milk of the word They lead a very shallow and powerless Christian life It is one of the reasons the church is so lifeless in many places It is not enough to know of the elementary principles of Christianity we must also understand their meaning in terms of God's continual work in us We must take them to heart This volume seeks to lay a foundation of trusting God by understanding how God worked in the lives of past saints to make sure His message of redemption went unhindered so it could be ours today Millions in the past millennia have gone beyond the superficial and with God's help stood firmly and boldly on His side A proper understanding of Redemption will only lead you to rejoice with joy unspeakable as you stand in unrestricted service to God He has liberated us to fulfill our redemptive purpose He truly has set us free Hebrews 13:9b teaches us For it is good that the heart be established by grace The word established comes from a word which means to be firm or secure literally propped up as in a stick holding up a tent If our heart is truly established by the true teaching of Grace which comes from the nature of the Father then when we fall we still stand Rejoice in Him For Redemption provides just that **The Community of the Weak** Hans-Peter

Geiser, 2013-03-28 Social postmodernism and systematic theology can be considered the new pair in some of the most creative discussions on the future of theological method on a global scale Both in the academy and in the public square as well as in the manifold local and pastoral moments of ministry and community social activism the social the postmodern and the theological intermingle in engaging and border crossing ways The Community of the Weak presents a new kind of jazzy fundamental theology with a postmodern touch using jazz as a metaphor writing ethnographically messy texts out of the personal windows of lived experiences combining fragments of autobiography with theological reconstruction A comparative perspective on North American and European developments in contemporary systematic theology serves as a hermeneutical horizon to juxtapose two continents in their very different contexts The author proposes a systematic and fundamental theology that is more jazzy global and narrative deeply embedded in pastoral ministry to tell its postmodern story **Havah** Tosca Lee, 2010 From pure innocence to utter despair Havah is the acclaimed inspiring novel based on the epic life of the Bible's Eve *Subject Guide to Books in Print*, 1997 *And Their Eyes Were Opened* Ray McAllister, 2021-10-15 This book is a detailed theological analysis of blindness in the Hebrew Bible It explores blindness in the context of religion law codes

theodicy social justice and healing McAllister first considers the wider context of ancient Near Eastern cultures before analyzing various words for blindness found in the Hebrew Bible The focus then shifts to examining blindness in various blocks of material in the Law the Prophets and the Writings before synthesizing the findings This book is excellent for scholars and students interested in better understanding disability in the context of the Bible and the ancient Near East

When Did Eve Sin? Jeffrey Niehaus,2020-08-05 Did Eve sin before Adam When responding to the serpent s temptation to eat the forbidden fruit Eve says that one must not touch it Gen 3 2 3 In this Eve appears to embellish upon God s clear command that one must not eat from the tree Gen 2 17 Did Eve add to God s command becoming the first legalist Was this an innocent mistake Or is the answer altogether different Jeffrey J Niehaus tackles this issue head on in When Did Eve Sin Though many commentators believe that Eve altered God s command there are notable exceptions in the history of interpretation that suggest another answer Using Scripture to interpret Scripture and analyzing biblical stories where characters retell the facts Niehaus recognizes a common scriptural pattern that resolves the mystery of Eve s words Niehaus examines his view s implications for biblical historiography what it meant to eat from the tree of life how a sinless being can fall into sin and the nature of the mysterious serpent Everyone engaging with these questions will be deftly guided by Niehaus thorough study of this thorny issue UNDERSTANDING THE CREATION ACCOUNT Edward D.
