Levi, 1997 This collection of 200 multiple choice questions should be useful for candidates for both parts of the MRCPsych examination and other postgraduate examinations The Complete MRCPsych Ashok Patel, 2006-01-27 Studying for the MRCPsych exams can seem a daunting prospect especially when faced with the vast amounts of literature available to help but this book offers a complete solution in the form of a thoroughly comprehensive guide to the Part II Exam Completely up to date and taking in the recent changes

to the exam the book reflects the exam format and content extremely accurately Written by an experienced examiner with contributions from trainees the book combines these elements to ensure that it is the perfect revision companion for any psychiatrist preparing for the MRCPsych Part II Examination Notes in Psychiatry - Basic Sciences Gin Malhi,Alex Mitchell,1999-11-22 This is an essential text for candidates preparing for postgraduate specialist exams in psychiatry particularly the MRCPsych This Basic Sciences volume is a companion to the successful Examination Notes in Psychiatry 3 e A postgraduate text which covers the clinical topics The basic sciences are often poorly understood by trainee psychiatrists although they form the foundation of clinical practice and are examined in detail particularly for the MRCPsych Part II examination This is a comprehensive text for the basic sciences offering a breadth of information at an appropriate level to meet the needs of the exam candidate The New MRCPsych Paper III Oliver White,Clare Oakley,Alexandra C. Rankin,2009-01-25 The structure of the MRCPsych examination has changed significantly This book is specifically written for the new exam providing 250 practice best of five multiple choice questions MCQs and 100 extended matching item EMI questions for Paper III It contains clear concise answers to questions along with explanatory notes and further reading for each topic It gives practical advice on the format and content of the examination and techniques for answering questions It is comprehensive and authoritative both authors are members of the Psychiatric Trainees Committee of the Royal College of Psychiatrists This is an essential revision aid for candidates sitting Paper III of the MRCPsych examination **The Psychiatry of Intellectual Disability** Dr. David Clarke,2006 Comprehensive concise and easily accessible this is the first health economics dictionary of its kind and is an essential reference tool for everyone involved or interested in healthcare The modern terminology of health economics and relevant terms used by economists working in the fields of epidemiology public health decision management and policy studies are all clearly explained Combined with hundreds of key terms the skilful use of examples figures tables and a simple cross referencing system between definitions allows the often complex language of health economics to be demystified *Psychiatric Presentations in General Practice -- A Guide to Holistic Management* Anju Kuruvilla KS Jacob,K. S. Jacob,Anju Kuruvilla,2010-04 Medical schools currently use specialist perspectives on psychiatric disorders to train physicians nurses and health professionals The focus of such an approach is on transmission of knowledge rather than skills This results in a lack confidence among non psychiatric health professionals which reduces their ability to manage common mental health conditions in primary care and secondary hospitals This book is a practical guide to common mental health conditions encountered in general medical practice It includes simple guidelines and a systematic approach to identifying assessing and managing such problems in adults and children The book also incorporates patient information leaflets as well as guidance for the clinician as to when patients should be referred to a psychiatrist for specialist management The target readership includes medical nursing and paramedical students general practitioners non psychiatric physicians and counsellors **The New MRCPsych Paper II Practice MCQs and EMIs**
