Crabb, 1975      **Basic Principles of Biblical Counseling** Lawrence J. Crabb, 1986-09-01      **Guiding Principles for Biblical Counseling** Rev Daniel W Blair, 2015-02-25 When did we start referring our brothers and sisters to the world for counseling When did Christian counselors stop believing that His Word had everything we need for life and godliness When did they start going to the world for their guidance and approved methodology for counseling Psychiatry and psychology have consistently asserted that people should be salvaged from the chains of religious upbringing and moral restraint However studies show positive moral and emotional benefits for those with religious faith Churches and parishioners taking back control of their religions from psychiatry and psychology will accomplish the return to a morally and spiritually strong society This is a very practical book not only for lay leaders and pastoral counselors but for every Christian who desires to help their brethren who has suffered under the hands of secular psychology and psychiatric drug addiction
