How to Study the Bible Watchman Nee, 1999 The Bible is the inspired word of God and every believer should study it in order to know the rich and vast content of God's divine provisions When God speaks He does so through His established word Therefore we must study the Bible in a proper way in order to let the word of God dwell richly in our hearts In order to study the Bible we first must be proper persons having passed through the necessary spiritual training under the Lord's leading and guiding We must also use the right methods Many good books have been printed on how to study the Bible but most pay attention only to methods of studying the Bible They do not pay enough attention to the person who studies the Bible Even with the right methods we can receive very little in our study of the Bible if our person is not proper before the Lord
