Schools and Scholarship Tests James A. Athanasou, 1997 Excel Test Skills Selective Schools and Scholarship Tests Years 5 & 6 is a comprehensive study guide for the selective schools and scholarship tests usually undertaken in Year 6. The book contains sections on all four types of tests: Maths, English, General Ability and Written Expression, so students can prepare for exams with a minimum of stress and maximum results. In this book, your child will find an introductory section on how best to prepare for selective schools and scholarship examinations, hundreds of practice questions for Mathematics, English, General Ability and Written Expression, answers to all multiple choice questions, explanations that outline the thinking skills required for each question, a complete trial test paper.

Mental Maths Strategies Alan Parker, Jan Faulkner, 2004 More than just Mental Maths books, this series will equip students with all the Mental Maths strategies they need to excel in Maths throughout their lives. All the books in this series have an 18-page Help section at the front of the book with a list of strategies and explanations carefully cross-referenced to relate directly to each appropriate question in each unit. Features of this series: 32 double-page units of Mentals, with each unit divided into four sets of 20 questions each. The questions are set out in a special order with each question only covering selected topics in Mentals Maths. A eFun Spot unit containing fun activities and a revision unit are included at the end of each 8 units extra practice sections which reinforce particular strategies. Answers appear in the lower part of every page. Answers to all questions are in a lift-out section in the centre of the books to be removed if required. An index to the eHelp section to help students find the help they need fast.
