Basic Guide To Working With Elders:

A Basic Guide to Working with Elders Michael J. Salamon, 1986 New Developments in Home Care Services for the Elderly Lenard W Kaye, 2013-11-19 This anthology responds to the recurring call for quality in home care service provision. It presents to agency administrators, managers, supervisors, and front line service providers a set of the most up to date policy, program, and practice developments in the field. Each contributor to New Developments in Home Care Services for the Elderly explores issues of client staff diversity and the challenges associated with working with clients grappling with disabling conditions. Contributors in New Developments in Home Care Services for the Elderly explore issues of client staff diversity and the challenges associated with working with clients grappling with various disabling conditions. Topics addressed include alternative organizational models in home care, the importation of high technology services into the home, legal and ethical issues in home health care, counseling homebound clients and their families, clinical assessment tools and packages, case management, and the home care client, home care entitlements and benefits, evaluating and monitoring the effectiveness of in home care, marketing home health care services, home care service experiences in other countries. New Developments in Home Care Services for the elderly covers a continuum of care ranging from housekeeping services to self care, education, teaching and training services to nursing and medically related services. Consequently, the information contained within this volume is of immediate relevance to a multidisciplinary audience having both direct field and indirect office service responsibilities in the home care organization. Social workers, nurses, business administrators, and public health professionals will find this an invaluable guide for providing effective home care services. **Current Catalog** National Library of Medicine (U.S.), First multi year cumulation covers six years 1965-70 National Library of Medicine Current Catalog National Library of Medicine (U.S.), **Working with Older Adults: Group Process and Technique** Barbara Haight, Faith Gibson, 2005-03-30 Beginning with an overview of the changing world of aging, this book goes on to address practical principles and guidelines for group work. *Social Work in Health Care* Surjit Singh Dhooper, 2012 This book is a comprehensive look at the US healthcare industry from its historical development to its current status. It pays particular attention to four domains of health care and the role that social workers play in these roles in the present day and in the future. Aging, 1990 **Old Age and the Search for Security** Carole Haber, Brian Gratton, 1993-12-22 Haber and Gratton lay to rest many conventional assumptions concerning the place of older persons in American history. Choice. Haber and Gratton's meaty little book does more than provide an intelligent synthesis of existing old age history; its new interpretations, insights, and shifts of emphasis will provoke responses and help move historians' work away from the now threadbare original disputes in the field toward new questions and approaches. *American Historical Review*. Indeed, Haber and Gratton give us a refreshingly multidimensional history of the shift in old age security from work assets or children to government annuities. *Contemporary Sociology*. The history of old age has finally come of age. The authors successfully

synthesize the best of the earlier social and cultural studies with new empirical evidence and recent findings of economic historians *Journal of Economic History* A truly revisionary interpretation of the cultural and structural forces that shaped the elderly's lives from the colonial period to the present Lucid and controversial it is bound to be widely cited and hotly contested W Andrew Achenbaum This social history of the American elderly offers a provocative new view of aging in the United States It revises traditional assumptions about the economic status of the old and challenges the long held contention that industrialization destroyed family relationships
