## Phonics Skills

### Level C

Basic Phonics Skills, Level C provides a solid basis and ongoing practice for phonics instruction. In Level C, short vowel sounds are reviewed. Long vowel sounds, blends, consonant and vowel digraphs, and r-controlled vowels are introduced. Continued structural analysis skills are also supported in this level.

A consistent format makes the practice pages understandable for both teacher and students. And the variety of difficulty levels for each skill enables the teacher to meet individual student needs for phonics practice.

Basic Phonics Skills, Level C contains the following:

- 216 reproducible skill sheets
- word family sliders and word family practice
- 20 reproducible Little Phonics Readers
