Basic Bible Sermons On The Ten Commandments:

Basic Bible Sermons on the Ten Commandments Jerry Vines, 1992 Each volume of this series contains several ready to preach sermons that also make great illustrations and themes for any sermon **The Ten Commandments** Mark Rooker, 2010 From the acclaimed New American Commentary Studies in Bible Theology series a book examining the ancient and modern significance of each of the Ten Commandments **The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Volume 4** Hughes Oliphant Old, 2002-05-02 The Reading and Preaching of the Scriptures in the Worship of the Christian Church is a multivolume study by Hughes Oliphant Old that explores the history of preaching from the words of Moses at Mount Sinai through modern times In Volume 4 The Age of the Reformation Old focuses on changes in preaching due to the Protestant Reformation and the Catholic Counter Reformation This is the pivotal volume in Old's project covering as it does not only what the Reformers and Counter Reformers preached but also their reform of preaching itself Old traces the main events and people involved in the development of preaching at this time Luther Calvin Thomas of Villanova Francis Xavier William Perkins John Donne Johann Gerhard Jacques Bossuet and many more while also giving due attention to how preaching was itself an act of worship **Christian Preaching** Michael Pasquarello III, 2011-06-28 Michael Pasquarello has written a must read book articulating a Trinitarian vision for preaching His compelling argument is richly informed by traditional biblical hermeneutics creedal history understood as storied attestation of the witness of Scripture and liturgical theology and practice considered as embodied performance of the Bible's divine narrative Here is a clear summons to the church to abandon all lesser homiletic aims and to prayerfully and faithfully proclaim the holy gospel to the glory of God Charles L Bartow Princeton Theological Seminary Like all of Michael Pasquarello's work his newest book not only upholds the classical Christian tradition but also breathes new vitality into it In an era in which preaching is reduced to persuasive communication Pasquarello reminds us that the Christian message has a content that originates in and gives expression to the Father Son and Holy Spirit Richard Lischer Duke Divinity School One of the refreshing things about this fine book by Michael Pasquarello is that when he thinks about the ministry of preaching he is not afraid to measure the breadth historically or plumb the depths theologically Pasquarello has written this book like a good sermon faithfully thoughtfully prayerfully and with a profound word to speak We are in his debt Thomas G Long Candler School of Theology Boldly challenging homiletical accommodation to American culture Pasquarello seeks to change the subject of preaching from method and marketing to the Triune God who is the source and goal of our speech A welcome theological vision of preaching Charles L Campbell Columbia Theological Seminary Christian Preaching brings together two disciplines that have sadly grown apart such that they almost developed irreconcilable differences preaching and theology Pasquarello offers a brilliant critique of theology as technique and draws on the theology and sermons of Irenaeus Augustine Luther Wesley and others convincingly demonstrating that effective pragmatic preaching requires substantive theological

engagement and vice versa This book accomplishes its purpose so well that it should be used not only in preaching courses but also in basic theology courses No preacher should be let loose on a congregation without passing through Pasquarello's Christian Preaching D Stephen Long Marquette University Mike Pasquarello III PhD University of North Carolina Chapel Hill is Granger E and Anna A Fisher Professor of Preaching at Asbury Theological Seminary He is the author of Sacred Rhetoric Preaching as a Theological and Pastoral Practice of the Church Vines Jerry Vines,2014-06 Dr Jerry Vines accepted the call to pastor First Baptist Church Jacksonville FL in July 1982 and retired in February of 2006 He was elected president of the Southern Baptist Convention in both 1988 and 1989 He traveled the country preaching and teaching the Bible at churches conferences and denominational meetings Now in his autobiography the pastor Baptist statesman and father tells his story that begins in Carrollton GA takes him to Jacksonville FL and whirls through the fiery controversies of the conservative resurgence Readers gain perspective on some of a denomination's pivotal moments through the eyes of one of its most influential figures focusing on his life and ministry *Christian Basics Bible NLT* Martin H. Manser,Michael H. Beaumont,2017-10-03 Finalist for the 2018 Christian Book Award for Bible of the Year New to the Bible Either because you have become a Christian recently or because somehow the Bible seems to have passed you by Then this edition is for you Whether you are reading the Bible for the first time or not its variety of material not to mention its length can seem overwhelming It can be difficult for readers new to Scripture to explore its teachings and to see how Christian beliefs are established in its pages But understanding both what we believe and why we believe it provides the foundation for a grounded Christian faith The Christian Basics Bible is filled with features designed to help readers especially those new to the Bible connect biblical teachings to Christian beliefs and to see how those beliefs apply to their lives By delivering the right amount of both information and application The Christian Basics Bible can become the catalyst for living a vibrant Christian life **The Ten Commandments** William P. Brown,2004-01-01 Offering a host of classic and new essays surveying the scholarly ethical and biblical debate surrounding the Ten Commandments William Brown organizes his volume into three parts the history of interpretation contemporary reflections on the Decalogue as a whole and contemporary reflections on individual commandments A useful addition to ethics as well as Old Testament and Hebrew Bible courses Brown's The Ten Commandments will be a standard reference for all Decalogue research as it facilitates a helpful balance between moral theological and biblical study The Library of Theological Ethics series focuses on what it means to think theologically and ethically It presents a selection of important and otherwise unavailable texts in easily accessible form Volumes in this series will enable sustained dialogue with predecessors through reflection on classic works in the field *Twenty-four short sermons, calculated for children, and explanatory of the essential doctrines of Christianity, etc. (Third edition.).* Frances Maria MACDONALD,1819 Jean Gerson: Principles of Church Reform Louis B. Pascoe,2022-04-25 **Five minute object sermons to children: preached before the main sermon on Sunday morning** Sylvanus

Stall,1893 **Papalism Versus Catholic Truth and Right** Jesse Ames Spencer,1896 Expository Sermons on the Ten Commandments Joe Tolin, Jr.,2015-07-23 This compilation of sermons on the Ten Commandments covers in detail the three uses of the Law the application of Law and Gospel and the details of each commandment **A Dictionary of Biblical Tradition in English Literature** David Lyle Jeffrey,1992 Over 15 years in the making an unprecedented one volume reference work Many of today s students and teachers of literature lacking a familiarity with the Bible are largely ignorant of how Biblical tradition has influenced and infused English literature through the centuries An invaluable research tool Contains nearly 800 encyclopedic articles written by a distinguished international roster of 190 contributors Three detailed annotated bibliographies Cross references throughout *The Challenge of Preaching* John Stott,2011-04-27 This book strongly challenges the notion that there is no place for preaching in the contemporary world It sets out the theological case for preaching and then goes on to describe what constitutes good preaching It does not focus on techniques to be used but on the nature of the task and the character of the one who preaches The good preacher works to build a bridge between the listeners and the truth being proclaimed To be able to do this the preacher must study both the Scriptures and the today s world The book offers some suggestions on how to go about preparing a sermon and calls for preaching delivered with sincerity earnestness courage and humility John Stott s thoughtful and practical advice given at some length in *I Believe in Preaching* has here been abridged by eliminating quotations and examples that spoke more directly to readers in the UK and the US in the 1980s Greg Scharf has retained the core of the original book but made it more accessible to contemporary readers **A Companion to Pastoral Care in the Late Middle Ages (1200-1500)** Ronald Stansbury,2010-05-31 The study of pastoral care in the middle ages has seen a resurgence in recent years Scholars are now approaching this subject less from their respective ecclesiastical or parochial biases and more out of an effort to understand the significant role pastors secular and religious had in the shaping of medieval society at large This book explores some of the new ways scholars are approaching this topic Using a variety of sources and disciplinary angles theology preaching catechesis confessional literature visitation records monastic cartularies and the like these studies show the many and varied ways in which pastoral care came to play such an important role in the day to day lives of medieval people Contributors include C Colt Anderson Michelle Armstrong Partida Beth Allison Barr Sabrina Corbellini Alexandra da Costa Laura Michele Diener William Dohar James Ginther Joe Goering Ann M Hutchison Greg Peters C Matthew Phillips Andrew Reeves Ronald J Stansbury Susan M B Steuer Mathilde van Dijk and Anne T Thayer Most Certainly True Michael Kasting,2024-12-30 This volume is a collection of sermons covering the six chief parts of Luther s Catechisms The collection will serve as a helpful resource for pastors and catechists who desire to instruct and edify their congregations on the basics of the Christian faith Lutheran style The sermons may be used as is or serve as starters for the users own messages The book may also serve as a devotional aid for lay people who seek to understand and explore the connection between their faith and the complexities and
