Basketball The Right Way:

Basketball the Right Way Robin Roberts, 2000 Discusses the fundamental skills of basketball dribbling passing shooting and rebounding understanding the team concept dealing with difficult situations and more *Basketball and Philosophy* Jerry Walls, 2007-03-09 What can the film Hoosiers teach us about the meaning of life How can ancient Eastern wisdom traditions such as Taoism and Zen Buddhism improve our jump shots What can the Zen Master Phil Jackson and the Big Aristotle Shaquille O Neal teach us about sustained excellence and success Is women s basketball better basketball How ethically should one deal with a strategic cheater in pickup basketball With NBA and NCAA team rosters constantly changing what does it mean to play for the same team What can coaching legends Dean Smith Rick Pitino Pat Summitt and Mike Krzyzewski teach us about character achievement and competition What makes basketball such a beautiful game to watch and play Basketball is now the most popular team sport in the United States each year more than 50 million Americans attend college and pro basketball games When Dr James Naismith the inventor of basketball first nailed two peach baskets at the opposite ends of a Springfield Massachusetts gym in 1891 he had little idea of how thoroughly the game would shape American and international culture Hoops superstars such as Michael Jordan LeBron James and Yao Ming are now instantly recognized celebrities all across the planet So what can a group of philosophers add to the understanding of basketball It is a relatively simple game but as Kant and Dennis Rodman liked to say appearances can be deceiving Coach Phil Jackson actively uses philosophy to improve player performance and to motivate and inspire his team and his fellow coaches both on and off the court Jackson has integrated philosophy into his coaching and his personal life so thoroughly that it is often difficult to distinguish his role as a basketball coach from his role as a philosophical guide and mentor to his players In *Basketball and Philosophy* a Dream Team of twenty six basketball fans most of whom also happen to be philosophers proves that basketball is the thinking person s sport They look at what happens when the Tao meets the hardwood as they explore the teamwork patience selflessness and balanced and harmonious action that make up the art of playing basketball **Coaching**

Basketball Beyond Paper Dean Oliver,2024 As a follow up to Dean Oliver s *Basketball on Paper* *Basketball beyond Paper* recounts the insights gained over Oliver s twenty years of experience using statistics to understand basketball

Race, Politics, and Basketball Gerry Kavanaugh,2017-06-09 Storytelling is one of the oldest yet most provocative human art forms It allows us to learn through the illustration and presentation of events as they happened in real time through the words of those who participated allowing the reader to understand and recognize the unvarnished truth As a means of education and learning it is innately valuable Speaking of race and racism it allows us to underscore our values and principles of social justice It allows the participants to express their insights and knowledge through their actual experiences The author has done just that with *Race Politics and Basketball* a fascinating story of race racism politics education and inequality in the early 1970s told through the voices of those who were there who witnessed it and were a part of it It provides the juxtaposition of good and decent white kids with an unparalleled mentor who kept them on the straight and narrow against good and decent Black and Cape Verdean kids who were forced to face the daily forces of inequality and racial unrest each and every day The summer of 1970 was immensely educational for all who experienced it The Vietnam War the civil rights movements Black Panthers a long dreary recession with high unemployment all explained through the voices of white and Black kids and adults who were there in New Bedford Massachusetts living through it and navigating the ebbs and flows of their daily lives In the middle of it all a 17 year old Cape Verdean kid standing outside a club in the city s West End during a period of unrest was gunned down by three white kids from the suburbs They didn t even know him To top it off they were all acquitted at trial despite the fact that the guy who shot the gun confessed to it The book tells a fascinating story of inequality race and politics that can help us understand the struggles that we are still going through today as we try to understand and reconcile our differences and treat everyone as equals Anyone interested in the issue of race and racism in

America today should read this story Gerry Kavanaugh is the Senior Vice Chancellor at the University of Massachusetts Dartmouth He was the Chief of Staff to Senator Edward M Kennedy in Washington DC and now lives in New Bedford with his wife Colleen Drinking and Drafting: Fantasy Basketball Strategy for Each Phase of the Game Josh Ahlstrom

Synopsis, 2012-09-23 If your interest in this book is in taking your fantasy basketball game to the next level then Drinking and Drafting might as well have been written for you personally Fantasy basketball is a lot of fun but it takes quite a bit of skill and effort to be a great manager This book will help you know when and where to focus your efforts and how to best tweak your own approach to team management in order to fit your personal strengths weakness I ve been playing fantasy basketball for more than a decade and over I ve created multiple tools for team managers to analyze trades compare players and even analyze entire teams based on scheduling and other factors I m probably the only fantasy basketball author who has coded an entire fantasy basketball scoring system and hosted fantasy leagues on my own systems The time I have spent studying fantasy basketball and the things I ve learned through the development of my own systems is a big part what makes me comfortable writing this book I decided that if I was to write a book for fantasy basketball managers then I wanted to go all I set out to produce something that would show others the tricks of trade to become better players and that will provide huge value to readers and this book is the culmination of that effort A large portion of the book focuses on fantasy basketball strategy the act of developing and carrying out a strategy Yes it s a bogus word I know The prominent use of the word in the title will hopefully be a sign to the reader that the book is written in a light hearted and down to earth way But have no doubt that it is packed full of useful information for fantasy basketball managers Here s a quick listing of the types of things discussed Different fantasy basketball strategies and how to choose which one you want to use How to initially rank players and how to customize tweak your rankings Drafting strategies Team management tips for during the regular season playoffs and offseacon keeperleagues Trade analysis fundamentals and how to maximize your chances of getting deals done Lots more Drinking and Drafting describes each phase of the fantasy basketball season from the preseason offseason all the way up through the fantasy playoffs and tells you exactly what you should be doing during each phase to gain a competitive advantage Those who are just getting in to fantasy basketball will certainly appreciate how the book is carefully broken down into manageable chunks representing each phase of the season Following the advice presented will save new managers countless hours and errors and minimize many of the mistakes that are made by newcomers Many of these mistakes have been historically made by just about everyone ever to play fantasy basketball Just like in the Matrix everyone falls the first time but with this book you won t actually have to make all of those noob mistakes Seasoned fantasy basketball players will find proven ideas about what makes a fantasy basketball team successful and about how to maximize their own skills in each area of the game There s an abundance of information about how to identify your strengths and weaknesses as well as how to both choose and execute a strategy based on them When you re done with Drinking and Drafting you ll know more about

fantasy basketball head to head strategy than you ever thought you would You ll also perform better once you start applying the concepts You ll know exactly what parts of your game you can improve and you ll have actionable tips for how to make some of those improvements right away In short Drinking and Drafting will help you to realize and maximize your own skill knowledge creativity mathematical and optimization prowess in the realm of fantasy basketball [Maryland Basketball](#) Paul McMullen,2002-10-25 All of their stories are told in Maryland Basketball Tales from Cole Field House
