

JOHN BIERMAN & COLIN SMITH

ALAMEIN

WAR WITHOUT HATE

'An excellent book, ably and well written. Ought to be recognised as one of the most successful histories of the Western Desert and North African fighting yet to have appeared.' John Kegan, *Daily Telegraph*

Alamein War Without Hate

Frances Houghton

Alamein War Without Hate:

Alamein Colin Smith, John Bierman, 2012-03-29 Excellent a remarkable achievement and ought to be recognised as one of the most successful histories of the Western Desert and North African fighting yet to have appeared John Keegan Daily Telegraph For the British the battle fought at El Alamein in October 1942 became the turning point of the Second World War In this study of the desert war John Bierman and Colin Smith show why it is remembered by its survivors as a war without hate Through extensive research the authors provide a compellingly fresh perspective on the see saw campaign in which the two sides chased each other back and forth across the unforgiving North African landscape *Damn This War!* Julie Hankey, 2023-11-09 Moving funny an exquisite story of love hope distance and ultimately disenchantment Mail on Sunday A sad and truthful fragment of modern history TLS Beautifully written Jenny Uglow The love story of Zippa and Tony is nothing without the context of the Second World War The war introduced them they met as blackout wardens in London It gave them darkened streets to wander in hand in hand then by sending Tony away to officer training camps it sharpened their hunger for each other casting a glow over his comings and goings It turned them into schemers and wingers against fate and army regulations It pressed them into marriage and when the war decided to deploy him to North Africa it whispered the urgent question of a baby To which Tony thinking of the war replied maybe not and Zippa thinking of the war said yes In spite of themselves the war experience was changing them both and yet both were hanging on looking back suspended in memory and time and living from letter to letter Decades later their daughter Julie discovered their letters and piecing them together began to create a portrait of her parents and their relationship that was completely unfamiliar to her Vivid honest and completely absorbing *Damn This War* is a true insight into a wartime love story *'Strafer'* N. S. Nash, 2013-09-18 Unexpectedly selected by Churchill to command 8th Army in 1942 in place of the sacked Auchinleck Strafer Gott was targeted by German intelligence as he flew to Cairo to take up his new post Six ME109s intercepted his aircraft and after shooting it down deliberately machine gunned the crash scene Gott became the only Allied general to be successfully targeted by the Germans and as a result Montgomery was given command and the rest is history But as this long overdue and well researched biography reveals Strafer deserves to be remembered for his exceptional talents meteoric career and record of gallantry As a young officer in The Great War he won the Military Cross many thought a VC would have been more appropriate and he repeatedly attempted to escape In 1939 he was commanding his Battalion as a Lieutenant Colonel and two years later he became a Lieutenant General He was recognised as a superb Desert General whose aggression originality and leadership qualities were supported by charm warmth and compassion While it is fascinating if unproductive to surmise what would have happened had Gott and not Monty fought Rommel it can be confidently said that relations with our allies would have benefitted Drawing on primary source material this first biography of an outstanding soldier and commander is not only a rewarding and revealing read but an important addition to the bibliography of the Second World War As featured

in the Dover Express Ashford Herald and Folkestone Herald **The Veterans' Tale** Frances Houghton,2019-01-10 Reveals how memoirs are rich repositories of information about the ways in which veterans remembered understood and recounted their war **We Can Take It!** Mark Connelly,2014-07-10 We Can Take It shows that the British remember the war in a peculiar way thanks to a mix of particular images and evidence Our memory has been shaped by material which is completely removed from historical reality These images including complete inventions have combined to make a new history The vision is mostly cosy and suits the way in which the Britons conceive of themselves dogged good humoured occasionally bumbling unified and enjoying diversity In fact Britons load their memory towards the early part of the war Dunkirk Blitz Battle of Britain rather than when we were successful in the air or against Italy and Germany with invasions This suits our love of being the underdog fighting against the odds and being in a crisis Conversely the periods of the war during which Britain was in the ascendant are perversely far more hazy in the public memory **Death of the Wehrmacht** Robert Michael Citino,2007 A deft lively and highly readable history of the demise of the German way of war As the allies found an antidote to the shock and awe approach of the Wehrmacht the once mighty German army underwent an epic fall from remarkable operational victories to crushing operational defeats forced to take on a defensive stance in a war it could never win **Up Close and Personal** David Lee,2006-04-01 An in depth analysis of what it was really like to fight at the sharp end in every theater of the Second World War from the author of Beachhead Assault In 1947 US General S L A Marshall controversially wrote that out of every one hundred combat soldiers only fifteen to twenty five actually fired their weapons at the enemy because of the innate human reluctance to take another s life Others maintained the opposite view that soldiers enjoyed killing David Lee demonstrates that the situation was far more complex than either of these positions arguing that the crucial factor for a unit s success in battle was the type of training it received To illustrate this Lee covers actions from each theater of the war in depth and with comprehensive coverage of weapons and tactics First there is the story of what happened when a battalion of British soldiers trained in the traditional manner came up against the Waffen SS whose training was formidable and bore close resemblance to the Commandos The success of No 4 Commando at Dieppe is covered to show how this was put into effect For the desert war there is a detailed look at how a rifle battalion held the snipe position against overwhelming odds and how that same battalion was virtually wiped out when it later went to Italy For the Far East Lee explains how hatred of the Japanese Army gave impetus to British soldiers fighting at Kohima and American soldiers at Iwo Jima And finally there is the story of one US infantry regiment on D Day 1939-1945 As I Remember Stephen Keoghane,2021-12-02 Leslie Wheeler was born in Devizes Wiltshire in 1909 and in 1927 he enlisted in his local Territorial Army regiment the Royal Wiltshire Yeomanry Leslie served throughout the Second World War in the Middle East North Africa and Italy as a senior non commissioned officer and was then commissioned as quartermaster into the regiment that he clearly loved His honest and revealing memoirs depict the final years of horsed cavalry in the British Army the wartime

transition to mobile but poorly equipped desert columns and finally the transition to a tank regiment The often overlooked 1941 campaigns in Syria Iraq and Persia as well as El Alamein and the fight north through Italy are described by the author in a typically understated fashion What makes this tale unique is the often amusing and sometimes cynical perspective of a senior and experienced soldier working tirelessly in the quartermaster s department to keep his regiment supplied in peace and war

Rethinking Military History Jeremy Black,2004 This volume re positions military history at the beginning of the 21st century Jeremy Black reveals the main trends in the practice and approach to military history and proposes a new manifesto for the subject to move forward

Fighting the People's War Jonathan Fennell,2019-01-24 Jonathan Fennell captures for the first time the true wartime experience of the ordinary soldiers from across the empire who made up the British and Commonwealth armies He analyses why the great battles were won and lost and how the men that fought went on to change the world

War Without Hate John Bierman,Colin Smith,2004 Chased each other back and forth across the unforgiving North African landscape Book jacket

Special Operations in World War II Andrew L. Hargreaves,2013-10-28 British and American commanders first used modern special forces in support of conventional military operations during World War II Since then although special ops have featured prominently in popular culture and media coverage of wars the academic study of irregular warfare has remained as elusive as the practitioners of special operations themselves This book is the first comprehensive study of the development application and value of Anglo American commando and special forces units during the Second World War Special forces are intensively trained specially selected military units performing unconventional and often high risk missions In this book Andrew L Hargreaves not only describes tactics and operations but also outlines the distinctions between commandos and special forces traces their evolution during the war explains how the Anglo American alliance functioned in the creation and use of these units looks at their command and control arrangements evaluates their impact and assesses their cost effectiveness The first real impetus for the creation of British specialist formations came in the desperate summer of 1940 when having been pushed out of Europe following defeat in France and the Low Countries Britain began to turn to irregular forces in an effort to wrest back the strategic initiative from the enemy The development of special forces by the United States was also a direct consequence of defeat After Pearl Harbor Hargreaves shows the Americans found themselves in much the same position as Britain had been in 1940 shocked outnumbered and conventionally defeated they were unable to come to grips with the enemy on a large scale By the end of the war a variety of these units had overcome a multitude of evolutionary hurdles and made valuable contributions to practically every theater of operation In describing how Britain and the United States worked independently and cooperatively to invent and put into practice a fundamentally new way of waging war this book demonstrates the two nations flexibility adaptability and ability to innovate during World War II

Walking Wounded Andrew Taylor,2013-10-24 This uncompromising biography tells the story of a wounded D Day veteran a deserter a violent drunk a loving father who

abandoned his first child a boxer and brawler a wife beater a bigamist and a passionately romantic lover It is also most importantly the story of a poet Vernon Scannell wrote some of the finest poetry to come out of the Second World War He won the Chomondeley Prize and the Heinemann Award and for half a century he was acknowledged as one of the leading poets in the country His Collected Poems are still in print and his poetry for both adults and children is regularly anthologised and appears on English Literature examination papers Scannell died in 2007 and Walking Wounded draws on his personal diaries poems and other writings to offer the first detailed study of this complex controversial and occasionally tragic life For the first time the women who loved him tell their stories his children describe growing up with a father who was funny affectionate sometimes violent and often not there at all and his fellow poets including Seamus Heaney Anthony Thwaite Alan Brownjohn and Kit Wright speak of the dedicated stylist assured performer and occasionally roistering drunk that they knew Scannell was seriously wounded in Normandy shortly after D Day but the book looks at the deeper mental scars from the War that he bore all his life and of the suffering they caused to him and the people who loved him It is an important book about an important poet which investigates where poetry comes from and the terrible price that sometimes has to be paid for it

Montgomery Nigel Hamilton, 2007 This fascinating study of military leadership follows British general Bernard Law Montgomery's military career from his cadet days and service in World War I to his great victories of World War II including his defeat of the great German panzer commander Erwin Rommel at Alamein Nigel Hamilton presents a brilliant arrogant Montgomery who refused to bow to authority and skated on the edge of dismissal like his American counterpart George S Patton Though very different in their command styles Montgomery and Patton became the two most successful Allied field generals in World War II From North Africa through the invasion of Sicily they routed the Germans in battle with Patton as a thrusting cavalryman and Montgomery as an infantry commander devoted to applying massive force at a vital point The author contends that Montgomery's planning and leadership transformed Operation Overlord from a Second Front project doomed to fail into a successful Allied invasion plan Allied operations after Normandy foundered in bitter arguments and failure for Montgomery at Arnhem and Patton at Metz Had Montgomery and Patton been ordered to fight in the same direction after Normandy argues Professor Hamilton the Allies might have ended the war in Europe in 1944 As it was Montgomery and Patton had to save the Allies from sensational defeat in the Battle of the Bulge in what was to be their last battle together The war ended for Monty on May 4 1945 when he accepted the surrender of all German forces in the north

Highlanders' Revenge Paul Tors, 2016-07-27 It was the first week of May 1940 and Mash was part of a patrol from the Cameron Highlanders They were a few miles in front of the Maginot Line the impregnable defensive system the French had built along the German border on what the French called the Line of Contact Highlanders' Revenge tells the story of Mash the nickname Highland soldiers give to an Englishman in their ranks Scarred both from the retreat before the Blitzkrieg advance across France and from the murder of his first love Mash has to integrate himself into a new section that is wary of the sullen

and secretive Mash Man an outsider in their midst Together they journey to Egypt where they encounter a way of life that tests them to their limits Scorched by day frozen by night and plagued by insects they have to learn how to live and fight in the desert as they prepare for one of the greatest battles of the Second World War They are then cast into the thick of the fighting at El Alamein and the Allies tumultuous battle to break through the Axis defenses Highlanders Revenge combines the fast paced action and intrigue of a military novel with the real life exploits of the 5th Camerons an extraordinary unit that saw action in most of the major battles in North Africa and Western Europe As a result the book is both a riotous story of battle and life and also an insight into the world of this little known but fierce fighting unit It will appeal to fans of military fiction who also appreciate historical accuracy

The Gurkha Way John Sadler,2023-12-30 In the 18th century in the town of Gorkha just north of Kathmandu ruler Prithvi Narayan fought campaigns against his neighbors and the British During the fighting his warriors renowned for their aggression and courage gained the respect of the British who appreciated that the steadfast warriors would make excellent soldiers Upon the declaration of peace in 1816 a partnership was born This alliance would play a vital role in UK defense over the next two centuries from surviving the Indian Mutiny of 1857 and fighting in the jungles of Burma to the Khyber Pass which would keep the Gurkhas in action for ninety years The First World War sent the Regiment to the trenches where battalion after battalion was decimated Some 20 Gurkha battalions were deployed in the Second World War which was soon increased to 45 following Dunkirk Around 250 000 Gurkha soldiers would serve and were deployed most significantly in North Africa but also served with distinction in the Italian Campaign and Monte Cassino as well as the decisive battles of Imphal and Kohima in the Far East while the Gurkhas saw a drop in overall numbers post war they have continued to make integral contributions to many operations including the Falklands and in Afghanistan which this book examines extensively with a special focus on Operation Herrick In *The Gurkha Way* John Sadler tells the story of the Gurkhas from their inception to modern day through interviews unpublished diaries and correspondence With over 200 years experience these steadfastly loyal soldiers are a link to an imperial past but also a key component of the modern British army There is no other comparable unit in any of the world s armies with the obvious exception of the Indian Army or one more respected and loved by the British

New Directions in African Military History Timothy J. Stapleton,2025-06-02 *New Directions in African Military History* takes a thematic approach to the history of war and military structures in Africa and highlights the under researched areas African Military History represents a relatively new and fast growing sub field bridging the previously wide gap between the well established genres of African History and Military History Based on a synthesis of existing literature and aimed at a wide readership this book adopts a broad temporal range and uses select examples to highlight a series of points to cover the pre colonial to post colonial eras and offer examples from various parts of the continent This volume evaluates controversial academic debates examining evidence research methods approaches and changing historiographical contexts as well as pointing to potential new areas of research It comprises seven thematic

chapters on ways of war weapons technology navies air power battles women combatants and genocide in African history This volume will be of value to students and scholars alike interested in Modern History Military History and African History

Desert War Peter Cox,2015-05-01 Sir Geoffrey Cox described Sidi Rezegh fought during Operation Crusader in Libya over November and December 1941 as the forgotten battle of the Desert War The objective of Crusader was to retake Cyrenaica the eastern region of Libya and ultimately drive the Italians and Germans out of North Africa The campaign also involved British and South African troops and did achieve the badly needed relief of Tobruk Despite the New Zealand Division s major role and the importance of this campaign in achieving British victory in North Africa it has largely been neglected by historians failing to receive as much attention as Crete El Alamein or Cassino Yet more New Zealand soldiers were killed or taken prisoner during Crusader than in any other campaign fought by the Div during the war Peter Cox whose father fought at Sidi Rezegh draws on his experience of twice visiting the battlefield to tell the story of this complex and costly campaign He sets the scene for the fighting in Libya describes the unforgiving and inhospitable desert landscape follows the stages of the action itself and recounts the often moving and heroic stories of the New Zealanders who fought there Many never returned home This is both a very accessible account of a significant New Zealand contribution to World War II and a tribute to the thousands of men who took part in this punishing battle

The Elusive Quest of the Spiritual Malcontent Timothy C. F. Stunt,2015-08-31 Timothy C F Stunt has gathered a range of his essays both published and unpublished in a collection of largely biographical studies His subjects range from discontented Quakers hesitating over their identity to respectable Anglicans who were fascinated with the charismatic phenomena of tongue speaking and healing Some of the characters with whom he is concerned can be described as mavericks on account of their strikingly individualist inclinations Occasionally their unpredictability takes on a quasi comic identity which could even qualify them to be described as loose cannons On the other hand some of them like Edward Irving Norris Groves and John Darby played a crucial part in the development of nineteenth century evangelicalism In their quest for the ideal church of their dreams they were often disappointed but one cannot but admire the single mindedness of their quest

Alamein John Bierman,Colin Smith,2002 The Battle of Alamein was one of the greatest set piece battles in World War II and the victory for the allied troops was the turning point in the fortunes of war Within a year of the battle Mussolini has been toppled and the Anglo American forces had established a firm presence in Italy

Alamein War Without Hate Introduction

In today's digital age, the availability of Alamein War Without Hate books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Alamein War Without Hate books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Alamein War Without Hate books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Alamein War Without Hate versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Alamein War Without Hate books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Alamein War Without Hate books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Alamein War Without Hate books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable

examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Alamein War Without Hate books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Alamein War Without Hate books and manuals for download and embark on your journey of knowledge?

FAQs About Alamein War Without Hate Books

What is a Alamein War Without Hate PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Alamein War Without Hate PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Alamein War Without Hate PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Alamein War Without Hate PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Alamein War Without Hate PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to

share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
