The Rhetoric of Oil in the Twenty-First Century Heather Graves,David Edward Beard,2019-04-05 This book examines mass communication and civic participation in the age of oil analyzing the rhetorical and discursive ways that governments and corporations shape public opinion and public policy and activists attempt to reframe public debates to resist corporate framing In the twenty first century oil has become a subject of civic deliberation Environmental concerns have intensified questions of indigenous rights have arisen and private and public investment in energy companies has become open to deliberation International contributors use local events as a starting point to explore larger issues associated with oil dependent societies and cultures This interdisciplinary collection synthesizes work in the energy humanities rhetorical studies and environmental studies to analyze the global discourse of oil from the start of the twentieth century into the era of transnational corporations of the 21st century This book will be a vital text for scholars in communication studies the energy humanities and in environmental studies Case studies are framed accessibly and the theoretical lenses are accessible across disciplines making it ideal for a post graduate and advanced undergraduate audience in these fields

Christina Alberta's father H. G. Wells,2023-07-10 In Christina Alberta s Father H G Wells delivers a poignant narrative that intricately examines the complexities of familial relationships and societal expectations in early 20th century England

The novel is notable for its rich descriptive prose and character driven style characteristics emblematic of Wells's transition from science fiction to broader social commentary. At its heart lies the tumultuous relationship between Christina, a young woman seeking independence, and her disillusioned father, whose struggles reflect the anxieties of a changing world. Through a blend of realism and psychological exploration, Wells invites readers to contemplate notions of love, duty, and self-fulfillment in an evolving society.

H. G. Wells, a pivotal figure in modern literature, is renowned for his innovative contributions to science fiction and his fervent social critiques. Wells's own experiences, including his education and exposure to the stark realities of the working class, informed his understanding of social dynamics. By examining personal and social conflicts, he sought to challenge and inspire change, crafting narratives that reveal the often painful realities of human existence. For readers interested in a compelling exploration of family and identity against the backdrop of societal transformation, *Christina Alberta's Father* is an essential work. Its themes remain resonant today, making it a timeless reminder of the complexities of love, loss, and the quest for individual agency.

Resources in education, 1983-12 **Super Searchers on Wall Street** Amelia Kassel, 2000. Interviews with expert researchers reveal to day traders and investors the secrets for finding investment related information online. The best Web sites, online databases, and other electronic resources used by investment professionals to gather and analyze market data are detailed. Experts interviewed include researchers from General Motors Investment Management Corporation, State Street Global Advisors, Oliver Wyman Company, and other top firms.

Christina Alberta's Father Herbert George Wells, 1925. While Wells is primarily remembered for his science fiction, he also made excursions into history, social science, and commentary. This novel tells how a retired laundry man suffered from delusions that he was the reincarnation of Sargon, King of Kings, returned to earth as Lord of the World.

Hearings United States. Congress. Senate, 1955. **Nomination of Frederick A. Seaton to be Secretary of the Interior** United States. Congress. Senate. Committee on Interior and Insular Affairs, 1956. *Multiple Surface Uses of the Public Domain* United States. Congress. Senate. Committee on Interior and Insular Affairs, 1955. Considers legislation to revise public land mineral resource development regulations.

Our Army, 1946. *Recipe for Scandal* Debby Holt, 2010-03-11. Living with her partner Tony, his parents, and their precocious teenage son, Alberta Granger considers she belongs to the perfect modern extended family. With her catering business booming and her daughter embarking on a glittering career in London, Bertie reckons she can cope with the mild irritants of her difficult stepson's visits and her father's ongoing disapproval of Tony. But some truly shocking news is about to rock Bertie's world to its foundations. As a torrent of tabloid headlines engulfs the family in a very public scandal, Bertie is forced to face the fact that some of her nearest and dearest—those closest family members she thought she knew so well—have been keeping secrets, leading mysterious double lives she knew nothing about. As revelation follows revelation, old wounds re-open and former grudges re-surface. Is Bertie's family unit tight enough to survive? Is her relationship with Tony solid enough to withstand the
