Art And Language In Practice:

Art & language in practice: Simposi crític Michael Baldwin, Charles Harrison, Mel Ramsden, 1999 Essays on Art and Language Charles Harrison, 2003-09-12 Critical and theoretical essays by a long time participant in the Art Language movement These essays by art historian and critic Charles Harrison are based on the premise that making art and talking about art are related enterprises They are written from the point of view of Art Language the artistic movement based in England and briefly in the United States with which Harrison has been associated for thirty years Harrison uses the work of Art Language as a central case study to discuss developments in art from the 1950s through the 1980s According to Harrison the strongest motivation for writing about art is that it brings us closer to that which is other than ourselves In seeing how a work is done we learn about its achieved identity we see for example that a drip on a Pollock is integral to its technical character whereas a drip on a Mondrian would not be Throughout the book Harrison uses specific examples to address a range of questions about the history theory and making of modern art questions about the conditions of its making and the nature of its public about the problems and priorities of criticism and about the relations between interpretation and judgment

Conceptual Art Alexander Alberro, Blake Stimson, 2000-08-25 This landmark anthology collects for the first time the key historical documents that helped give definition and purpose to the conceptual art movement Compared to other avant garde movements that emerged in the 1960s conceptual art has received relatively little serious attention by art historians and critics of the past twenty five years in part because of the difficult intellectual nature of the art This lack of attention is particularly striking given the tremendous influence of conceptual art on the art of the last fifteen years on critical discussion surrounding postmodernism and on the use of theory by artists curators critics and historians This landmark anthology collects for the first time the key historical documents that helped give definition and purpose to the movement It also contains more recent memoirs by participants as well as critical histories of the period by some of today's leading artists and art historians Many of the essays and artists statements have been translated into English specifically for this volume A good portion of the exchange between artists critics and theorists took place in difficult to find limited edition catalogs small journals and private correspondence These influential documents are gathered here for the first time along with a number of previously unpublished essays and interviews Contributors Alexander Alberro Art Language Terry Atkinson Michael Baldwin Robert Barry Gregory Battcock Mel Bochner Sigmund Bode Georges Boudaille Marcel Broodthaers Benjamin Buchloh Daniel Buren Victor Burgin Ian Burn Jack Burnham Luis Camnitzer John Chandler Sarah Charlesworth Michel Claura Jean Clay Michael Corris Eduardo Costa Thomas Crow Hanne Darboven Ra l Escari Piero Gilardi Dan Graham Maria Teresa Gramuglio Hans Haacke Charles Harrison Roberto Jacoby Mary Kelly Joseph Kosuth Max Kozloff Christine Kozlov Sol LeWitt Lucy Lippard Lee Lozano Kynaston McShine Cildo Meireles Catherine Millet Olivier Mosset John Murphy H lio Oiticica Michel Parmentier Adrian Piper Yvonne Rainer Mari Carmen Ramirez Nicolas Rosa Harold Rosenberg Martha

Roberts, 2023-11-07 Across a powerfully wide ranging set of themes theoretical registers and historical examples John Roberts analyses the key problems that continue to confront art after conceptual art in the light of art's longstanding relationship to market and institution the commodity and mass culture namely artistic labour and technology modernity and the new art and negation identity and subjectivity agency and audience form and value In these terms the book provides a rigorous and ambitious examination of the limits and possibilities of art's contribution to emancipatory discourse and practice

Rewriting Conceptual Art Michael Newman, Jon Bird, 1999-12 An international movement that developed along separate but parallel lines in Europe and America during the 1970s Conceptual Art grew out of the legacy of Marcel Duchamp Aiming to completely redefine the relationships between the production definition and ownership of artworks and their various audiences Conceptual artists rejected traditional formats media and definitions Instead they chose to address some of the key issues underlying modern life and art These included the gulf between initial idea and finished work the value

assigned works of art in modern economies the role of women and of feminine creativity in general the politics of exhibition organization in short the ways art and the art world have been defined for centuries Among the notable figures whose work is discussed in essays ranging from the evaluative to the theoretical are Judy Chicago Robert Morris Sol LeWitt Marcel Broodthaers and Mary Kelly The influence of Conceptual Art continues to be felt today in the work of such controversial young artists as Rachel Whiteread and Damien Hirst back cover

Rhyme and Rhyming in Verbal Art, Language, and Song Venla Sykär, Nigel Fabb, 2022-12-05 This collection of thirteen chapters answers new questions about rhyme with views from folklore ethnopoeitics the history of literature literary criticism and music criticism psychology and linguistics The book examines rhyme as practiced or as understood in English Old English and Old Norse German Swedish Norwegian Finnish and Karelian Estonian Medieval Latin Arabic and the Central Australian language Kaytetye Some authors examine written poetry including modernist poetry and others focus on various kinds of sung poetry including rap which now has a pioneering role in taking rhyme into new traditions Some authors consider the relation of rhyme to other types of form notably alliteration An introductory chapter discusses approaches to rhyme and ends with a list of languages whose literatures or song traditions are known to have rhyme

The Arts and Emergent Bilingual Youth Sharon Verner Chappell, Christian J. Faltis, 2013-04-17 The Arts and Emergent Bilingual Youth offers a critical sociopolitical perspective on working with emerging bilingual youth at the intersection of the arts and language learning Utilizing research from both arts and language education to explore the ways they work in tandem to contribute to emergent bilingual students language and academic development the book analyzes model arts projects to raise questions about best practices for and with marginalized bilingual young people in terms of relevance to their languages cultures and communities as they envision better worlds A central assumption is that the arts can be especially valuable for contributing to English learning by enabling learners to experience ideas patterns and relationship form in ways that lead to new knowledge content Each chapter features vignettes showcasing current projects with ELL populations both in and out of school and visual art pieces and poems to prompt reflection on key issues and relevant concepts and theories in the arts and language learning Taking a stance about language and culture in English learners lives this book shows the intimate connections among art narrative and resistance for addressing topics of social injustice

Conceptual Performance Nick Kaye, 2023-12-22 Conceptual Performance explores how the radical visual art that challenged material aesthetics in the 1960s and 1970s tested and extended the limits character and concept of performance Conceptual Performance sets out the history theoretical basis and character of this genre of work through a wide range of case studies The volume considers how and why principal modes and agendas in Conceptual art in the 1960s and 1970s necessitated new engagements with performance as well as expanded notions of theatricality In doing so this book reviews and challenges prevailing histories of Conceptual art through critical frameworks of performativity and performance It also considers how Conceptual art adopted and redefined terms and tropes

of theatre and performance including score document embodiment documentation relic remains and the narrative recuperation of ephemeral work While showing how performance has been integral to Conceptual art s critiques of prevailing assumptions about art s form purpose and meaning this volume also considers the reach and influence of Conceptual performance into recent thinking and practice This book will be of interest to scholars and students of theatre performance contemporary art and art history *A Show of Hands* Ileana Parvu,2024-12-13 In contrast to the divide between conception and execution advocated by Anglo American artists in the second half of the 1960s this book reappraises conceptual art by examining it from the perspective of craft The emphasis on craft shifts the focus from the Western art system to its margins where creators were relegated to the status of mere artisans in the colonial context on the pretext that attaining that of artists was beyond their reach From this peripheral point of view the book shows that work carried out with artisanal means can lead to conceptual practice Moreover this shift in perspective provides a new understanding of several positions within conceptualism which ultimately appears as an ongoing reflection on the role of the hands making and craft Look inside

Critical Kitaj James Aulich,John Lynch,2000 Kitaj is a major figure on the post war international art scene His retrospective at the Tate in 1994 generated argument and discussion In over 30 years as a successful artist he has explored the relationship between the visual and the poetic taken references from high literature and popular culture represented heroic figures and struggled to develop an iconography of post Holocaust Jewish identity **A Companion to Art Theory** Paul Smith,Carolyn Wilde,2008-04-15 The Companion provides an accessible critical survey of Western visual art theory from sources in Classical Medieval and Renaissance thought through to contemporary writings Neo-avant-garde David Hopkins,2006 The neo avant garde of the 1950s 60s and 70s is due for a thoroughgoing reassessment This collection of essays represents the first full scale attempt to deal with the concept from an interdisciplinary standpoint A number of essays in this book concentrate on fine art particularly painting and sculpture thereby adding significantly to the growing art historical literature in the field but a number of the contributions also focus on poetry performance theatre film architecture and music Given that there are also major essays here dealing with geographical blindspots in current neo avant garde studies with thematic issues such as art s entanglement with gender mass culture and politics with key neo avant garde publications and with the purely theoretical problems attaching to the theorisation of the topic this collection offers a multi dimensional approach to the subject which is noticeably lacking elsewhere Taken together these essays represent a consolidated attempt at re thinking the cultural logic of the immediate post World War II period **Revolutionary Time and the Avant-Garde** John Roberts,2015-08-18 Since the decidedly bleak beginning of the twenty first century art practice has become increasingly politicized Yet few have put forward a sustained defence of this development Revolutionary Time and the Avant Garde is the first book to look at the legacy of the avant garde in relation to the deepening crisis of contemporary capitalism An invigorating revitalization of the Frankfurt School legacy Roberts s book defines and validates

the avant garde idea with an erudite acuity providing a refined conceptual set of tools to engage critically with the most advanced art theorists of our day such as Hal Foster Andrew Benjamin Alain Badiou Jacques Ranciere Paolo Virno Claire Bishop Michael Hardt and Toni Negri
