The New Village Green Stephen Morris, the Editors of Green

Living,2007-09-01 *The Village Green* is the focal point of any community, a gathering place where the best ideas take root and the brightest voices are heard. *The New Village Green* gathers some of the best ideas and brightest voices of the green community, some famous and familiar, others fresh and unknown. Each tells an absorbing story, and collectively they comprise a powerful chorus that profiles the current state of the environment. This remarkable book gathers wisdom and insight from a compelling and thought-provoking virtual community. Each contributor brings a unique perspective that mingles reverence for the environment with provocative thoughts for the future. Topics range from spirituality to solar panels, and just like a real village green, are juxtaposed with opinions from the new village people, including writers Bill McKibben and Michael Pollan.

Scientists James Lovelock and Donella Meadows Spiritual leaders Gandhi and Buddha Practical homespun topics are given equal time Good reasons to embrace alternative currencies Tips for growing great garlic Meant to be devoured in one sitting or sipped a little at a time this book springboards the green movement into the future by acknowledging its roots in the past Rachel Carson Paul Ehrlich and Helen and Scott Nearing are as relevant today as the Slow Food Movement and Peak Oil This book will touch the heart of anyone who lives with conscience and hope **Making Lemonade** Martin L. Mazorra,2007-06 Over the past twenty two years Mr Mazorra has helped literally hundreds of investors design and maintain their long term portfolios and in the process has discovered the secret to long term investment success And you won t find it in a financial magazine at a seminar or on one of the popular financial news networks The beauty of this secret is its simplicity It s not some groundbreaking concept or complicated strategy in a word it s behavior How investors behave when it comes to their money will inevitably determine their degree of investment success Inspired by the hopes fears dreams and aspirations of his clients this little book is a compilation of client newsletters and newspaper articles on the subjects of investing and the economy that Mr Mazorra has authored over the years These brief essays written during times of euphoria and times of despair will illustrate for you how becoming a successful long term investor may just be one of the easiest things you ll ever do Are You a Stock or a Bond? Moshe A. Milevsky Ph.D.,2012-09-21 You must be aware of the value potential return and risk of your own human capital your job career and what you do for a living as opposed to stocks and bonds or other investment choices as well as financial capital and investments to plan a secure future Human capital is the most valuable asset that you will own over your lifecycle You need to balance all financial decisions with the characteristics of your human capital The key trends identified in the first edition of the book namely the decline of Defined Benefit DB pension provision the continued increase in human longevity and the risk of personal inflation are as relevant today as they were five years ago The financial crisis has taught us that all types of capital human financial and even social are key to a secure financial future If your career has stock like growth and risk characteristics Milevsky helps you balance your portfolio by tilting investments towards safer bonds If your job is more secure but offers lower financial upside you ll learn to tilt your investments towards stocks that compensate for your lower earning potential Either way Milevsky shows you how to integrate investments insurance annuities and retirement plans to generate the safe and reliable income you ll need This Edition s updates include New 2012 data charts figures and references More coverage of incorporating human capital into financial planning Advice reflecting the aftermath of the financial crisis Easier more usable techniques and less math *Montana Water Rights* United States.
