## **Creating German Communism 1890 1990 From Popular Protests To Socialist State:**

**Creating German Communism, 1890-1990** Eric D. Weitz, 1997-01-12 This social and political history of German communism ranges from its origins in imperial Germany to the collapse of the German Democratic Republic in 1990 The Weimar period is seen as crucial is forging a style of politics that contributed to the intransigence of the GDR during its history

**Alabama in Africa** Andrew Zimmerman, 2012-05-27 This work recounts an expedition sent by Tuskegee Institute to transform the German colony of Togo West Africa into a cotton economy like the American South This book reveals a transnational politics of labour sexuality and race invisible to earlier national imperial and comparative historical perspectives

**Neighbors and Enemies** Pamela E. Swett, 2004-09-27 Publisher Description

**Courtroom to Revolutionary Stage** Henning Grunwald, 2012-09-27 What role did the courts play in the demise of Germany's first democracy and Hitler's rise to power Courtroom to Revolutionary Stage challenges the orthodox interpretation of Weimar political justice Henning Grunwald argues that an exclusive focus on reactionary judges and a preoccupation with number crunching verdicts has obscured precisely that aspect of trials most fascinating to contemporary observers their drama Drawing on untapped sources and material previously inaccessible in English Grunwald shows how an innovative group of party lawyers transformed dry legal proceedings into spectacular ideological clashes Supported by powerful party legal offices which have hitherto escaped scholarly notice almost entirely they developed a sophisticated repertoire of techniques at the intersection of criminal law politics and public relations Harnessing the emotional appeal of tens of thousands of trials Communists and emulating them National Socialists institutionalized party legal aid in order to build their ideological communities Defendants turned into martyrs trials into performances of ideological self sacrifice and the courtroom into revolutionary stage as one prominent party lawyer put it It is this political justice as revolutionary stage that most powerfully impacted Weimar political culture While it helps to explain Weimar's demise this argument about the theatricality of justice transcends interwar Germany Trials were compelling not because they offered instruction about the revolutionary struggle but because in a sense they were the revolutionary struggle The ideological struggle their message ran left no room for fairness no possibility of a neutral platform justice was unattainable until the Republic was destroyed

**Germany and 'The West'** Riccardo Bavaj, Martina Steber, 2017-06 The West is a central idea in German public discourse yet historians know surprisingly little about the evolution of the concept Contrary to common assumptions this volume argues that the German concept of the West was not born in the twentieth century but can be traced from a much earlier time In the nineteenth century the West became associated with notions of progress liberty civilization and modernity It signified the future through the opposition to antonyms such as Russia and the East and was deployed as a tool for forging German identities Examining the shifting meanings political uses and transnational circulations of the idea of the West sheds new light on German intellectual history from the post Napoleonic era to the Cold War

**The Last Revolutionaries** Catherine Epstein, 2009-06-30 The Last

Revolutionaries tells a story of unwavering political devotion it follows the lives of German communists across the tumultuous twentieth century Before 1945 German communists were political outcasts in the Weimar Republic and courageous resisters in Nazi Germany they also suffered Stalin s Great Purges and struggled through emigration in countries hostile to communism After World War II they became leaders of East Germany where they ran a dictatorial regime until they were swept out of power by the people s revolution of 1989 In a compelling collective biography Catherine Epstein conveys the hopes fears dreams and disappointments of a generation that lived their political commitment Focusing on eight individuals The Last Revolutionaries shows how political ideology drove people s lives Some of these communists including the East German leaders Walter Ulbricht and Erich Honecker enjoyed great personal success But others including the purge victims Franz Dahlem and Karl Schirdewan experienced devastating losses And as the book demonstrates female and Jewish communists faced their own sets of difficulties in the movement to which they had given their all Drawing on previously inaccessible sources as well as extensive personal interviews Epstein offers an unparalleled portrait of the most enduring and influential generation of Central European communists In the service of their party these communists experienced solidarity and betrayal power and persecution sacrifice and reward triumph and defeat At once sordid and poignant theirs is the story of European communism from the heroic excitement of its youth to the bureaucratic authoritarianism of its middle age to the sorry debacle of its death

*The Coming of the Third Reich* Richard J. Evans, 2012-08-09 Richard Evans brilliant book unfolds perhaps the single most important story of the 20th century how a stable and modern country in less than a single lifetime led Europe into moral physical and cultural ruin and despair A terrible story not least because there were so many other ways in which Germany s history could have been played out With authority skill and compassion Evans recreates a country torn apart by overwhelming economic political and social blows the First World War Versailles hyperinflation and the Great Depression One by one these blows ruined or pushed aside almost everything admirable about Germany leaving the way clear for a truly horrifying ideology to take command

*The Communist Quest for National Legitimacy in Europe, 1918-1989* Martin Mevius, 2013-09-13 There are two popular myths concerning the relationship between communism and nationalism The first is that nationalism and communism are wholly antagonistic and mutually exclusive The second is the assertion that in communist Eastern Europe nationalism was oppressed before 1989 to emerge triumphant after the Berlin Wall came down Reality was different Certainly from 1945 onwards communist parties presented themselves as heirs to national traditions and guardians of national interests The communist states of Central and Eastern Europe constructed socialist patriotism a form of loyalty to their own state of workers and peasants Up to 1989 communists in Eastern Europe sang the national anthem and waved the national flag next to the red banner The use of national images was not the exception but the rule From Cuba to Korea all communist parties attempted to gain national legitimacy This was not incidental or a deviation from Marxist orthodoxy but ingrained in the theory and practice of the communist movement since

its inception The study of communist national legitimacy is an exciting new field This book presents examples of communist attempts to co opt nationalism from both sides of the iron curtain and lays bare the striking similarities between such diverse cases as the socialist patriotism of the Bulgarian Communist Party and the national line of the Portuguese communists between Romanian communist nation building and the national ideology of the Spanish Communist Party This book was published as a special issue of Nationalities Papers

**From Scottsboro to Munich** Susan D. Pennybacker,2009-07-26

Presenting a portrait of engaged activist lives in the 1930s this text follows a global network of individuals and organizations that posed challenges to the racism and colonialism of the era

**The Miracle Years** Hanna Schissler,2020-12-08

Stereotypical descriptions showcase West Germany as an economic miracle or cast it in the narrow terms of Cold War politics Such depictions neglect how material hardship preceded success and how a fascist past and communist sibling complicated the country s image as a bastion of democracy Even more disappointing they brush over a rich and variegated cultural history That history is told here by leading scholars of German history literature and film in what is destined to become the volume on postwar West German culture and society In it we read about the lives of real people from German children fathered by black Occupation soldiers to communist activists from surviving Jews to Turkish guest workers from young hoodlums to middle class mothers We learn how they experienced and represented the institutions and social forces that shaped their lives and defined the wider culture We see how two generations of West Germans came to terms not only with war guilt division from East Germany and the Angst of nuclear threat but also with changing gender relations the Americanization of popular culture and the rise of conspicuous consumption Individually these essays peer into fascinating overlooked corners of German life Together they tell what it really meant to live in West Germany in the 1950s and 1960s In addition to the editor the contributors are Volker R Berghahn Frank Biess Heide Fehrenbach Michael Geyer Elizabeth Heineman Ulrich Herbert Maria H hn Karin Hunn Kaspar Maase Richard McCormick Robert G Moeller Lutz Niethammer Uta G Poiger Diethelm Prowe Frank Stern Arnold Sywottek Frank Trommler Eric D Weitz Juliane Wetzler and Dorothee Wierling

**The Complete Works Volume of Rosa Luxemburg: Volume V** Rosa Luxemburg,2024-05-28 This volume is the first to contain all of Luxemburg s eloquent writings on the 1917 Russian Revolution and 1918 19 German Revolution This volume is the first to contain all of Luxemburg s eloquent writings on the 1917 Russian and 1918 19 German Revolutions It also contains articles essays and manuscripts on the European socialist movement prior to World War I and her effort to rebuild the socialist movement on revolutionary foundations in its aftermath Much of this material appears in English for the first time Her incisive contributions on revolutionary strategy the German and Russian Revolutions and the transition to socialism reveal a profound commitment to radical democracy which becomes evident as she elaborates on her lived experience with razor sharp conceptualizations of the mass strike Her democratic commitment is also highlighted in her deepening conflict with the bureaucratic conservatism afflicting the German Social Democratic Party She is horrified yet at the same time

grimly analytical while surveying the unfolding violence and brutality of the First World War Deeply inspired by Russia's 1917 upsurge she is nonetheless compelled to analyze and criticize fatal limitations of the Russian Revolution Swept up in the revolutionary chaos sweeping through Germany in 1918-1919 which results in her own martyrdom she gives voice to revolution's final testament I was I am I shall be      **Sex, Thugs and Rock 'n' Roll** Mark Fenemore, 2007 Living on the frontline of the Cold War young people in East Germany were subject to a number of competing influences the culture of their parents the new official culture taught in schools and new youth cultures Fenemore presents an account of what it was like in the 1950s and 1960s      *African Students in East Germany, 1949-1975* Sara Pugach, 2022-10-13 This book explores the largely unexamined history of Africans who lived studied and worked in the German Democratic Republic African students started coming to the East in 1951 as invited guests who were offered scholarships by the East German government to prepare them for primarily technical and scientific careers once they returned home to their own countries Drawn from previously unexplored archives in Germany Ghana Kenya Zambia and the United Kingdom *African Students in East Germany 1949-1975* uncovers individual stories and reconstructs the pathways that African students took in their journeys to the GDR and what happened once they got there The book places these experiences within the larger context of German history questioning how ideas of African racial difference that developed from the eighteenth through the early twentieth centuries impacted East German attitudes toward the students The book additionally situates African experiences in the overlapping contexts of the Cold War and decolonization During this time nations across the Western and Soviet blocs were inviting Africans to attend universities and vocational schools as part of a drive to offer development aid to newly independent countries and encourage them to side with either the United States or Soviet Union in the Cold War African leaders recognized their significance to both Soviet and American blocs and played on the desire of each to bring newly independent nations into their folds Students also recognized their importance to Cold War competition and used it to make demands of the East German state The book is thus located at the juncture of many different histories including those of modern Germany modern Africa the Global Cold War and decolonization      **Dachau and the SS** Christopher Dillon, 2015 Dachau and the SS studies the concentration camp guards at Dachau the first concentration camp and a national school of violence for its concentration camp personnel Set up in the first months of Adolf Hitler's rule Dachau was a bastion of the Nazi revolution and a key springboard for the ascent of Heinrich Himmler and the SS to control of the Third Reich's terror and policing apparatus Throughout the pre-war era of Nazi Germany Dachau functioned as an academy of violence where concentration camp personnel were schooled in steely resolution and the techniques of terror An international symbol of Nazi depredation Dachau was the cradle of a new and terrible spirit of destruction Combining extensive new research into the pre-war history of Dachau with theoretical insights from studies of perpetrator violence this volume offers the first systematic study of the Dachau School It explores the backgrounds and socialization of thousands of often very young SS men in the

camp and critiques the assumption that violence was an outcome of personal or ideological pathologies Christopher Dillon analyses recruitment to the Dachau SS and evaluates the contribution of ideology training social psychology and masculine ideals to the conduct and subsequent careers of concentration camp guards Graduates of the Dachau School would go on to play a central role in the wartime criminality of the Third Reich particularly at Auschwitz Dachau and the SS makes an original contribution to scholarship on the prehistory of the Holocaust and the institutional organization of violence **The Global Revolution** Silvio Pons, 2014 A leading European historian offers a fresh analysis of communism as a global movement that played a major part in the formation of our modern world from the birth of Soviet Russia and the revolution in China to the Cold War and the impact of Western led processes of globalization **International Communism and the Communist International, 1919-43** Tim Rees, Andrew Thorpe, 1998 The Communist International was formed in Moscow in 1919 as a factory of world revolution but was dissolved in 1943 without having led a single successful working class uprising This book offers a reappraisal of the body The German Revolution, 1917-1923 Pierre Broué, 2006 Broué enables us to feel that we are actually living through these epoch making events Do not miss this magnificent work Robert Brenner UCLA A magisterial definitive account of the upheavals in Germany in the wake of the Russian revolution Broué meticulously reconstitutes six decisive years 1917-23 of social struggles in Germany The consequences of the defeat of the German revolution had profound consequences for the world Pierre Broué 1926-2005 was for many years Professor of Contemporary History at the Institut d'études politiques in Grenoble and was a world renowned specialist on the communist and international workers movements **Europe Since 1945** Bernard A. Cook, 2001 Employing 286 scholars this two volume encyclopedia contains entries on post World War II European political history and groups significant events and persons the economy religion education the arts women's issues writers and more **The Red Flag** David Priestland, 2016-05-03 The best and the most accessible one volume history of communism now available A far reaching vividly written account Foreign Affairs In The Red Flag Oxford professor David Priestland tells the epic story of a movement that has taken root in dozens of countries across two hundred years from its birth after the French Revolution to its ideological maturity in nineteenth century Germany to its rise to dominance and subsequent fall in the twentieth century Beginning with the first modern Communists in the age of Robespierre Priestland examines the motives of thinkers and leaders including Marx Engels Lenin Stalin Castro Che Guevara Mao Ho Chi Minh Gorbachev and many others Priestland also shows how Communism in all its varieties appealed to different societies for different reasons in some as a response to inequalities and in others more out of a desire to catch up with the West But paradoxically while destroying one web of inequality Communist leaders were simultaneously weaving another It was this dynamic together with widespread economic failure and an escalating loss of faith in the system that ultimately destroyed Soviet Communism itself At a time when global capitalism is in crisis and powerful new political forces have arisen to confront Western democracy The Red Flag is essential reading if we are to apply

the lessons of the past to navigating the future Detailed and scholarly but written in lively prose this is a rich satisfying account of the most successful utopian political movement in history Publishers Weekly starred review A Jewish Communist in Weimar Germany Ralf Hoffrogge, 2017-07-10 Walter Benjamin derided Werner Scholem as a rogue in 1924 Josef Stalin referred to him as a splendid man but soon backtracked and labeled him an imbecile while Ernst Thälmann chairman of the Communist Party of Germany KPD warned his followers against the dangers of Scholemism For the philosopher and historian Gershom Scholem however Werner was first and foremost his older brother The life of German Jewish Communist Werner Scholem 1895 1940 had many facets Werner and Gerhard later Gershom rebelled together against their authoritarian father and the atmosphere of national chauvinism engulfing Germany during World War I After inspiring his younger brother to take up the Zionist cause Werner himself underwent a long personal journey before deciding to join the Communist struggle Scholem climbed the party ladder and orchestrated the KPD's Bolshevisation campaign only to be expelled as one of Stalin's opponents in 1926 He was arrested in 1933 and ultimately murdered in the Buchenwald concentration camp seven years later This first biography of Werner Scholem tells his life story by drawing on a wide range of original sources and archive material long hidden beyond the Iron Curtain of the Cold War era First published in German by UVK Verlagsgesellschaft as Werner Scholem eine politische Biographie 1895 1940 Konstanz 2014

As recognized, adventure as with ease as experience roughly lesson, amusement, as capably as concurrence can be gotten by just checking out a book **Creating German Communism 1890 1990 From Popular Protests To Socialist State** as well as it is not directly done, you could bow to even more regarding this life, as regards the world.

### **Creating German Communism 1890 1990 From Popular Protests To Socialist State Introduction**

In today's digital age, the availability of Creating German Communism 1890 1990 From Popular Protests To Socialist State books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Creating German Communism 1890 1990 From Popular Protests To Socialist State books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Creating German Communism 1890 1990 From Popular Protests To Socialist State books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Creating German Communism 1890 1990 From Popular Protests To Socialist State versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Creating German Communism 1890 1990 From Popular Protests To Socialist State books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics.

Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Creating German Communism 1890 1990 From Popular Protests To Socialist State books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Creating German Communism 1890 1990 From Popular Protests To Socialist State books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Creating German Communism 1890 1990 From Popular Protests To Socialist State books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Creating German Communism 1890 1990 From Popular Protests To Socialist State books and manuals for download and embark on your journey of knowledge?

### **FAQs About Creating German Communism 1890 1990 From Popular Protests To Socialist State Books**

**What is a Creating German Communism 1890 1990 From Popular Protests To Socialist State PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Creating German Communism 1890 1990 From Popular Protests To Socialist State PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many

applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Creating German Communism 1890 1990 From Popular Protests To Socialist State PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Creating German Communism 1890 1990 From Popular Protests To Socialist State PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Creating German Communism 1890 1990 From Popular Protests To Socialist State PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
