Jones, Randy Compton, 2002-12-03 Kids who understand how to manage conflict successfully can transform their schools into safer and kinder places to learn Kids Working It Out offers educators and parents a guide to the most current and effective school based conflict resolution programs and shows how these programs can make a positive difference in our

schools Throughout the book students and teachers share their stories of what it's really like in today's schools and reveal how Conflict Resolution Education has shaped their experiences Kids Working It Out covers a wide range of topics curriculum integration peer mediation restorative justice and others and shows what it takes to implement an effective program in any school and any community Whole-School Strategies for Anger Management Michael Hymans, 2023-05-09 Ensure your staff and children feel happy and secure in their school environment with the help of Whole School Strategies for Anger Management This book has a much wider perspective than the other more traditional anger management resources available It considers a whole school approach including a tried and tested programme with resources for pupils as well as a new ground breaking staff development element A facilitator guide with a programme of activities PowerPoint presentations and resources will guide staff in looking at how they manage their strong emotions and how they can help to create classrooms in which strong emotions are handled effectively Anger can be difficult to manage but it is an essential part of being human and is a potentially useful emotion Getting in touch with our emotional intelligence can help us to understand our own anger and to understand children's anger. The book highlights the importance of continually trying to manage our feelings effectively especially in the roles of leader teacher teaching assistant and other support workers The development of an anger management strategy in a school should be considered as part of a whole school approach to managing behaviour Whole School Strategies for Anger Management will ensure you feel confident to bring about the changes necessary for a happy and secure learning environment Starting from the premise that managers will structure the process but that implementation will be carried out by staff this publication provides training and support at several levels by recognising the effects of staff behaviour on student outcomes teaching the skills for problem solving managing conflict and de escalating angry behaviour understanding the components of anger setting up pupil anger management groups With a whole school approach this resource allows staff to consider the significance of their relationship with students and the various ways that anger can be managed throughout all aspects of school life The Handbook of Conflict Resolution Education Richard J. Bodine, Donna K. Crawford, 1998 Based on the principles of cooperation and problem solving conflict resolution helps students solve problems themselves by identifying underlying needs and finding solutions that meet everyone s interests to the fullest extent possible With an easy to use workbook format Learning to Live Together David A. Hamburg M.D., Beatrix A. Hamburg M.D., 2004-04-08 With a view to deepening our understanding of sources of hatred and prejudice this book uses a developmental and evolutionary perspective to explore and explain the process by which our beliefs are conveyed to the youngest members of society Discussing the psychological obstacles to peaceful relations between groups the authors focus on the developmental processes by which we can work to diminish ethnocentrism prejudice and hatred which children learn from a very early age Until now scholarship and practice in international relations have gravely neglected crucial psychological aspects of these terrible problems and have not yet

explored the educational opportunities related to them Addressing these promising lines of inquiry and innovation this book fosters a more humane and less violent development in childhood and adolescence Educators religious leaders developmental and social psychologists will find this a valuable resource as will a socially concerned segment of the public who are looking for practical ways to work for peace Juvenile Justice ,2001 Preventing Violence in Schools Joan N. Burstyn, Geoff Bender, Ronnie Casella, Howard W. Gordon, Domingo P.
