true crime book from the acclaimed author of TRUE CRIME ADDICT and creator host of the podcasts True Crime This Week and The Philosophy of Crime James Renner explores the unsolved murder of 16 year old Lisa Pruett in the real life town of the bestselling novel Little Fires Everywhere in a painstakingly researched account of a senseless and heartbreaking tragedy and the people who were pulled into its aftermath In September of 1990 in the Cleveland suburb of Shaker Heights sixteen year old Lisa Pruett a poetry lover and member of a church youth group was on her way to a midnight tryst with her

boyfriend when she was viciously stabbed to death only thirty feet from the boy's home. The murder cast a palpable gloom over the upscale community and sparked accusations, theories, and rumors among Lisa's friends and peers. Together they wove a damning narrative that circled back to a likely suspect: weird high school outcast Kevin Young. Without a shred of evidence, the teen was arrested, charged, and tried for the crime. His eventual acquittal didn't squelch the anger and outrage among those who believed that Kevin got away with murder. With a fresh perspective and painstaking research culled from police files, court records, transcripts, uncollected evidence, and new interviews, James Renner reconstructs the events leading up to and following that heartbreaking night. What emerges is a portrait of a community seething with dark undercurrents: its single-minded authorities, protective status-conscious parents, and the deeply peer-pressured teens within Lisa's circle. Who had the capacity for such unchecked violence? What monsters still lurk in the dark? After more than thirty years, questions like these continue to fester among the community of Shaker Heights, Ohio, still deeply scarred by wounds that remain hidden, unspoken, and unhealed.
